Prepared To Death

St. Alphonsus Maria de Liguori

Prepared To Death:

Preparation for Death Rev. Orby Shipley, 2020-09-10 Reprint of the original first published in 1869 *Are You Prepared for Death?* others, *Preparation for Death*, 1731 **Preparation for Death** St. Alphonsus Maria de Liguori, 2022-06-14 A popular abridgement of the much larger original that loses none of its punch Shows that life is short and Hell is real Discusses the certainty of death the uncertainty of the time the death of the sinner of the negligent Christian and of the just and how different they are Also the habit of sin delusions of the Devil Particular and General Judgments the pains of Hell and its eternity the remorse of the damned etc Powerful incentives to aim for Heaven Print ed **Preparation for Death Or Considerations on the Eternal Maxims** St Alphonsus M. Liguori, 2010-09 It will be seen that the following Manual of Devotion consists of a series of chapters or instructions upon important points of Christian teaching which are called Considerations These Considerations are written for the purpose of pricking or of wounding the conscience it may be in many points that so it may be thoroughly aroused and awakened of exciting that is compunction of the soul real remorse of conscience for past as well as for present coldness and dryness It must be a very hard heart indeed which is not moved by these Considerations so touchingly simple are they so plain and so wholly true They deal with such doctrines and facts as have an universal application which admit of no dispute and which are always confirmed by some passage from Holy Scripture It must be allowed on all hands that it is necessary for the soul to be aroused to feel its own needs to regard its own wounds that so it may be directed to a source where these needs can be supplied and these wounds be healed One great aim of this Treatise is to arouse as well as to direct the mind to lead it to consider its own wants and to seek by prayer to have those wants supplied The book is essentially a guide to prayer It represents from its beginning to its end the continual outpouring of heart before God an outpouring that is of times expressed in the very same words which imply at the same time a new phase of thought Regarded as a Manual of Mental Prayer each of these Considerations has a technical and special signification They treat of life and death of the value of time of the mercy of God of the habit of sin of the general and particular judgments of the love of God of the Holy Communion and of kindred subjects equally important The Consideration as here used implies far more than a mere inquiry Its equivalents the Italian Consideration and the Latin Consideration do not fully express its particular meaning in this Treatise where it stands for a reflectional meditation It calls into play the exercise of the memory which puts together all the circumstances of the subject under notice it excites the imagination which represents as in a picture all such circumstances bringing them vividly before the mind's eye and lastly it urges the will so to fix and detain these things in the soul that by its own effort it may unite itself with the will of God so that God's will and the will of man may become one *Preparation for Death* St. Alphonsus Liguori, 2010 Meditation on death though it seems depressing to many is essential for our Salvation Death is the one journey every man must go through alone It is the one thing that sobers us all and can set us on a more resolute path to Holiness But this path only begins after facing the reality of

death for to avoid it only increases our fear In this popular abridgment of his monumental Preparation for Death St Alphonsus teaches us the proper attitude toward death which is one of readiness of always having our debts cleared Each chapter is a short consideration with three points easily understood by laity in all states of life Each point is followed by meditations and prayers for perseverance in our efforts to lead good lives To aid busy priests in their sermons St Alphonsus purposely included texts from Scripture and passages from the Holy Fathers personally selected by the Saint himself to touch the heart of every reader and listener St Alphonsus shows us how death is on the natural level a great sorrow but on the supernatural level a great gift Understanding it as a gift and implementing this knowledge in our lives is the lesson of each powerful meditation This book is a wonderful way to enhance your Lenten devotions and gain a more profound gratitude for Christ s victory over Death and Hell through His crucifixion and Resurrection
