Modernism and Coherence

Fabio Akcelrud Durão, Fabio Durão, 2008 Modernism and Coherence is an attempt to develop a negative aesthetics conceived as determinate resistance of artworks against the meaning assigned to them by criticism From the accumulation of arguments on great texts of modernism the book describes gestures of refusal that generate figures of negativity Adorno's Aesthetic Theory becomes a whirlpool revolving around a center refusing predication Wallace Stevens poetry exhibits a phonetic escape valve against the pressure of reality Robert Frost writes a poem that is ahead of you in both senses of the expression and James Joyce's *Ulysses* reads its readers in waves of self folding This book is an effort to salvage literature as something in itself in a world that increasingly can only see what is for the other

Modernist Fraud Leonard Diepeveen, 2019-02-14 Focusing on literature and visual art in the years 1910-1935 *Modernist Fraud* begins with the omnipresent accusations that modernism was not art at all but rather an effort to pass off patently absurd works as great art These assertions common in the time's journalism are used to understand the aesthetic and context which spawned them and to look at what followed in their wake *Fraud* discourse ventured into the aesthetic theory of the time to ideas of artistic sincerity formalism and the intentional fallacy In doing so it profoundly shaped the modern canon and its justifying principles *Modernist Fraud* explores a wide range of materials It draws on reviews and newspaper accounts of art scandals such as the 1913 Armory Show the 1910 and 1912 Postimpressionist shows and *Tender Buttons* to daily syndicated columns to parodies and doggerel to actual hoaxes such as *Spectra* and *Disumbrationism* to the literary criticism of Edith Sitwell to the trial of Brancusi's *Bird in Space* and to the contents of the magazine *Blind Man* including a defense of Duchamp's *Fountain* a poem by Bill Brown and the works of and an interview with the bafflingly unstable painter Louis Eisler In turning to these materials the book reevaluates how modernism interacted with the public and describes how a new aesthetic begins not as a triumphant explosion that initiates irrevocable changes but as an uncertain muddling and struggle with ideology
