

Pj Mara

**Colin Murphy**

## **Pj Mara:**

Brooklyn Daily Eagle Almanac ,1915 *Court of Appeals State of New York* , *Charmers and Chancers* Hugh Oram,2016-09-16 *Charmers and Chancers* tells the stories about the many famous and infamous people whom I've met and often interviewed during my fifty year media career It also includes a lot of personal and family history *Bertie Ahern and the Drumcondra Mafia* Shane Coleman,Michael Clifford,2012-07-30 In March 2008 Bertie Ahern announced his resignation as Taoiseach prompted by ongoing evidence in a planning inquiry that uncovered he had received large sums of money when minister for finance Yet even in defeat he remained the most popular politician of his generation one for whom the defining Teflon Taoiseach tag had not entirely slid away However what made Bertie Ahern unique was not his enormous popularity or the revelations about his personal finances but his dependence on a power base largely separate to Fianna Fail the Drumcondra Mafia a largely unknown fiercely loyal close knit group of friends When Ahern was Taoiseach the centre of power was arguably as much in St Luke s the legendary constituency office bought by the Drumcondra Mafia as in Government Buildings Bertie Ahern and the Drumcondra Mafia takes the reader inside the organisation and examines how they not only established the most efficient electoral machine in the country but put their man in the most senior political office in the state It also details how in his rise to power Ahern acquired substantial sums of money while propagating the image of a man with no interest in money Finally it tracks his descent with the investigation into his finances a descent punctuated by one final victory in the 2007 general election This is the story not just of Bertie Ahern but of the men and women who travelled with him on his extraordinary journey Showtime Pat Leahy,2009-08-27 In boom and in bust Ireland has been led by Fianna F il Showtime gets behind the party s remarkable dominance of the political landscape and leading political writer Pat Leahy tells the gripping story of how it won kept and has used power since the mid 1990s Showtime explains how Fianna F il operated during the boom years from November 1994 when Bertie Ahern assumed leadership of a battered party expecting to become Taoiseach but instead finding himself cast into opposition to the day he relinquished the party leadership on the brink of the bust For a decade after it achieved power in 1997 Fianna F il led the government during an unprecedented economic boom and enjoyed riches beyond the wildest dreams of any previous administration Showtime reveals how government really worked in these years the favours the grudges the backroom deals the political strokes the policy compromises and the choices that have led the country to where it is today Showtime is politics in the raw the exciting enlightening and sometimes disturbing story of a remarkable era that changed the face of modern Ireland **Luck and the Irish** R. F. Foster,2008-03-14 At the same time the position of women in Irish society has been transformed with the growth of feminism a revolution in sexual attitudes far more women in the work force the ascendancy of President Mary Robinson and the movement of women to front rank Cabinet posts all of which have put the position of Irish women ahead of that in many European nations Everyone curious about the recent past the burgeoning present and the unclear future of Ireland will

