Pendleton District, S.C., Deeds, 1790-1806, 1982 **African American Life in South Carolina's Upper Piedmont, 1780-1900** W. J. Megginson, 2022-08-03 A rich portrait of Black life in South Carolina's Upstate Encyclopedic in scope yet intimate in detail African American Life in South Carolina's Upper Piedmont 1780 1900 delves into the richness of community life in a setting where Black residents were relatively few notably disadvantaged but remarkably cohesive W J Megginson shifts the conventional study of African Americans in South Carolina from the much examined Lowcountry to a part of the state that offered a quite different existence for people of color In Anderson Oconee and Pickens counties occupying the state's northwest corner he finds an independent brave and stable subculture that persevered for more than a century in the face of political and economic inequities Drawing on little used state and county denominational records privately held research materials and sources available only in local repositories Megginson brings to life African American society before during and after the Civil War Orville Vernon Burton Judge Matthew J Perry Jr Distinguished Professor of History at Clemson University and University Distinguished Teacher Scholar Emeritus at the University of Illinois provides a new foreword **The Life and Times of General Andrew Pickens** Rod Andrew Jr., 2017-02-23 Andrew Pickens 1739 1817 the hard fighting South Carolina militia commander of the American Revolution was the hero of many victories against British and Loyalist forces In this book Rod Andrew Jr offers an authoritative and comprehensive biography of Pickens the man the general the planter and the diplomat Andrew vividly depicts Pickens as he founds churches acquires slaves joins the Patriot cause and struggles over Indian territorial boundaries on the southern frontier Combining insights from military and social history Andrew argues that while Pickens's actions consistently reaffirmed the authority of white men he was also determined to help found the new republic based on broader principles of morality and justice After the war Pickens sought a peaceful and just relationship between his country and the southern Native American tribes and wrestled internally with the issue of slavery Andrew suggests that Pickens's rise to prominence his stern character and his sense of duty highlight the egalitarian ideals of his generation as well as its moral shortcomings all of which still influence Americans understanding of themselves Some Duncan Families of Eastern Tennessee Before 1800 Mary Ann Duncan Dobson, 1991 Families principally from the Duncan surname who descended from 4 Duncans of eastern Tennessee who were possibly related and other loose end Duncans They include Marshall Duncan m Betsey Denston Rogers Thomas m 1790 Mary Polly Lynch Joseph b 1720 and Jeremiah b ca 1750 High Seminary: Vol. 1: Jerome V. Reel, 2023-12-15 This study shows how Clemson weaves together the three federal charges of land grant institutions teaching specified in the Land Grant Act of 1862 research the Hatch Act of 1887 and public service the Smith Lever Act of 1914 into a high seminary of learning Clemson students and their lives here are the other major theme of this work The narrative of this institution traces the people who created it those who guided it and the people who lived under its influence and the paths they followed as they left dear old Clemson
