Pika, John Anthony Maltese, Andrew Rudalevige, 2019-12-20 The most up to date coverage and analysis of the presidency Never losing sight of the foundations of the political office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In the highly anticipated Tenth Edition of this bestseller Pika Maltese and Rudalevige thoroughly analyze the change and continuity in the presidency during President Trump s first term his relations with Congress and the judiciary the outcomes of the 2018 midterm election and the competitive setting for the 2020 presidential race [The Oxford Handbook of the American Presidency](#) George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today **The Politics of the Presidency, Revised 8th Edition** Joseph A. Pika, John Anthony Maltese, 2013-07-15 In the most up to date core text available on the presidency The Politics of the Presidency Revised Eighth Edition Joseph A Pika and John Anthony Maltese once again deliver their comprehensive and accessible analysis of the presidency Never losing sight of the foundations of the office the authors maintain a balance between historical context and contemporary scholarship on the executive A solid foundation for any presidency course the revised eighth edition features updated chapters including coverage of the 2012 election and a new chapter analyzing Obama s challenges as a second term president in an entrenched partisan environment [Guide to the Presidency](#) Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from

the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

[The Presidency and the Political System](#) Michael Nelson, 2020-07-17 The Presidency and the Political System showcases the best of presidential studies and research with top notch presidency scholars writing specifically for an undergraduate audience Michael Nelson rigorously edits each contribution to present a set of analytical yet accessible chapters and offers contextual headnotes introducing each essay Chapters represent the full range of topics institutions and issues relevant to understanding the American presidency covering approaches to studying the presidency elements of presidential power presidential selection presidents and politics and presidents and government This Twelfth Edition fully incorporates coverage of the Trump administration

[The Unprecedented American Presidency](#) Thomas Sanders, 2020-04-21 This Palgrave Pivot presents a comprehensive introduction along with four essays on the institution of the American presidency reflecting on broad implications for American political culture and practice Each by an eminent scholar of the presidency these pieces provide a thorough understanding of the uniqueness of the executive office of government and its evolution with special emphasis on twentieth and twenty first century practices and challenges Together they help to shed light on the current political crisis and explain the circumstances in which Donald Trump has come to occupy this central office of American democracy

**The Powers of the Presidency** CQ Press, 2012-10-19 Providing both a historical and contemporary perspective on presidential powers The Powers of the Presidency guides readers through the presidency as a constitutional office covering how it was shaped by design at the Constitutional Convention in 1787 and by later constitutional amendments Supreme Court decisions and custom and precedent It discusses the various roles of the chief executive including chief of state chief administrator legislative leader chief diplomat commander in chief and chief economist The fourth edition of this accessible and affordable work has been significantly updated and features Coverage of the final years of George W Bush and the first three years of Barack Obama's presidency Extensive coverage of the Obama Administration's efforts to curb economic decline Updates on the wars in Iraq and Afghanistan the killing of Osama bin Laden and on the treatment of detainees at Guantanamo Bay Coverage of the Arab Spring protests and U S involvement in the military intervention in Libya Barack Obama's health care reform legislation

[Presidential Leadership in Political Time](#) Stephen Skowronek, 2020-01-30 In this expanded third edition

renowned scholar Stephen Skowronek addresses Donald J Trump s presidency Skowronek s insights have fundamentally altered our understanding of the American presidency His political time thesis has been particularly influential revealing how presidents reckon with the work of their predecessors situate their power within recent political events and assert their authority in the service of change A classic widely used in courses on the presidency Skowronek s book has greatly expanded our understanding of and debates over the politics of leadership It clarifies the typical political problems that presidents confront in political time as well as the likely effects of their working through them and considers contemporary innovations in our political system that bear on the leadership patterns from the more distant past Drawing out parallels in the politics of leadership between Andrew Jackson and Franklin Roosevelt and between James Polk and John Kennedy it develops a new and revealing perspective on the presidential leadership of Clinton Bush Obama and now Trump In this third edition Skowronek carefully examines the impact of recent developments in government and politics on traditional leadership postures and their enactment given the current divided state of the American polity the impact of the twenty four hour news cycle of a more disciplined and homogeneous Republican party of conservative advocacy of the unitary theory of the executive and of progressive disillusionment with the presidency as an institution A provocative review of presidential history Skowronek s book brims with fresh insights and opens a window on the institution of the executive office and the workings of the American political system as a whole Intellectually satisfying for scholars it also provides an accessible volume for students and general readers interested in the American presidency

