

I have felt a presence that disturbs me with the joy
of elevated thoughts; a sense sublime of something
far more deeply interfused, whose dwelling is the
light of setting suns, and the round ocean, and the
living air, and the blue sky, and in the mind of man...

Presence That Disturbs:

Presence Ranjan Ghosh, Ethan Kleinberg, 2013-10-11 The philosophy of presence seeks to challenge current understandings of meaning and understanding One can trace its origins back to Vico Dilthey and Heidegger though its more immediate exponents include Jean Luc Nancy Hans Ulrich Gumbrecht and such contemporary philosophers of history as Frank Ankersmit and Eelco Runia The theoretical paradigm of presence conveys how the past is literally with us in the present in significant and material ways Things we cannot touch nonetheless touch us This makes presence a post linguistic or post discursive theory that challenges current understandings of meaning and interpretation Presence provides an overview of the concept and surveys both its weaknesses and its possible uses In this book Ethan Kleinberg and Ranjan Ghosh bring together an interdisciplinary group of contributors to explore the possibilities and limitations of presence from a variety of perspectives history sociology literature cultural theory media studies photography memory and political theory The book features critical engagements with the presence paradigm within intellectual history literary criticism and the philosophy of history In three original case studies presence illuminates the relationships among photography the past memory and the Other What these diverse but overlapping essays have in common is a shared commitment to investigate the attempt to reconnect meaning with something real and to push the paradigm of presence beyond its current uses The volume is thus an important intervention in the most fundamental debates within the humanities today Contributors Bill Ashcroft University of New South Wales Mark Bevir University of California Berkeley Susan A Crane University of Arizona Ranjan Ghosh University of North Bengal Suman Gupta Open University Ethan Kleinberg Wesleyan University John Michael University of Rochester Vincent P Pecora University of Utah Roger I Simon **Sacramental Presence** Ruthanna B. Hooke, 2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body s experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ s dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event *Wordsworth* Solomon Francis Gingerich, 1908 **Tending the Heart of Virtue** Vigen Guroian, 2023 From Pinocchio to The Chronicles of Narnia to Charlotte s Web classic children s tales have shaped generations of young people In recent years homeschoolers and new

classical schools have put these masterpieces of children's literature at the center of their curricula. And these stories continue to be embraced by parents, students, and educators alike. In *Tending the Heart of Virtue*, Vigen Guroian illuminates the power of classic tales and their impact on the moral imagination. He demonstrates how these stories teach the virtues through vivid depictions of the struggle between good and evil, while he also unveils components of the good, the true, and the beautiful in plot and character. With clarity and elegance, Guroian reads deeply into the classic stories. He demonstrates how these stories challenge and enliven the moral imaginations of children. And he shows the reader how to get inside of classic stories and communicate their lessons to the child. For more than two decades, *Tending the Heart of Virtue* has been embraced by parents, guardians, and teachers for whom the stories it discusses are not only beloved classics but repositories of moral wisdom. This revised and expanded second edition includes three new chapters in which Guroian interprets such stories as Hans Christian Andersen's *The Ugly Duckling*, the Grimms' *Cinderella*, and John Ruskin's *The King of the Golden River*. The concluding bibliographical essay has also been expanded.

Audio,2025-10-27 Do Not Disturb is a tense atmospheric thriller that traps its heroine in a place where escape feels impossible Quinn is on the run desperate to avoid a prison sentence for what she s done With nothing but her passport and the will to survive she races toward the northern border but her plans collapse when a sudden snowstorm drives her off the road Stranded and vulnerable she stumbles upon the Baxter Motel a run down outpost far removed from the safety and anonymity she craves Nick Baxter the motel s courteous owner appears almost too eager to help offering Quinn a cheap room and a warm refuge from the storm Yet beneath his kindness lingers something unsettling The motel with its peeling walls and eerie silences carries the weight of secrets and the looming presence of Nick s sickly wife who never seems to leave the window unsettles Quinn at every turn The air is thick with suspicion as if the very walls of the place are closing in on her

watching and waiting Quinn tells herself the stop is temporary that come morning she will gather her belongings leave the motel behind and continue her flight to freedom But as the hours crawl by the refuge begins to feel like a trap and the haunting past of the Baxter Motel presses closer Freedom is no longer just about outrunning the law it is about surviving the night in a place where nothing is as it seems and safety may be an illusion The Boy's Own Annual ,1893 *Discourses Upon the Existence and Attributes of God* Stephen Charnock,1856
