Stalinism Reloaded Sándor Horváth, 2017-03-27 The Hungarian city of Székesfehérvár or Stalin City was intended to be the paradigmatic urban community of the new communist society in the 1950s In Stalinism Reloaded Sándor Horváth explores how Stalin City and the socialist regime were built and stabilized not only by the state but also by the people who came there with hope for a better future By focusing on the everyday experiences of citizens Horváth considers the contradictions in the Stalinist policies and the strategies these bricklayers bureaucrats shop girls and even children put in place in order to cope with and shape the expectations of the state Stalinism Reloaded reveals how the state influenced marriage patterns family structure and gender relations While the devastating effects of this regime are considered a convincing case is made that ordinary citizens had significant agency in shaping the political policies that governed them

The Invisible History of the Human Race Christine Kenneally, 2015-01-29 A New York Times Notable Book of 2014 We are doomed to repeat history if we fail to learn from it but how are we affected by the forces that are invisible to us What role does Neanderthal DNA play in our genetic makeup How

did the theory of eugenics embraced by Nazi Germany first develop How is trust passed down in Africa and silence inherited in Tasmania How are private companies like Ancestry com uncovering preserving and potentially editing the past In *The Invisible History of the Human Race* Christine Kenneally reveals that remarkably it is not only our biological history that is coded in our DNA but also our social history She breaks down myths of determinism and draws on cutting edge research to explore how both historical artefacts and our DNA tell us where we have come from and where we may be going *Black British History* Hakim Adi,2019-03-15 For over 1500 years before the Empire Windrush docked on British shores people of African descent have played a significant and far ranging role in the country s history from the African soldiers on Hadrian s Wall to the Black British intellectuals who made London a hub of radical Pan African ideas But while there has been a growing interest in this history there has been little recognition of the sheer breadth and diversity of the Black British experience until now This collection combines the latest work from both established and emerging scholars of Black British history It spans the centuries from the first Black Britons to the latest African migrants covering everything from Africans in Tudor England to the movement for reparations and the never ending struggles against racism in between An invaluable resource for both future scholarship and those looking for a useful introduction to Black British history *Black British History New Perspectives* has the potential to transform our understanding of Britain and of its place in the world **The Complete**