want to read this book BOOK JACKET      **Ireland In The 20th Century** Tim Pat Coogan,2009-12-01 Ireland s bestselling popular historian tells the story of contemporary Ireland controversial authoritative and highly readable Tim Pat Coogan s biographies of Michael Collins and DeValera and his studies of the IRA the Troubles and the Irish Diaspora have transformed our understanding of contemporary Ireland and all have been massive bestsellers Now he has produced a major history of Ireland in the twentieth century Covering both South and North and dealing with cultural and social history as well as political this enthralling work will become the definitive single volume account of the making of modern Ireland      **A History of Fianna Fáil** Noel Whelan,2011-11-04 The Fianna F il Party was founded in 1926 and first came to Government in 1932 From that date until 2010 it has completely dominated the political life of the Republic of Ireland For all but 13 of those 78 years it has formed the Government of Ireland either on its own or as the dominant party in a coalition Fianna F il has always seen itself as more than a party Its self image has been that of a national movement one that represented the nation in microcosm and superseded partisan and regional prejudices While holding this view of itself it also managed to be the most ruthlessly successful and professional party machine in Europe Noel Whelan the distinguished political commentator and columnist is steeped in the Fianna F il tradition In this book he traces the party s fortunes from its foundation by Eamon deValera and Se n Lemass in the 1920s through the economic war of the 1930 war time neutrality and stagnation of the 1950s Lemass s Governments of the 1960s generally regarded as the best in the history of the State restored the Country s fortunes but the 70s and 80s were locust years dominated by the divisive and charismatic figure of Charles J Haughey Under the later leadership of Bertie Ahern party divisions were healed and it seemed that national divisions were healed with them An economic boom was allowed recklessly to run out of control with the result that the party having brought Irish prosperity to a new peak was then blamed for the sudden violence of the crash The general election of 2011 reduced Fianna F il to its lowest ebb since it was founded It may not have marked the end of the party but it clearly marked the end of an era that began in 1932      *Wasters* Nick Webb,Shane Ross,2010-09-27 During the years when all seemed well with the Irish economy a scandal bloomed in front of our faces but went mostly unnoticed the scandal of public waste Vast overspending on infrastructure including a number of white elephants extravagant use of overpriced consultants the creation of dozens of quangos whose primary purpose seemed to be jobs for the boys the culture of junketry that took hold in the semi state sector and the Oireachtas these and other dubious practices flourished during the years when the state s coffers were overflowing The insiders benefited the rest of us got ripped off Now as the state scrambles to bail out the banks and to bring order to the shattered public finances by taking money out of the pockets of ordinary working people Shane Ross and Nick Webb tell the story of the wasters the people who perfected and benefited from the culture of cronyism and waste Thanks in large part to Ross and Webb s journalism in the Sunday Independent exposing scandals in FAS and CIE we already know part of this story In *Wasters* the authors show how wide and how deep the rot runs and they show that every scandal has one thing in common

insiders profiting at the expense of ordinary people *Haughey/Gregory* Colin Murphy,2019-07-02 A housing crisis a hung D  
il and an unlikely alliance Haughey Gregory follows the deal made between Tony Gregory and Charles Haughey in 1982 when  
Gregory took a surprise D il seat and suddenly found himself holding the balance of power Dublin s Inner City is devastated  
by unemployment and addiction and the planners solution is simply to bulldoze it But the general election results in the  
novice TD Tony Gregory holding the balance of power Can Gregory use his vote to achieve something for his constituents To  
do so he will have to face off against the dominant personality of Irish politics Charles J Haughey [Ireland and the Politics  
of Change](#) William J. Crotty,David A. Schmitt,2014-06-17 Ireland and the Politics of Change provides a timely assessment of  
the fundamental changes that have occurred in Irish society over the last several decades from the standpoint of their  
political significance There is a particular concern with the leadership role of government and other political institutions in  
stimulating managing and responding to the changes taking place that are of fundamental importance to understanding  
contemporary politics and today s Ireland in the world community Considerable social economic demographic and  
international change has taken place within Ireland and Northern Ireland and without in relation to the rest of the world and  
particularly in response to the association with the European Union Ireland and the Politics of Change examines institutional  
developments economic forces demographic and attitudinal profiles and group based religious gender class concerns as they  
have evolved and assesses their significance for policy enactment and political representation [The Little Book of  
Ballsbridge](#) Hugh Oram,2014-10-01 The Little Book of Ballsbridge is a compendium of fascinating obscure strange and  
entertaining facts about this leafy suburb of Dublin Here you will find out about Ballsbridge s famous and occasionally  
infamous residents its proud sporting heritage its churches and great houses and its natural history Down wide streets and  
past elegant houses this book takes the reader on a journey through Ballsbridge and its vibrant past A reliable reference  
book and a quirky guide this can be dipped into time and time again to reveal something new about the people the heritage  
and the secrets of Dublin s embassy belt *How Ireland Voted 2002* Michael Gallagher,Michael Marsh,Paul  
Mitchell,2003-01-24 How Ireland Voted 2002 provides an in depth analysis of the Irish general election Continuing an  
established series of election studies it sets out the context of the campaign assesses the impact of the political parties  
marketing strategies and presents first hand candidate campaign diaries It analyzes voting patterns employing both  
aggregate data and survey evidence discusses the post election negotiations leading to the formation of the new government  
and considers the implications for the future of the Irish party system **Electoral competition in Ireland since 1987**  
Gary Murphy,2016-04-30 This major new account of the politics of modern Ireland offers a rigorous analysis of the forces  
which shaped both how the Irish state governed itself from the period since 1987 and how it lost its economic sovereignty in  
2010 *Haughey* Gary Murphy,2021-11-26 With exclusive access to the Haughey archives Gary Murphy presents a  
reassessment of Charles Haughey s life and legacy Saint or sinner Charles Haughey was depending on whom you ask either

