Rape And Womans Identity

Alice Edwards

Rape And Womans Identity:

Rape and Woman's Identity William B. Sanders, 1980-07 Rape is an assault on a woman's identity reputation and sense of self according to the author Sanders originally intended to study the interaction of police and rape victims but found it necessary to widen the scope of his research to include the legal cultural and social context of rape its typical physical process the reasons for it and its effect on victims What emerges is a study of rape from every possible viewpoint one that leads the author to a discussion of sex role and self in society Altogether this book is eminently readable It is written in a simple comprehensive style very rare in works employing a dramaturgical ethnomethodological approach The chapters and sections are short and peppered

Rape, Rape and Feminism in Contemporary American Drama Davida Bloom, 2015-11-13 This first ever study of rape in modern American drama examines portrayals of rape raped women and rapists in 36 plays written between 1970 and 2007 the period during which the feminist movement made rape a matter of public discourse These dramas reveal much about sexuality and masculine and feminine identity in the United States The author traces the impact of second wave feminism antifeminist backlash third wave feminism and postfeminism on the dramatic depiction of rape The prevalence of commonly accepted rape myths that women who dress provocatively invite sexual assault for example is well documented along with equally frequent examples which dispute these myths

Women, States and Nationalism Sita Ranchod-Nilsson, Mary Ann Tetreault, 2003-09-02 Women States and Nationalism counters this attitude and examines the many and contradictory ways in which women negotiate their places in the nation The volume includes theoretical essays that explore the multiple ways in which the very concept of nation is based upon notions of family sexuality and gender power which are often overlooked or downplayed by male stream scholarship It gathers together an outstanding panel of feminist scholars and area studies specialists who through a series of focused case studies analyse diverse issues which include gender and sectarian conflict in Northern Ireland the paradox of Israeli women soldiers women civic duty and the military in the USA the Hindu Right in India power agency and representation in Zimbabwe political identity and heterosexism This timely volume is a highly valuable resource for students and scholars of Nationalism

Internationalism Studies and Women's Studies

Social and Psychological Problems of Women Annette U. Rickel, Meg Gerrard, Ira Iscoe, 1984 This book in its diversity of topics reflects the re emergence of concern with women's issues in the last decade and the vigor and pioneering quality of scholarship in the area Such extensive albeit uneven development says something about the state of our society as well for organized scholarship is a form of problem solving part of the process of working through issues that come to the attention of observers of and commentators on the social world Be we can go further By recognizing that the contemporary women's movement is not new but is in keeping with a stream of feminism at least 150 years old we can encourage the current rekindling of interest and consciousness to reflect contemporary events as well xiii foreword

Women in the Ancient World John Peradotto, J. P. Sullivan, 1987-04-15 One of the reasons for the study of the

Greek and Roman classics is their perpetual relevance In no area can this position be more clearly defended than in the investigation of the feminine condition for it was here that basic attitudes derogatory to the sex were molded by legal and social systems by philosophers and poets and by the thinking of men long since gone Women in the Ancient World brings together essays that examine philosophy social history literature and art and that extend from the early Greek period through the Roman Empire Their wide range of critical perspectives throws new light on the personal political socio economic and cultural position of women

Violence against Women under International Human Rights Law Alice

Edwards,2010-12-23 Since the mid 1990s increasing international attention has been paid to the issue of violence against women However there is still no explicit international human rights treaty prohibition on violence against women and the issue remains poorly defined and understood under international human rights law Drawing on feminist theories of international law and human rights this critical examination of the United Nations legal approaches to violence against women analyses the merits of strategies which incorporate women s concerns of violence within existing human rights norms such as equality norms the right to life and the prohibition against torture Although feminist strategies of inclusion have been necessary as well as symbolically powerful for women the book argues that they also carry their own problems and limitations prevent a more radical transformation of the human rights system and ultimately reinforce the unequal position of women under international law

