Presumed Innocence:

Taming the Presumption of Innocence Richard L. Lippke, 2016 Taming the Presumption of Innocence provides a comprehensive account of the presumption of innocence in criminal law and procedure It maintains that the presumption is a vital component of the proof structure of criminal trials **The Presumption of Innocence** Andrew Stumer, 2010-06-14

The presumption of innocence is universally recognized as a fundamental human right and a core principle in the administration of criminal justice Nonetheless statutes creating criminal offences regularly depart from the presumption of innocence by requiring defendants to prove specific matters in order to avoid conviction Legislatures and courts seek to justify this departure by asserting that the reversal of the burden of proof is necessary to meet the community interest in prosecuting serious crime and maintaining workable criminal sanctions This book investigates the supposed justifications for limitation of the presumption of innocence It does so through a comprehensive analysis of the history rationale and scope of the presumption of innocence It is argued that the values underlying the presumption of innocence are of such fundamental importance to individual liberty that they cannot be sacrificed on the altar of community interest In particular it is argued that a test of proportionality which seeks to weigh individual rights against the community interest is inappropriate in the context of the presumption of innocence and that courts ought instead to focus on whether an impugned measure threatens the values which the presumption is designed to protect The book undertakes a complete and systematic review of the United Kingdom and Strasbourg authority on the presumption of innocence It also draws upon extensive references to comparative material both judicial and academic from the United States Canada and South Africa *New Commentaries on Marriage, Divorce and Separation* Bishop, 1891 **The Legal Aid Review** , 1903 New Commentaries on Marriage, Divorce, and Separation as to the Law, Evidence, Pleading, Practice, Forms and the Evidence of Marriage in All Issues on a New System of Legal Exposition Joel Prentiss Bishop, 1891 **The Miscellaneous Reports** New York (State).