the great villain of Irish political life or the benevolent and forward thinking saviour of a benighted nation He was undoubtedly the most talented and influential politician of his generation yet the very roots of his success his charisma his intelligence his ruthlessness his secrecy have rendered almost impossible any objective evaluation of his life and work That is until now Based on unfettered access to Haughey s personal archives as well as extensive interviews with more than eighty of his peers rivals confidants and relatives Haughey is a rich and nuanced portrait of a man of prodigious gifts who for all his flaws and many contradictions came to define modern Ireland A superbly balanced exploration of the life and politics of one of the most fascinating figures in 20th century Ireland Professor John Horgan An indispensable read for anyone with an interest in modern Irish history David McCullagh Offers much new detail and not a few surprises about the personality and career of a political titan who is still in equal measure revered and reviled in 21st century Ireland Conor Brady One Party Dominance Sean McGraw,Eoin O'Malley,2017-11-21 Fianna Fil was for most of the 20th century the democratic world s most successful political party It dominated the politics of Ireland from 1932 when it first took power until 2011 when it became a prominent electoral victim of the Great Recession This book provides original research that explains how Fianna Fil became dominant and managed its coalitions of support to maintain that position for eight decades It gathers prominent political scientists who focus on a variety of factors including its ideological flexibility control of state resources and the venue for decision making the party s leadership its organisation and communications strategies In addition the book takes a comparative approach to understanding the position of dominant parties in democratic countries and uses empirical data to understand the sources of its support and decline It is a book that will be of interest not only to scholars of Ireland but also to those who wish to understand the sources of power of dominant political parties and the impact of the Great Recession on democratic politics This book was originally published as a special issue of Irish Political Studies **Congressional Record** United States. Congress,1932 **How Ireland Voted 2007: The Full Story of Ireland's General Election** M. Gallagher,M. Marsh,2007-11-06 In this book the sixth in the highly regarded How Ireland Voted series leading Irish political scientists examine what happened analyse the election results the opinion poll evidence and the media coverage to establish why it happened and assess the long term significance *Engineering Record, Building Record and Sanitary Engineer* Henry Coddington Meyer,Charles Frederick Wingate,1900 Who Do I Think I Am? Homan Potterton,2017-11-03 When Homan Potterton was appointed Director of the National Gallery of Ireland in 1979 at the age of thirty three he was the youngest ever Director since the foundation of the Gallery in 1854 Who Do I Think I Am is the sequel to the author s best selling childhood memoir Rathcormick A Childhood Recalled Written in a witty and amusing style Homan Potterton regales the reader with tales of student days at Trinity Dublin summer jobs in London carefree travel in Europe and his unexpected journey to the director s office of the National Gallery of Ireland after his first museum job in the National Gallery London With a keen interest in people an observant eye and a spry humour Potterton describes the many characters and leading

lights of Dublin and London society that he encountered during his rich and varied career including Anthony Blunt Michael Levey Denis Mahon Derek Hill James White Desmond Guinness and Charles Haughey Befriending Sir Alfred and Clementine Beit he helped secure the famous Beit Collection for the Irish nation and in a dramatic episode describes how he worked with Garda to recover the Beit paintings stolen from Russborough House by Martin Cahill in 1986 In a shock resignation Potterton left the National Gallery of Ireland after only eight years Thirty years on Who Do I Think I Am is his charming and candid memoir a beautifully rendered acutely descriptive impression of the art worlds of Dublin and London in the years 1970 1990

## Unveiling the Magic of Words: A Overview of "**Pj Mara**"
