Alexander, 1987-01-01

Each essay proposes a link between the two distinguishable traditions of sociological theory: the microscopic, which stresses the self and the interaction among persons; and the macroscopic, which concentrates on the institutional, cultural, and societal levels. Each mode of analysis has had its champions, and the proponents of each have often taken positions of polemic opposition to one another. **Microfoundations of Institutions** Patrick Haack, Jost Sieweke, Lauri Wessel, 2019-11-25

The notion of microfoundations has received growing interest in neo-institutional theory, along with an interest in microfoundational research in disciplines such as strategic management and economics. **Research Handbook on**
