Pelham Grenville Wodehouse - Volume 2: Mid-Season Form Paul Kent, 2022-06-28 In 1915 and for the next decade or so P G Wodehouse's fictional world mushroomed within his imagination His best known creations Jeeves and Bertie arrived in that year as did Lord Emsworth and many of the Blandings circle the Oldest Member teed off in 1919 the Drones Club threw open its doors in 1921 a new thoroughly improved Stanley Featherstonehaugh Utridge returned to the fold in 1923 and Mr Mulliner sipped his first hot scotch and lemon at the bar parlour of the Angler's Rest in 1926 Plum would steadily re-visit these characters and locations for another half century interspersing his tales with one-off novels, stories and further less voluminous sub-series until his death in 1975 These were truly golden years with Plum at the height of what he called his mid-season form Paul Kent continues his groundbreaking study of Wodehouse's imagination by casting a fresh eye over his created world whose characters and stories have made our world feel better about itself for well over a century

A Wodehouse Handbook N. T. P. Murphy, Pelham Grenville Wodehouse, 2006

[A Wodehouse Handbook](#) N.T.P. Murphy, 2013-06-01 In 1981 Norman Murphy caused a minor stir in literary circles when he published *In Search of Blandings* which demonstrated that many of P G Wodehouse's legendary characters and settings were based on fact In the two volumes of *A Wodehouse Handbook* he reveals his findings across a wider field the world that Wodehouse lived in and the sources of the many quotations and references Wodehouse used so brilliantly In Volume 1 he tells us of Winston Churchill's first public speech of Sam Goldwyn's typhoon that outdid Nature how Clement Atlee made his first social protest how the Gibson Girls kept England in suspense of the longest golf hole ever played and of the lady who flew the Atlantic without a map We learn that immersion in the swimming pool with all your clothes on was not uncommon in a certain London club and that the home of Jeeves's Junior Ganymede is still to be found in Mayfair The recipe for Green Swizzles is revealed at last and a distant Wodehouse relation has provided an astonishing origin for the fabled Buck U Uppo Based on more than twenty years of searching through biographies, memoirs, obituaries and newspaper reports Norman Murphy's discoveries encompass English and American social history from the Victorian era to the space race He demonstrates conclusively that the world P G Wodehouse described was real enough What Wodehouse did was to show the funny side of it
