It's Not Too Late Dan Dupee, 2016-03-08 It has long been said that once kids are in high school and college they are beyond the influence of their parents This pervasive cultural myth is not supported by research biblical teaching or even anecdotal accounts Yet because of it many Christian parents live in silent angst about the faith of their older and adult children thinking they can no longer do anything to shape their kids spiritual and life decisions Drawing on sociological

research and Scripture Dan Dupee shows parents that it is not too late and in fact these turbulent years of transitioning into adulthood are a time when their kids may need their guidance the most He shows parents how to make the most out of the opportunities they have to offer guidance wisdom and spiritual support with the goal of seeing their children not just survive college with faith intact but enter adulthood with a faith of their own one that will carry them through all that life brings their way
