Robbed Blind:

America Robbed Blind Greg Farrell, 2004 Just months after the terrorist attacks of September 11 2001 American investors came under attack Two of the nation's biggest corporations Enron and WorldCom admitted that they had overstated their earnings by billions of dollars As those two titans collapsed into bankruptcy shareholders were stuck with almost 200 billion in losses Accounting scams were also exposed at Adelphia and HealthSouth Tyco's board of directors eventually realized that its earnings needed to be restated even as its top two executives were charged with larceny The people and organizations responsible for protecting investors Congress the Securities and Exchange Commission and the big Wall Street banks that lent billions to these fraudulent enterprises fell down on their jobs Worse Congress actually wrote laws that provided incentives for executives to cheat their own investors Throughout the 1990s Congress systematically starved the SEC to the point where the securities cops could barely do their jobs America Robbed Blind exposes the root causes of the accounting scandals that wiped out 500 billion worth of investments in U S stocks It explains how a series of seemingly minor Congressional actions from a law penalizing corporations for paying salaries in excess of 1 million to a Senate vote to scuttle a rule calling for the expensing of stock options created the conditions that led to the accounting abuses that eroded investor confidence among the 95 million Americans who own stocks One of the reasons that ethically challenged corporations were able to fool investors for so long is that most Americans don't have the time to sift through mountains of corporate filings or detailed financial reports laden with accounting jargon and legalese In simple explanatory prose America Robbed Blind makes it easy to understand the fraud that occurred in recent years and proposes several reforms to ensure that these abuses never occur again 202 pages Hardcover **Jet**, 1959-07-16 The weekly source of African American political and entertainment news **Unraveling Time** Ann Miles, 2022-12-20 A compelling chronicle of economic political and social development in Cuenca *Loki: A Paranormal Protector Tale* Demelza Carlton, When graduate Aussie archaeologist Jorunn flies halfway around the world to work in the Arctic she figures she's leaving her troubled past behind Until artefacts start going missing and she gets the blame The only person who believes she's innocent is a mysterious backpacker who says his name is Loki The last thing Loki remembers is vowing vengeance before waking up in the ice after a thousand years in an enchanted sleep When even Thor doesn't trust him he's forced to enlist the help of a girl he barely knows yet can't seem to resist Can Jorunn catch the real culprit and clear her name or will the trickster god only land her in more trouble *The Last-Minute Marriage* Marion Lennox, 2010-10-01 Peta and Marcus had a wonderful whirlwind wedding but their vows are a sham it's a marriage of convenience Now billionaire Marcus Benson is showering his bride with gifts and offering a life of luxury Surely that would be a dream come true for penniless Peta No Peta wants him not gifts or money She's startled to realize she's falling in love with her convenient groom But Marcus has built impenetrable walls around his heart Has Peta got what it takes to knock them down **Cham** David Kunzle, 2019-03-18 Cham real name Count Am d e de No and

a serious rival to Daumier may have been the epitome of a *clbre inconnu* a famous unknown He is one much deserving at last of this first account of his huge oeuvre as a caricaturist This book concentrates on his mastery of the important newcomer to the field of caricature which we call comic strip picture story and graphic novel The volume features facsimiles of nearly twenty of these from 1839 to 1863 and ranging from one page to forty this last a parody of Victor Hugo's *Les Misérables* In addition summaries and sample illustrations of twenty seven minor works demonstrate that Cham is by far the most important specialist of what was then a new genre in Europe Born to an ancient aristocratic family Cham was from early on wholly dedicated to an art considered far beneath his class Starting as a disciple of the father of the modern comic strip Swiss Rodolphe Töpffer Cham soon launched out on his own evolving an original form of comedy his own *comédie humaine* farcical absurd and parodic His productivity was legendary and comprised all the known genres of caricature the full page cartoon lithograph the thematic seasonal group weekly and monthly humorous comment much like the daily newspaper cartoonist today and a feature called the *Revue Comique* which made him the supreme graphic journalist of his day Hitherto unknown correspondence reveals an attractive personality who was fond of animals and who honored a low class woman he eventually made his countess Vaunted comics scholar David Kunzle has created a fitting tribute to Cham's impact and genius

Bangkok Busted William John Stapleton, 2013-04 The unique enterprise A Sense Of Place Publishing has just released its newest publication *Bangkok Busted* You Die For Sure This is a deeply personal story by author William John Stapleton on the fallout after he wrote a book about being robbed lied to and deceived by one of the city's go go boys and the subsequent personal distress and widespread public ridicule he endured Few foreigners are crazy brave or stupidly insane enough to tell their often embarrassing and humiliating stories of falling for the practiced love lies peddled to them by Thai sex workers Such stories have resulted on the heterosexual side of the ledger in books such as *My Private Dancer* and *Confessions of a Bangkok Private Eye* In the author's case he wrote *The Twilight Soi* a book which made him a reviled figure by the Thai public who swallowed the lie that the book was an insult to Thailand to its culture and to its sex workers It is not and was never intended to be any such thing Most people in Asia cannot imagine why anybody would write a story admitting to their own stupidity and misguided conduct in falling for the I love you very much I miss you very much patter of their prostitutes either male or female Stapleton says For a start I first wrote the *Twilight Soi* and now *Bangkok Busted* You Die For Sure because painters paint builders build and writers write and that's what do The story I related is so bizarre that I would not have believed it if it had not happened to me The Thais were outraged that a foreigner as imperfect as myself should object to being robbed cheated and publicly ridiculed But I wanted to tell this story partly because I did not want what happened to me to happen to anyone else These men often make easy prey They are lonely they are out of their own comfort zones and away from the spying eyes of friends family and work colleagues often are without obligations of work or children for the first time in their lives and run off the rails in the torrid atmosphere of Asia and its bars They often enough end up suiciding
