Political Change in Eastern Europe Since 1989 Robert Zuzowski, 1998-06-25 This political analysis explains why some Eastern European countries are politically victorious and economically prosperous whilst others are not It shows how the roots of these countries relative success and failure were sown during fundamental changes allied to the demise of communism

Liberal Parties in Europe Emilie van Haute, Caroline Close, 2019-02-12 This book investigates how liberal parties have evolved over time as a party family in a comparative perspective Through a discussion of the applicability of the concept of party family to liberal parties it gives a better picture of the development challenges and opportunities for liberal parties in Europe The history of liberal parties in Europe is peculiar and the origins of the liberal family are not clearly defined Liberal parties are still quite heterogeneous given the various meanings embraced in the idea of liberalism including economic liberalism cultural liberalism progressivism social liberalism Bringing together the best specialists engaged in the study of liberal parties and with a two levels perspective comparative and case study this book renews and expands our knowledge on the liberal party family in Europe Four major themes are developed linked to the four approaches of the concept of party family electoral performances participation to power ideology and political program and party organization These themes are systematically developed in case studies and in comparative chapters Primarily aimed at scholars and students in comparative politics this book should especially appeal to scholars in the fields of political parties and party systems representation and elections voting behavior and public opinion

Cultural Change in East-Central European and Eurasian Spaces Susan C. Pearce, Eugenia Sojka, 2021-03-05 This book weaves together research on cultural change in Central Europe and Eurasia notably Bosnia and Herzegovina Kazakhstan Latvia Poland Russia and Ukraine Examining massive cultural shifts in erstwhile state communist nations since 1989 the authors analyze how the region is moving in both freeing and restrictive directions They map out these directions in such arenas as LGBTQ protest cultures new Russian fiction Polish memory of Jewish heritage ethnic nationalisms revival of minority cultures and loss of state support for museums From a comparison of gender constructions in 30 national constitutions to an exploration of a cross national artistic collaborative this insightful book illuminates how the region s denizens are swimming in changing tides of transnational cultures resulting in new hybridities and innovations Arguing for a decolonization of the region and for the significance of culture the book appeals to a wide interdisciplinary readership interested in cultural change post communist societies and globalization

Religion, Politics and Nation-Building in Post-Communist Countries Greg Simons, David Westerlund, 2016-03-03 The increasing significance and visibility of relationships between religion and public arenas and institutions following the fall of communism in Europe provide the core focus of this fascinating book Leading international scholars consider the religious and political role of Christian Orthodoxy in the Russian Federation Romania Georgia and Ukraine alongside the revival of old indigenous religions often referred to as shamanistic and look at how despite Islam s

long history and many adherents in the south Islamophobic attitudes have increasingly been added to traditional anti Semitic anti Western or anti liberal elements of Russian nationalism Contrasts between the church s position in the post communist nation building process of secular Estonia with its role in predominantly Catholic Poland are also explored Religion Politics and Nation Building in Post Communist Countries gives a broad overview of the political importance of religion in the Post Soviet space but its interest and relevance extends far beyond the geographical focus providing examples of the challenges in the spheres of public religious and social policy for all transitional countries *Democracy and Enlargement in Post-Communist Europe* Christian W. Haerpfer,2003-09-02 This book presents the principal findings of a unique and in depth study into the birth of democracy and the market economy in fifteen post communist countries *Transnational Law & Contemporary Problems* ,2004 The Transition David W. Lovell,2017-11-22 This title was first published in 2002 This useful collection brings together scholars from diverse standpoints to examine the transition from Communism a decade after it began The result is a book that illuminates the changes and particularly the problems that have accompanied attempts to introduce representative democracy and a viable market economy into formerly Communist states Specialist chapters on the Former Soviet Union Russia Poland Azerbaijan and the former East Germany institutional accounts of postcommunist states and conceptual chapters result in this volume being ideally suited to university courses policy makers and NGOs that have an interest in transition countries *Transitions to Capitalism and Democracy in Russia and Central Europe* M. Donald Hancock,John Logue,2000-04-30 Hancock and Logue along with their contributors seek to explicate the achievements problems and prospects of simultaneous processes of economic and political transitions from communism to contrasting forms of market economies and democracy in Russia Poland the Czech Republic Hungary Slovenia and eastern Germany Contributors include 14 American and European scholars with intimate professional and personal familiarity with the various case studies The contributors draw on process analysis and transition theory to explore different national approaches to privatization This includes individual voucher schemes the use of investment funds the direct sale of former state owned enterprises employee buy outs direct foreign investments and their consequences for parallel processes of marketization and democratization A quarter of the volume is devoted to comparative analyses of contrasting modes of privatization the role of public opinion and law in the transition process and the international economic and political context of postcommunist transformation An important analysis for scholars students and other researchers involved with postcommunist economic and political change **Economic Neoliberalism and International Development** Michael Tribe,2020-11-22 This book provides a robust theoretical and empirical exploration of the interrelationship between economic neoliberalism and international development Putting the experiences of developing and transitional economies centre stage the book investigates how their economic policies compare with the nature of economic liberalism during and after the significant economic reforms which took place from the mid 1980s Beginning with two chapters which provide an introduction to the

concept of economic neoliberalism the second section focuses on its application to practice and the book moves on to country regional case studies taken from Sub Saharan Africa South Asia Latin America China and Eastern Europe The book closes with some concluding remarks summarising some of the principal findings Bringing together a wealth of expertise this book clarifies controversial economic and political issues which have been significantly misunderstood in public discourse and as such it will be of interest to a range of researchers interested in the economic social and political dynamics of developing and transitional countries
