Presence Of The Past

Ann Lucas

Presence Of The Past:

The Presence of the Past Valerie Krips, 2002-09-11 The presence of the Past studies the interaction of heritage and fiction written for children over a 40 year period in Britain exploring a range of works for children from *The Tale of Peter Rabbit* to *I Spy*

The Presence of the Past Roy Rosenzweig, David Thelen, 1998-11-05 Some people make photo albums collect antiques or visit historic battlefields Others keep diaries plan annual family gatherings or stitch together patchwork quilts in a tradition learned from grandparents Each of us has ways of communing with the past and our reasons for doing so are as varied as our memories In a sweeping survey Roy Rosenzweig and David Thelen asked 1 500 Americans about their connection to the past and how it influences their daily lives and hopes for the future The result is a surprisingly candid series of conversations and reflections on how the past infuses the present with meaning Rosenzweig and Thelen found that people assemble their experiences into narratives that allow them to make sense of their personal histories set priorities project what might happen next and try to shape the future By using these narratives to mark change and create continuity people chart the courses of their lives A young woman from Ohio speaks of giving birth to her first child which caused her to reflect upon her parents and the ways that their example would help her to become a good mother An African American man from Georgia tells how he and his wife were drawn to each other by their shared experiences and lessons learned from growing up in the South in the 1950s Others reveal how they personalize historical events as in the case of a Massachusetts woman who traces much of her guarded attitude toward life to witnessing the assassination of John F Kennedy on television when she was a child While the past is omnipresent to Americans history as it is usually defined in textbooks leaves many people cold Rosenzweig and Thelen found that history as taught in school does not inspire a strong connection to the past And they reveal how race and ethnicity affects how Americans perceive the past while most white Americans tend to think of it as something personal African Americans and American Indians are more likely to think in terms of broadly shared experiences like slavery the Civil Rights Movement and the violation of Indian treaties Rosenzweig and Thelen s conclusions about the ways people use their personal family and national stories have profound implications for anyone involved in researching or presenting history as well as for all those who struggle to engage with the past in a meaningful way

The Presence of the Past Rupert Sheldrake, 2012-03-26 Explains how self organizing systems from crystals to human societies share collective memories that influence their form and behavior Includes new evidence and research in support of the theory of morphic resonance Explores the major role that morphic resonance plays not just in animal instincts and cultural inheritance but also in the larger process of evolution Shows that nature is not ruled by fixed laws but by habits and collective memories In this fully revised and updated edition of *The Presence of the Past* Cambridge biologist Rupert Sheldrake lays out new evidence and research in support of his controversial theory of morphic resonance and explores its far reaching implications in the fields of biology chemistry physics psychology and sociology His theory proposes that all self

organizing systems from crystals to human society inherit a collective memory that influences their form and behavior This collective memory works through morphic fields which organize the bodies of plants and animals coordinate the activities of brains and underlie conscious mental activity Sheldrake shows how all human beings draw upon and contribute to a collective human memory and that even our individual recollections depend on morphic resonance rather than physical storage in the brain He explores the major role that morphic resonance plays not just in animal instincts and cultural inheritance such as religion and ritual but also in the larger process of evolution which Sheldrake shows to be more an interplay of habit and creativity than a mere survival of the fittest Offering a replacement for the outdated mechanistic worldview that has dominated biology since the nineteenth century Sheldrake's new understanding of life matter and mind shows that rather than being ruled by fixed laws nature is essentially habitual And because memory is inherent in nature he explains in order to survive successfully for generations to come we will have to give up our old habits of thought and adopt new ones habits that are better adapted to life in a world living in the presence of the past as well as the presence of the future

The Presence of the Past Roy Rosenzweig, David Paul Thelen, 1998 Rosenzweig and Thelen analyze results from a unique and comprehensive survey in which they polled 1 500 Americans about their connection to the past and its continuing influence on their present as well as their hopes for the future

The Presence of the Past Daniel Bishop, 2021 The Presence of the Past offers a new perspective on Hollywood's New Wave as engaged with the vitality of sensory experience and the affective imagination As author Daniel Bishop shows the soundtracks of several key films of the New Hollywood Cinema of the late 1960s and 70s cultivated an array of sensibilities regarding the American past This importance of the past exceeded the New Hollywood's acknowledged use of genre revisionism as a vehicle for timely ideological commentary There was also a vital tendency in this era to locate the past as an object of imagined phenomenal presence Although this concept of the past never solidified into a self-conscious discourse it was nevertheless woven into film culture readable between the lines of criticism cultural reception New Wave aesthetics and in the aesthetic and industrial transformations of sound design and film music Bonnie and Clyde 1967 Butch Cassidy and the Sundance Kid 1969 McCabe and Mrs Miller 1971 The Last Picture Show 1971 American Graffiti 1973 Chinatown 1974 and Badlands 1973 are not only key texts of an exciting era in American popular cinema They are also mediations upon the presence of the past an image central to the polarities of visceral energy and ambiguous ephemerality of utopian dreams and melancholy resignation that characterized this cinema These sensibilities of pastness engage in diverse ways with myth nostalgia paranoia and existential alienation They are however also united by a concern both with the experiential actuality of the past and with the distances that inevitably separate us from this actuality

