Prenatal Person Ethics From Conception To Birth:

The Prenatal Person Norman M. Ford, 2008-04-15 This text addresses the host of ethical questions that has arisen recently in response to the development of new reproductive technologies Addresses the ethical questions which have arisen in response to new reproductive technologies Helps students of theology philosophy and health studies as well as lay readers tackle these issues Provides readers with relevant medical and scientific facts Explains how different metaphysical frameworks affect the ways in which people solve these ethical problems Topics covered include human embryo and embryonic cell stem research infertility and its treatments and prenatal screening and diagnosis The author takes a balanced approach acknowledging his loyalty to Catholicism yet exploring freely the new options provided by advancing biological science

Ethical Dilemmas in Assisted Reproductive Technologies Joseph G. Schenker, 2011-08-29 Assisted reproductive technologies ART include the artificial or partially artificial methods to achieve pregnancy These new technologies lead to substantial changes regarding of ethical and legal aspects in reproductive medicine The book focuses on current hot topics about ethical dilemmas in ART e g about the duties of ethical committees guidelines regarding informed consent ethical and legal aspects of sperm donation embryo donation ethics of embryonic stem cells therapeutical cloning patenting of human genes commercialization

Thomistic Principles and Bioethics Jason T. Eberl, 2006-09-27 Alongside a revival of interest in Thomas Aquinas thought Thomism in philosophy this book reveals its contemporary relevance when addressing certain complex morally difficult issues in bioethics

Persons, Moral Worth, and Embryos Stephen Napier, 2011-06-21 Bioethicists have achieved consensus on two ideas pertaining to beginning of life issues 1 persons are those beings capable of higher order cognition or self consciousness and 2 it is impermissible to kill only persons As a consequence a consensus is reached regarding the permissibility of both destroying human embryos for research purposes and abortion The present collection aims to interact critically with this consensus Authors address various aspects of this orthodoxy Issues discussed include theories of personhood and in particular the role of thought experiments used in support of such theories the notion of an intrinsic potential and the moral relevance of having one new formulations of the virtue argument against abortion rights four dimensionalism and abortion the notion of moral status and who or what has it scientific accounts of what a human being is as well as addressing empirical evidence of fetal consciousness and analysis of the public policy implications given the epistemic status of pro choice arguments Given the issues discussed and that the arguments in critical focus are fairly new the collection provides a novel comprehensive and rigorous analysis of contemporary pro choice arguments

The Cambridge Companion to Life and Death Steven Luper, 2014-02-13 This volume meets the increasing interest in a range of philosophical issues connected with the nature and significance of life and death and the ethics of killing What is it to be alive and to die What is it to be a person What must time be like if we are to persist What makes one life better than another May death or posthumous events harm the dead The chapters in this volume address these questions and also discuss topical

issues such as abortion euthanasia and suicide They explore the interrelation between the metaphysics significance and ethics of life and death and they discuss the moral significance of killing both people and animals and the extent to which death harms them The volume is for all those studying the philosophy of life and death for readers taking applied ethics courses and for those studying ethics and metaphysics more generally **Conceiving Parenthood** Amy Laura Hall,2008

The book is replete with photos and advertisements from popular magazines from the 1930s through the 1950s Jacket
