Publishers' Circular and Booksellers' Record ,1927 The Letters of William Carlos Williams to Edgar Irving Williams, 1902-1912 William Carlos Williams,2009 From 1902 to 1912 William Carlos Williams wrote more than 300 letters to his younger brother Edgar an architect with whom he shared the desire to become a great artist This collection of 200 letters sheds light on the aesthetic thoughts and practices with which Williams was engaged before his unique voice emerged in *The Wanderer* *The Spectator* ,1903 A weekly review of politics literature theology and art **Genocide, the Holocaust and Israel-Palestine** Omer Bartov,2023-07-13 This book discusses some of the most urgent current debates over the study commemoration and politicization of the Holocaust through key critical perspectives Omer Bartov adeptly assesses the tensions between Holocaust and genocide studies which have repeatedly both enriched and clashed with each other whilst convincingly arguing for the importance of local history and individual testimony in grasping the nature of mass murder He goes on to critically examine how legal discourse has served to both uncover and deny individual and national complicity **Genocide the Holocaust and Israel Palestine** outlines how first person histories provide a better understanding of events otherwise perceived as inexplicable and lastly draws on the author s own personal trajectory to consider links between the fate of Jews in World War II and the plight of Palestinians during and in the aftermath of the establishment of the state of Israel Bartov demonstrates that these five perspectives rarely if ever previously discussed in a single book are inextricably linked and shed much light on each other Thus the Holocaust and other genocides must be seen as related catastrophes in the modern era understanding such vast human tragedies necessitates scrutinizing them on the local and personal scale this in turn calls for historical empathy accomplished via personal biographical introspection and true open minded and rigorous introspection without which historical understanding tends toward obfuscation brings to light uncomfortable yet clarifying connections such as that between the Holocaust and the Nakba the mass flight and expulsion of the Palestinians in 1948