### **Guide to the Presidency and the Executive Branch**

Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the

White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

**The Handy Presidents Answer Book** David L Hudson, 2011-08-01 A complete look at every President's who what when where why and how From George Washington to Barrack Obama and John Adams to Woodrow Wilson The Handy Presidents Answer Book offers a fascinating look at the lives of each U S president along with a large array of factual anecdotal and historic perspectives on the American presidency Early life and career are covered along with important highlights from each presidency The Handy Presidents Answer Book addresses more than 1 600 broad fundamental questions on the presidents vice presidents first ladies administration staff families campaigns and elections major issues wars scandals tragedies and entertaining White House trivia such as What three presidents died on the Fourth of July Which president regularly swam naked in the Potomac River Which president executed criminals What president was called His Fraudulency because of the controversial way he was elected Which president later became chief justice of the U S Supreme Court Which president was the first to appoint a woman to his cabinet Whose campaign pledge was to bring about a kinder gentler nation The Handy Presidents Answer Book is a must have reference in the truest sense of the word Covering not just the individuals but also the origins of the presidency political parties elections and trivia the book gives depth and context to the office as well as to those who have become president With many photos illustrations and other graphics this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness

Debating the Presidency Richard J. Ellis, Michael Nelson, 2019-12-20 The study of the presidency the power of the office the evolution of the executive as an institution the men who have served has generated a great body of research and scholarship What better way to get students to grapple with the ideas of the literature than through conflicting perspectives on some of the most pivotal issues facing the modern presidency Richard Ellis and Michael Nelson have once again assembled a cadre of top scholars to offer a series of pro con essays that will inspire spirited debate beyond the pages of the book Each essay written in the form of a debate resolution offers a compelling yet concise view on the American executive

The Presidency, Congress, and Divided Government Richard S. Conley, 2002-11-27 Can presidents hope to be effective in policy making when Congress is ruled by the other party Political scientist Richard Conley brings to this crucial discussion a fresh perspective He argues persuasively that the conditions of divided government have changed in recent

years and he applies a rigorous methodology that allows the testing of a number of important assumptions about party control of the legislative process and the role of the president Conley demonstrates that recent administrations have faced a very different playing field than those in the earlier post war years because of such critical developments in electoral politics as decreasing presidential coattails and the lack of presidential popularity in opposition members districts Moreover he identifies several changes in the institutional setting in Congress that have affected both the legislative success rates of presidents programs and the strategies presidents pursue These institutional factors include more assertive legislative majorities changes in leadership structure and increased party cohesion in voting Conley uses both case studies and sophisticated time series regression analyses to examine the floor success of presidential initiatives the strategies presidents use in working with the legislature and the use of veto power to achieve presidential aims Scholars of the presidency and those interested in the larger American political process will find in this book both food for thought and a model of analytic sophistication

**Presidency and Domestic Policy** Michael A. Genovese, Todd L. Belt, William W. Lammers, 2015-11-17 This book systematically examines the first terms of every president from FDR to Barack Obama and assesses the leadership style and policy agenda of each Success in bringing about policy change is shown to hinge on the leadership style and skill in managing a variety of institutional and public relationships The second edition of this timely book adds chapters on George W Bush and Obama and focuses on the significant domestic policy challenges of their respective times The authors have reconfigured the analytical framework of the book to take into account the dynamic opportunity structure that emerged during the George W Bush administration The Presidency and Domestic Policy provides unique insights into contemporary presidential leadership in a highly partisan age

The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such

topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America Politically Incorrect Guide to the Presidents, Part 1 Larry Schweikart,2017-01-09 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Domestic Policy and Ideology** David McKay,1989-10-19 In this study Dr McKay examines the interaction between presidential policy preferences and the political environment concentrating on welfare and urban policy and intergovernmental relations under Johnson Nixon Carter and Reagan Throughout the work McKay measures the independent influence of the White House on policy and draws conclusions for theories of American political development **Presidential Policymaking: An End-of-century Assessment** Steven A. Shull,Norman C. Thomas,2016-09-16 A comprehensive overview of the president s policy making role and the way this role structures the president s interaction with other institutions of government The book concludes with a discussion of the issues of accountability and policy leadership **The Presidency and Economic Policy** Chris J. Dolan,John P. Frendreis,Raymond Tatalovich,2008 The Presidency and the Economic Policy offers an update on how economic issues have developed and evolved since the first version of the book was published in 1994 This book addresses the extent to which the president influences the domestic and global economy manages and coordinates the economic policymaking process and determines various economic issues on the national public policy agenda