The presence of the past Michael Anderson, 2018-02-22 Based on a real event we follow one man's quest for redemption and another's for his faith

The Powerful Presence of the Past Jacqueline Knörr, Wilson Trajano Filho, 2010-10-15 This book conceptualizes integration and conflict as interrelated dimensions of social

interaction social relationships and alliances identifications and identity constructions within society at large In order to reach an in depth understanding of integrative and violent forms of interaction in the region of the Upper Guinea Coast authors take into account the impact and repercussions of specific historical experiences as well as the continuities and changes of social patterns affected by the interaction of local and globalized values institutions and models of social organization Rather than providing an other analysis of wars and violence as such contributors aim at a better understanding of the social mechanisms that affect both the processes of integration and conflict at the local national and regional levels

In the Presence of the Past R.T. Bienvenu, M. Feingold, 2013-03-11 The broad canvas covered by the articles in the present volume celebrates the diversity and richness of the writings of Frank Manuel during a scholarly career that spans over five decades The subjects of the articles ranging from science to utopia from theology to political thought mirror many of the themes Manuel has written about with erudition flair and uncommon perception It is only fitting that in paying tribute to such a defiant intellect each author brings to his treatment a distinct perspective and texture the result of his own original forays into the history of ideas Yet underlying all the essays is the conviction that the study of the intersection of individuals and ideas still yields a rich harvest Presented to Frank on the occasion of his eightieth birthday *In the Presence of the Past* honors a teacher a friend and above all a scholar R T Bienvenu and M Feingold eds *In the presence of the past* vii MARTIN PERETZ Frank Manuel An Appreciation It was finally because of Frank Edward Manuel that I decided however belatedly to forgo a proper academic career Since I had not left so much as a leafscar on the tree of the scholarly culture this is not a fact which anyone else would have reason to notice It is also not I am happy to add something for which Manuel will be especially remembered

Piranesi's Candelabra and the Presence of the Past Caroline van Eck, 2023-01-17 Near the end of his life Giovanni Battista Piranesi 1720-78 created three colossal candelabra mainly from fragments of sculpture excavated near the Villa Hadriana in Tivoli two of which are now in the Ashmolean Museum and one in the Louvre Although they were among the most sought after and prestigious of his works and fetched enormous prices during Piranesi's life they suffered a steep decline in appreciation from the 1820s onwards and even today they are among the least studied of his works Piranesi's *Candelabra and the Presence of the Past* uncovers the intense investment by artists patrons collectors and the public around the start of the nineteenth century in objects that made Graeco Roman Antiquity present again Caroline van Eck's study examines how objects make their makers or viewers feel that they are again in the presence of Antiquity that not only Antiquity has revived but that classical statues become alive under their gaze what it takes to make such objects and what it costs to own them and about the ramifications of such intense if not excessive attachments to artefacts This book considers the three candelabra in depth providing the biography of these objects from the excavation of the Roman fragments to their entry into private and public collection Van Eck considers the context that Piranesi gave them by including them in his *Vasi Candelabri e Cippi* 1778 to rethink the processes that led to the development of neoclassicism from the perspective of the

objects and objectsapes that came into being in Rome at the end of the eighteenth century *The Presence of the Past in Children's Literature* Ann Lucas, 2003-09-30 Time is one of the most prominent themes in the relatively young genre of children's literature for the young like adults want to know about the past This book explores how children's writers have treated the theme and concept of time The volume starts with the application of literary theory and additionally analyzes examples of the juvenile historical novel In doing so it also examines changing fashions in criticism and publishing and the pressure they exert on writers It then considers literary adaptations of myths and archetypes constructions of history in children's literature colonial and postcolonial children's fiction and the treatment of the past in the postmodern era The book looks at literature from around the world and the expert contributors are from diverse countries and backgrounds While the book looks primarily at literature of the 19th and 20th centuries it considers a broad range of historical material treated in works from that period Included are discussions of such topics as Joan of Arc in children's literature the legacy of Robinson Crusoe colonial and postcolonial children's literature the Holocaust and the supernatural International in scope the volume examines history and collective memory in Portuguese children's fiction Australian history in picture books Norwegian children's literature and literary treatments of the great Irish famine

Presence Of The Past Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Presence Of The Past**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Presence Of The Past Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presence Of The Past free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presence Of The Past free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presence Of The Past free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.

Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presence Of The Past. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presence Of The Past any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presence Of The Past Books

1. Where can I buy Presence Of The Past books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presence Of The Past book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presence Of The Past books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presence Of The Past audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