Foucault, Feminism, and Sex Crimes Chloë Taylor,2018-10-08

This book brings together Foucault s writings on crime and delinquency on the one hand and sexuality on the other to argue for an anti carceral feminist Foucauldian approach to sex crimes The author expands on Foucault s writings through intersectional explorations of the critical race decolonial critical disability queer and critical trans studies literatures on the prison that have emerged since the publication of Discipline and Punish and The History of Sexuality Drawing on Foucault s insights from his genealogical period the book argues that those labeled as sex offenders will today be constructed to re offend twice over once in virtue of the delinquency with which they are inculcated through criminological discourses and in the criminal punishment system and second in virtue of the manners in which their sexual offense is taken up as an identity through psychological and sexological discourses The book includes a discussion of non retributive responses to crime including preventative redistributive restorative and transformative justice It concludes with two appendixes the original 19th century medico legal report on Charles Jouy and its English translation by the author Foucault Feminism and Sex Crimes will be of interest to feminist philosophers Continental philosophers Women s and Gender Studies scholars social and political theorists as well as social scientists and social justice activists

Encyclopedia of Interpersonal Violence Claire M. Renzetti,Jeffrey L.

Edleson,2008-06-19 From assisted suicide and batter women to human trafficking and sex offenders this guide provides an excellent overview of the state research on interpersonal violence This set is highly recommended for academic libraries John R M Lawrence Interpersonal violence is behavior that intentionally threatens attempts or actually inflicts harm on another

This violence invades both the public and private spheres of our lives many times in unexpected and frightening ways Interpersonal violence is a problem that individuals could experience at any point during the life span even before birth Interpersonal violence is experienced not only throughout the life course but also as a global problem in the form of war genocide terrorism and rape of women as a weapon of war The Encyclopedia of Interpersonal Violence provides accurate research supported information to clarify critical issues and educate the public about different forms of interpersonal violence their incidence and prevalence theoretical explanations public policy initiatives and prevention and intervention strategies These two volumes contain more than 500 accessible jargon free entries written by experts and provide cross references to related entries as well as suggested readings for further information Key Features Defines key concepts and explains theoretical principles clearly and succinctly Provides information on current data sets regional and national organizations specializing in various dimensions of interpersonal violence and relevant Web sites Serves as a quick reference guide to definitions statistics theories policies and prevention and intervention programs Discusses concern with interpersonal violence as a problem across the life span and across cultures Addresses careers in the many fields of interpersonal violence Key Themes Children and Youth Civil and Criminal Legal Systems Interpersonal Violence General Intervention and Prevention Programs Legislation Organizations and Agencies Racial Ethnic and Cross Cultural Issues Research Methods and Data Collection Instruments Sexual Violence and Abuse Syndromes Disorders and Other Mental Health Issues Theories and Theoretical Perspectives Violence Between Intimates Family Violence The Encyclopedia of Interpersonal Violence is designed for members of the general public who are interested in learning more about various aspects of the problem of interpersonal violence making it a must have resource for academic and public libraries Rape Culture and Female Resistance in Late Medieval Literature Sarah Baechle, Carissa M. Harris, Elizaveta Strakhov, 2022-05-03 Centering on the difficult and important subject of medieval rape culture this book brings Middle English and Scots texts into conversation with contemporary discourses on sexual assault and the MeToo movement The book explores the topic in the late medieval lyric genre known as the pastourelle and in related literary works including chivalric romance devotional lyric saints lives and the works of major authors such as Margery Kempe and William Dunbar By engaging issues that are important to feminist activism today the gray areas of sexual consent the enduring myth of false rape allegations and the emancipatory potential of writing about survival this volume demonstrates how the radical terms of the pastourelle might reshape our own thinking about consent agency and survivors speech and help uncover cultural scripts for talking about sexual violence today In addition to embodying the possibilities of medievalist feminist criticism after MeToo Rape Culture and Female Resistance in Late Medieval Literature includes an edition of sixteen Middle English and Middle Scots pastourelles The poems are presented in a critical framework specifically tailored to the undergraduate classroom Along with the editors the contributors to this volume include Lucy M Allen Goss Suzanne M Edwards Mary C Flannery Katharine W

