Prestupnost V Strukturu Obshchestva:

The Development of Sociology in the Soviet Union Elizabeth Ann Weinberg, 2024-11-26 The Development of Sociology in the Soviet Union 1974 examines the institutionalisation of sociology in the Soviet Union Of primary concern are the obstacles to and mechanisms for the acceptance of sociological inquiry The study shows how sociology was advanced as a legitimate discipline in the Soviet Union in the post Stalin years The social characteristics of Soviet sociologists the institutional framework within which they work and the theoretical assumptions underlying their research are analysed In a survey of areas of research of concern to Soviet sociologists including time budget research labour sociology and social stratification emphasis is placed on the purported relation between these areas and wider aspects of Soviet society Public opinion research an area of particular significance in Soviet sociology is examined in depth **International Labour**

Documentation, 1972 **Sociology in the Soviet Union and Beyond** Elizabeth A. Weinberg, 2017-11-28 This fascinating and comprehensive volume traces the development scope and character of sociological research in Russia and subsequently the Soviet Union from the turn of the 20th century to the 1990s Opening with the lively social debates of pre Revolution Russia Elizabeth Weinberg discusses the intellectual factions of the post Revolutionary period and the eventual replacement of idealism with materialism leading to the emergence of Soviet sociology in 1956 The book examines the methods of research that were accepted as valid for Marxist research offering a profile of key Soviet sociologists and the research climate in which they operated It also discusses the main areas of research that predominated in Soviet sociology with separate chapters on two of the most significant public opinion research and time budget studies This fully revised newly updated edition of The Development of Sociology in the Soviet Union concludes with a discussion of the involvement of Soviet sociologists in the processes of perestroika and glasnost and the changing position of sociology from the late 1980s onwards

The Keys to Happiness Laura Engelstein, 2018-08-06 The revolution of 1905 challenged not only the social and political structures of imperial Russia but the sexual order as well Throughout the decade that followed in the salons of the artistic and intellectual avant garde on the pages of popular romances in the staid assemblies of physicians psychiatrists and legal men the talk everywhere was of sex This eagerly awaited book echoing the title of a pre World War I bestseller The Keys to Happiness marks the first serious attempt to understand the intense public interest in sexuality as a vital dimension of late tsarist political culture Drawing on a strong foundation of historical sources from medical treatises and legal codes to anti Semitic pamphlets commercial fiction newspaper advertisements and serious literature Laura Engelstein shows how Western ideas and attitudes toward sex and gender were transformed in the Russian context as imported views on prostitution venereal disease homosexuality masturbation abortion and other themes took on distinctively Russian hues Engelstein divides her study into two parts the first focusing on the period from the Great Reforms to 1905 and on the two professional disciplines most central to the shaping of a modern sexual discourse in Russia law and medicine The second part describes

the complicated sexual preoccupations that accompanied the mobilization leading up to 1905 the revolution itself and the aftermath of continued social agitation and intensified intellectual doubt In chapters of astonishing richness the author follows the sexual theme through the twists of professional and civic debate and in the surprising links between high and low culture up to the eve of the First World War Throughout Engelstein uses her findings to rethink the conventional wisdom about the political and cultural history of modern Russia She maps out new approaches to the history of sexuality and shows brilliantly how the study of attitudes toward sex and gender can help us to grasp the most fundamental political issues in any society

Market as a Weapon Anton Oleinik, 2017-09-08 Power is all encompassing in Russia and mediates most interactions among people including everyday decisions Even the recent administrative reforms in the country which began at the end of the 1990s have tried to reshape the government institutions and modernize the country through the use of power Changes were initiated and implemented by people vested with power Power convention and trust can all support coordination However in the Russian institutional context power tends not only to supplement the alternative coordination mechanisms but also to substitute them Power can be used to solve problems related to social action by merging two or several centers of decision making into one The actor vested with power decides exactly how coordination and adjustment can be achieved This path breaking volume shows how power turns into a unique coordination mechanism and what are consequences of such transformation for everyday life and businesses Market as a Weapon focuses on issues of power and domination using the configuration of power relationships in Russia as a critical case but goes far beyond a narrowly defined scope of country specific studies Particular emphasis is put on domination by virtue of a constellation interests in the market since this is a relatively underexplored yet broadly used technique for imposing will in all countries that heavily rely on interventionist policies Instead of being a liberating force the market becomes an additional instrument facilitating the continuous reproduction of power which explains the title of the book Both qualitative and quantitative data including more than one hundred in depth interviews with experts state servants and businesspeople in Russia as well as statistics are used throughout the text of this major book

The Oxford Handbook of the History of Eugenics Alison Bashford, Philippa Levine, 2010-09-24 Eugenic thought and practice swept the world from the late nineteenth to the mid twentieth century in a remarkable transnational phenomenon Eugenics informed social and scientific policy across the political spectrum from liberal welfare measures in emerging social democratic states to feminist ambitions for birth control from public health campaigns to totalitarian dreams of the perfectibility of man This book dispels for uninitiated readers the automatic and apparently exclusive link between eugenics and the Holocaust It is the first world history of eugenics and an

indispensable core text for both teaching and research Eugenics has accumulated generations of interest as experts attempted to connect biology human capacity and policy In the past and the present eugenics speaks to questions of race class gender and sex evolution governance nationalism disability and the social implications of science In the current climate in which the human genome project stem cell research and new reproductive technologies have proven so controversial the history of eugenics has much to teach us about the relationship between scientific research technology and human ethical decision making **Monthly List of Russian Accessions** Library of Congress. Prestupnost V Struktura Obshchestva Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prestupnost V Struktura Obshchestva has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prestupnost V Struktura Obshchestva has opened up a world of possibilities. Downloading Prestupnost V Struktura Obshchestva provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prestupnost V Struktura Obshchestva has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prestupnost V Struktura Obshchestva. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prestupnost V Struktura Obshchestva. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prestupnost V Struktura Obshchestva, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Prestupnost V Struktura Obshchestva has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
