Buell,1905 **Paul Jones, Vol. 1 of 2** Augustus C. Buell,2015-07-17 Excerpt from Paul Jones Vol 1 of 2 Founder of the American Navy a History On such a basis numerous biographies and innumerable sketches of Paul Jones have been published during the last hundred years Through all of them runs a vein of mystery which in its turn has made his name the Sport of novel writers and the prey of fiction for three generations The result has been distorted views of his character and imperfect conceptions of his career But there was no mystery about his career had the materials for a plain history of him been intelligently handled On the contrary his life as indicated by his own singularly frank writings and as mirrored in the copious discussions of him and his character in the papers of his great contemporaries was free from mystery and in most respects extraordinarily open and above board It is by no means on his own literary relics that a real history of Paul Jones must be based As is true of every famous man the materials for such a history of him must be sought in the records of his contemporaries and colleagues as well as or to a greater extent than in his own The present volume represents an effort to combine the most important or most interesting parts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Paul Jones, Vol. 2 of 2** Augustus C. Buell,2015-06-29 Excerpt from Paul Jones Vol 2 of 2 Founder of the American Navy Tee numerous biographers of Paul Jones do not agree in their estimates of the motives that prompted the Commodore to let the Alliance go so easily when he had in his hands full power to stop her at all hazards Most of them take the View that he was actuated wholly by impulses of humanity that he knew or believed Landais backed and encouraged as he was by Arthur Lee would make the effort to get out in defiance of the French authorities that if he should do so Thevenard would Open on him with the one hundred and thirty eight heavy guns of the Barrier Forts some of which were sixty eight pounders and as they commanded the narrow channel at close range such a file must tear the little frigate to pieces in Five minutes and that it would be better to submit to the wrong done by two men than to subdue them by measures calculated to destroy more than

John Paul Jones ,2001-12 This volume recounts the search for the body of John Paul Jones in the abandoned St Louis Cemetery of Paris Jones was buried on July 20 1792 in Paris There is a wealth of documentary and historical material relating to Jones career but surely the most fascinating part of this book has to do with the rediscovery examination and removal of Jones long dead body in 1905 The remains were indeed well preserved after 113 years and were subject to the indignity of examination autopsy and publication This book includes a full page bust view of the well preserved Jones The entire affair reads like a mystery and we are treated to some creepy photos as well The book opens with an address by President Theodore Roosevelt and contains addresses delivered at the U S Naval Academy April 24 1906 The 24th of April 1906 was chosen for the commemorative exercises in honor John Paul Jones because it was the anniversary of Jones s famous capture of the British ship of war Drake off Carrickfergus in 1778 Jones carried the war to the shores of Britain actually landing in Scotland in an attempt to capture the Earl of Selkirk this episode resulted in his reputation as a pirate in Britain Important material first published here on John Paul Jones including letters and illustrations showing the character and personal appearance of Jones *Army-Navy-Air Force Register and Defense Times* ,1905 *Historical New Hampshire* ,1953