Jager Scott David Miller Elizabeth Robertson Courtney E Rydel and Amy N Vines Rape Julie A. Allison, Lawrence S. Wrightsman, 1993-06-21 Rape The Misunderstood Crime is an excellent resource for professionals and students of psychology sociology education social work criminal justice and law who seek to dispel rape myths and wish to better understand the nature and dynamics of both the rapist and the victim **Gender, Place, and Identity of South Asian Women** Pourya Asl, Moussa, 2022-04-08 In the past century South Asia underwent fundamental cultural social and political changes as many countries progressed from colonial dominations through nationalist movements to independence These transformations have been intricately bound up with the spatiality of social life in the region drawing further attention to the significance of social spaces within transformative politics and identity formations Gender Place and Identity of South Asian Women studies contemporary literature of South Asian women with a focus on gender place and identity It contributes to the debate on gender identity and equality spatial and social justice women empowerment marginalization and anti discrimination measures Covering topics such as partition memory narrative spatial mobility and diasporic women s lives this book is an essential resource for students and educators of higher education researchers activists government officials business leaders academicians feminist organizations sociologists and researchers *One Night* Cathy Winkler, 2002-05-07 One night anthropologist Cathy Winkler awoke from a deep sleep to discover a rapist standing by her bed For the rest of that night she lived a woman s worst nightmare as she was repeatedly raped and beaten by the stranger The event changed her life into something resembling a Kafka novel a justice system that bungled the case then blamed the victim a social service system that provided no services or comfort uneasy and awkward friends exploitative media and insensitive university administrators and colleagues The pain of those four hours was dwarfed by the frustration of her decade long fight to find the rapist and bring him to justice ultimately through one of the first successful uses of DNA evidence in a rape case Winkler a brilliant observer and ethnographer chronicles this struggle here including her own growing awareness of her power to stare down district attorneys to use the media to her own ends including segments on 48 Hours and Court TV and ultimately through her persistence to put the rapist behind bars for life As a story of triumph over adversity One Night is an inspirational work And it provides a model of how researchers can turn the lens inward and incisively examine ourselves and our own world

Ordinary Violence Mary White Stewart, 2014-01-27 Addresses the many forms of global violence against women and shows how the psychology of individuals institutions and societies perpetuate the oppression of women In this eye opening study the author asserts that institutionalized definitions of masculinity and femininity along with the social and economic inequality among the sexes help perpetuate the daily and deadly violence against women all across the world This second edition of a classic work examines the latest discussions on gender relations including the current debate over whether prostitution and pornography should be deemed inherently violent and the role of western countries in the global response to violence against women **Haunting Violations** Wendy Hesford, Wendy Kozol, 2000-11-30 Feminist critics place a premium

on the real stories told by the victimized and the oppressed *Haunting Violations* offers a corrective to such uncritical acceptance of the real in confessional testimonial and ethnographic narratives Through close readings of a wide variety of texts contributors argue that depictions of the real are inherently performative crafted within the limits and in the interests of specific personal political or social projects *Haunting Violations* explores the inseparability of discourse and politics in quasi autobiographical works such as I Rigoberta Mench and *When Heaven and Earth Changed Places* Contributors consider how the Sri Lankan Mother's Front movement exploits the sanctity of the maternal and how multiple political purposes on both sides bleed through government documentary photographs of Japanese American concentration camp internees This volume also investigates how South Asian feminists use the authority of their personal experience to critique the film *Mississippi Masala* and how realist narratives such as Janet Campbell Hale's autobiographical *Bloodlines* Margie Strosser's documentary film *Rape Stories* and Shekhar Kapur's film *Bandit Queen* reexamine how assumptions about power and trauma are embedded in the promise of the real

