Robert Kennedy His Times Volume 1

**Thomas L. Charlton, Lois E.
Myers, Rebecca Sharpless**

Robert Kennedy His Times Volume 1:

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life **An Idea Whose Time Has Come** Todd S. Purdum, 2014-04-01 The story of the behind the scenes political battle to pass the 1964 Civil Rights Act Excellent a highly readable play by play The Atlantic It was a turbulent time in America a time of sit ins freedom rides a March on Washington and a governor standing in the schoolhouse door when John F Kennedy sent Congress a bill to bar racial discrimination in employment education and public accommodations Countless civil rights measures had died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In this revealing book Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the US Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history an example in our own troubled time of what is possible when bipartisanship decency and patience rule the day Brilliantly rendered and emotionally powerful a riveting account of one of the most dramatic and significant moments in American history Doris Kearns Goodwin Today s reader will be startled if not astonished by how the bill made its way through Congress The Washington Post Worthy timely and intelligent The New Yorker A first rate narrative The Wall Street Journal

Handbook of Oral History Thomas L. Charlton, Lois E. Myers, Rebecca Sharpless, 2008-03-13 In recent decades oral history has matured into an established field of critical importance to historians and social scientists alike Handbook of Oral History captures the current state of the art identifies major strands of intellectual development and predicts key direct

Judgment Days Nick Kotz, 2005 Opposites in almost every way mortally suspicious of each other at first Lyndon Baines Johnson and Martin Luther King Jr were thrust together in the aftermath of John F Kennedy s assassination Both men sensed a historic opportunity and began a delicate dance of accommodation that moved them and the entire nation toward the historic Civil Rights Act of 1964 and the Voting Rights Act of 1965 Drawing on a wealth of newly available sources Johnson s taped telephone conversations voluminous FBI wiretap logs previously secret communications between the FBI and the president Nick Kotz gives us a dramatic narrative rich in dialogue that presents this momentous period with thrilling immediacy Judgment Days offers needed perspective on a presidency too often linked solely to the tragedy of Vietnam We watch Johnson applying the arm twisting tactics that made him a legend in the Senate and we follow King as he keeps the pressure on in the South through protest and passive resistance King s pragmatism and strategic leadership and Johnson s

deeply held commitment to a just society shaped the character of their alliance Kotz traces the inexorable convergence of their paths to an intense joint effort that made civil rights a legislative reality at last despite FBI director J Edgar Hoover's vicious whispering campaign to destroy King Judgment Days also reveals how this spirit of teamwork disintegrated The two leaders parted bitterly over King's opposition to the Vietnam War In this first full account of the working relationship between Johnson and King Kotz offers a detailed surprising account that significantly enriches our understanding of both men and their time

An Abridged History of the United States Volume III Bob Navarro, Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade Jeff Shesol, 1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history Michiko Kakutani New York Times Lyndon Johnson and Robert Kennedy loathed each other Their antagonism propelled by clashing personalities contrasting views and a deep abiding animosity would drive them to a bitterness so deep that even civil conversation was often impossible Played out against the backdrop of the turbulent 1960s theirs was a monumental political battle that would shape federal policy fracture the Democratic party and have a lasting effect on the politics of our times Drawing on previously unexamined recordings and documents as well as memoirs biographies and scores of personal interviews Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK's tumultuous relationship on politics civil rights the war on poverty and the war in Vietnam As Publishers Weekly noted This is indispensable reading for both experts on the period and newcomers to the history of that decade An exhaustive and fascinating history Shesol's grasp of the era's history is sure his tale often entertaining and his research awesome Russell Baker New York Review of Books Thorough provocative The story assumes the dimensions of a great drama played out on a stage too vast to comprehend Jonathan Yardley Washington Post 1997 Critic's Choice This is the most gripping political book of recent years Arthur Schlesinger Jr A New York Times Notable Book of the Year

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only

reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions: What were the Watergate burglars after? And why was Nixon willing to risk his Presidency to get it? Watergate: The Hidden History reexamines the historical record including new material only available in recent years. This includes thousands of recently declassified CIA and FBI files, newly released Nixon tapes, and exclusive interviews with those involved in the events surrounding Watergate, ranging from former Nixon officials to key aides for John and Robert Kennedy. This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine, the Los Angeles Times, and the New York Times.

Martyrs to the Unspeakable
Douglass, James W., 2025-10-29 *Projecting Paranoia* Ray Pratt, 2001 A wide-ranging and idiosyncratic look at sixty years of politics and film that uncovers how American movies have mirrored and even challenged anxieties and paranoid perceptions embedded in American society since the start of the Cold War. The first book to take a sweeping look at 60 years of film and analyze them thematically.

Richard Yates Up Close Martin Naparstek, 2011-12-22 Richard Yates has been referred to as America's least known great writer. Today Yates is known primarily for the novel *Revolutionary Road*, considered by many critics as the greatest American novel of the second half of the twentieth century. This critical study examines the life and work of Yates by placing his body of work in both cultural and personal context. Topics covered include the writing of his major novels, homosexuality, his role as a critic, and his relationship with Hollywood. This text divulges new details about his life and offers a thorough analysis of unpublished materials from the Richard Yates archives at Boston University.

The Enigmatic Realm of **Robert Kennedy His Times Volume 1**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Robert Kennedy His Times Volume 1** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word.
