Survive that is the sole mission of the USC's last colony fleet Ensure that the remnants of humanity and its Vaxian allies can rebuild and live While they still dream of peace hidden away from their Demzerai executioners Forced to land upon the alien world of Tallagen Colonization Fleet Epsilon has forged a new home over the last 175 cycles Everyday citizens huddled behind the safety of the cities barriers and holographic skies overhead gladly embracing the illusion of utopia However peace is merely a word mentioned in the halls of the senate while outside the barriers death and the constant threat of war are as sure as the sun rises But now whispers of deception have begun to unfold Greed desperation and the lust for power threaten to consume not only the colonies but Tallagen itself

Paradise Now Charles Munn,1999-06-02 This lusty tale of love and adventure will arouse you make you weep and at times make you laugh out loud You will also feel an elegant elation as you find the bones of truth that are buried throughout this exceptional piece of fiction The story opens as Nicole a confused teenager is about to be lured into the Galveston whore house where her son Milton is born Fortunately for Milton only days after his birth Nicole hires Delilah to look after him Delilah is an insightful and compassionate black woman For the first four years she nurtures Milton's naturally healthy mind and sows the seeds of wisdom After Delilah leaves a still very young Milton sexualized by his new surroundings becomes spiritually and physically ill But Delilah's wisdom seeds take root and blossom He finds his natural compassion and becomes wise beyond his years A series of horrible dreams and high fever leave a residue of nightmare music and an altered sense of time on his young brain But instead of falling back into a waking horror he learns to use it and at will learns to step out of linear time He becomes able to move and read with incredible speed However Milton is still a troubled child when he is befriended by six other damaged children Touched by Milton's fearless innocence they fall into a natural Tantra and struggle to be whole He also finds a great friend in Chazz Delgato a street wise club owner who becomes his mentor Chazz and the six girls become Milton's core family and life long friends The lives of the pivotal characters neatly mesh into the into the main plot One such parallel tale revolves around his High School friend Conroy And later in University Cliff who is also a pilot in the Air Force Reserves and has a disastrous affair with Heather one of Milton's Galveston friends Milton enters law school and needing money Conroy convinces Milton to join the Air Force Reserve and to get on flight crew He is later reluctantly recalled into the active Air Force and told that he volunteered to become an Air Commando and sent to the civil war that is raging in Vietnam Yet the tale ends on a wonderfully suspenseful and romantic notion In 1991 the author discovered the heart of an ancient and profound paradigm Astonished by a growing serenity and inner power he wrote a series of essays designed to remind him how to stay connected to our natural inner force Wanting to add momentum to the paradigm he floated some of the essays on the net He later put it all together in a self help book called *Becoming The Thinker* In order to reach even more people he wrote the novel *Paradise Now* which is based on the philosophy of *Becoming The Thinker* Free print and share of the entire text of *Becoming The Thinker* is available through <http://www.charlesmunnn.com>
