An Adam Dalgliesh Omnibus P. D. James, 1998 *Reflecting on Miss Marple* Marion Shaw, Sabine

Vanacker, 2018-07-27 Originally published in 1991 *Reflecting on Miss Marple* looks at the incongruous combination of violence murder and a sweet white haired old lady and examines why this makes such a potent but unlikely formula The book is an astute and engaging account which reveals Miss Marple as a feminist heroine triumphantly able to exploit contemporary prejudices against unmarried women in order to solve her case The authors explore the inherent contradictions of Agatha Christie s Miss Marple novels their social context and their place in detective fiction as a whole

Werlock, 2000-02-09 Original essays by American and British scholars offer a reader friendly introduction to the work of Angela Carter Doris Lessing and a dozen other British women writers British women in the second half of the 20th century have produced a body of work that is as diverse as it is entertaining This book offers an informal jargon free introduction to the fiction of sixteen contemporary writers either brought up or now living in England from Muriel Spark to Jeanette Winterson *British Women Writing Fiction* presents a balanced view comprising women writing since the 1950s and 1960s those who attracted critical attention during the 1970s and 1980s and those who have burst upon the literary scene more recently including African Caribbean and African women The essays show how all of these writers treat British subjects and themes sometimes from radically different perspectives and how those who are daughters of immigrants see themselves as women writing on the margins of society Abby Werlock s introduction explores the historical and aesthetic factors that have contributed to the genre showing how even those writers who began in a traditional vein have created experimental work The contributors provide complete bibliographies of each writer s works and selected bibliographies of criticism
