**Shelf Life** Nadia Wassef, 2025-08-22 As a bookseller I loved Shelf Life for the chance to peer behind the curtain of Diwan Nadia Wassef's Egyptian bookstore the way that the personal is inextricable from the professional the way that failure and success are often lovers the relationship between neighborhoods and books and life Nadia's story is for every business owner who has ever jumped without a net and for every reader who has found solace in the aisles of a bookstore Emma Straub author of All Adults Here Shelf Life is such a unique memoir about career life love friendship motherhood and the impossibility of succeeding at all of them at the same time It is the story of Diwan the first modern bookstore in Cairo which was opened by three women one of whom penned this book As a bookstore owner I found this fascinating As a reader I found it fascinating Blunt honest funny Jenny Lawson author of Broken in the best possible way The warm and winning story of opening a modern bookstore where there were none Shelf Life Chronicles of a Cairo Bookseller recounts Nadia Wassef's troubles and triumphs as a founder and manager of Cairo based Diwan The streets of Cairo make strange music The echoing calls to prayer the raging insults hurled between drivers the steady crescendo of horns honking the shouts of street vendors the television sets and radios blaring from every sidewalk Nadia Wassef knows this song by heart In 2002 with her sister Hind and their friend Nihal she founded Diwan a fiercely independent bookstore They were three young women with no business degrees no formal training and nothing to lose At the time nothing like Diwan existed in Egypt Culture was languishing under government mismanagement and books were considered a luxury not a necessity Ten years later Diwan had become a rousing success with ten locations 150 employees and a fervent fan base Frank fresh and very funny Nadia Wassef's memoir tells the story of this journey Its eclectic cast of characters features Diwan's impassioned regulars like the demanding Dr Medhat Samir the driver with CEO aspirations meditative and mythical Nihal silent but deadly Hind dictatorial and exacting Nadia a self-proclaimed bitch to work with and the many people mostly men who said Diwan would never work Shelf Life is a portrait of a country hurtling toward revolution a feminist rallying cry and an unapologetic crash course in running a business under the law of entropy Above all it is a celebration of the power of words to bring us home
