

# Poem On World

## Ozone Day

If we are alive it's due to ozone layer, in our hand lies ozone care

It's an umbrella that protects us all, due to it harmful rays never fall.

Serious is condition of the south pole, where ozone layer has a big hole

It is well known now who is the culprit, it is the CFC industries few emit.

Let not CFCs in environment increase, its production should cease or freeze

Importance of Ozone let's not deny, Give this layer priority only high.