Hatreds Zillah Eisenstein, 2014-04-23 Eisenstein tracks developments such as racialized ethnic and gender conflict the new male democracies of eastern Europe the new Democrats of the Clinton era exploring the politics of hate In *HATREDS* Zillah Eisenstein charts the plural politics of the twenty first century which she defines as having begun with the fall of communism and the gulf war Exploring the politics of hate on both global and local levels Eisenstein tracks developments such as racialized ethnic and gender conflict the new male democracies of eastern Europe and the new Democrats of the Clinton era the sexual exploitation of the west and the sexual violence of nationalisms and the importance of western feminisms promissory standpoint of freedom to women in the third world

Space, Place, and Gendered Violence in South African Writing S. Gunne, 2014-12-17 Exploring the relationship between space place and gendered violence as depicted in a range of South African writing Gunne examines the social and political conditions of exceptionality during and after apartheid Writers covered include Hilda Bernstein J M Coetzee Achmat Dangor Ruth First Nadine Gordimer and Antjie Krog

Social Psychology and Human Sexuality Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy

Handbook of Research on New Dimensions of Gender Mainstreaming and Women Empowerment Kuruvilla, Moly, George, Irene, 2020-06-12 Globally women are facing social economic and cultural barriers impeding their autonomy and agency Accelerated women empowerment programs often fail to attain their targets as envisaged by the policymakers due to a variety of reasons with the most prominent being the deep rooted cultural norms ingrained within society In the era of globalization empowerment of women demands new approaches and strategies that encourage the mainstreaming of gender equality as a societal norm The *Handbook of Research on New Dimensions of Gender Mainstreaming and Women Empowerment* is a critical scholarly publication that examines global gender issues and new strategies for the promotion of women empowerment and gender

mainstreaming in various spheres of women's lives including education and ICT economic participation health and sexuality mental health aging law and judiciary leadership and decision making It provides a comprehensive coverage of all major gender issues with novel ideas on gender mainstreaming being contributed by men and women authors from multidisciplinary backgrounds Gender perspective and intersectional approach in the discourses make this handbook a unique contribution to the scholarship of social sciences and humanities The book provides new theoretical inputs and practical directions to academicians sociologists social workers psychologists managers lawyers policy makers and government officials in their efforts at gender mainstreaming With a wide range of conceptual richness this handbook is an excellent reference guide to students and researchers in programs pertaining to gender women's studies cultural studies economics sociology social work medicine law and management

Recovery from Armed Conflict in Developing

Countries Geoff Harris, 2002-02-07 This comprehensive work examines ways in which developing countries may achieve economic political and social reconstruction in the wake of armed conflict International researchers discuss such issues as women and children in the recovery process refugees and the role of aid the reintegration of ex combatants and community led recovery Case studies focus upon Afghanistan Angola Cambodia Mozambique South Africa and Sri Lanka

Security Studies Arda Özkan, Göktürk Tüysüzoglu, 2023-07-10 As an important aspect of human polity the concept of security has an important place and space in politics Though regularly mentioned or referred the concept is rarely given a proper definition usually left in the shadows of politics and policymaking and usually referred as a cause to an effect Within the framework of this book classic modern and post modern security issues are analyzed while also focusing on the classical and diverse conceptual dimensions of security current problems are also evaluated especially in the axis of post modern security studies In security studies a distinction is usually made between classical and post modern approaches but in this study both are considered together One of the important features of this work is that it offers a perspective from Turkish experts on the concept of security in international relations

Rape And Womans Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rape And Womans Identity PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rape And Womans Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rape And Womans Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rape And Womans Identity Books

What is a Rape And Womans Identity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rape And Womans Identity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rape And Womans Identity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rape And Womans Identity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rape And Womans Identity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
