Philadelphia in 1785 Then in the first great period of American literature before 1860 literary pioneers such as Washington Irving James Fenimore Cooper Henry Wadsworth Longfellow Ralph Waldo Emerson and Nathaniel Hawthorne were all to spend time in the French capital Henry James toward the close of the nineteenth century was the first to create the image of a talented literary artist who was ready to foreswear his citizenship From his adopted home in England he traveled widely through Italy and France living in Paris for two years There he became close friends with another literary expatriate Edith Wharton who made Paris her permanent home Between them they gave the term expatriate a high literary polish at the turn of the century and their prestige was undeniable They were the in cosmopolitans sought out by traveling Americans commented on in the press the favored guests of scholars as well as men and women of affairs This thesis investigates the mass expatriation of Americans to Paris during the 1920s and then focuses on selected works by two of the expatriates Ernest Hemingway s *The Sun Also Rises* 1926 and F Scott Fitzgerald s *The Great Gatsby* 1925 The specific emphasis is on disillusionment with the American lifestyle as reflected in these novels The two books have been chosen because both are prominent examples of the literary criticism that Americans were directing at their homeland from abroad throughout the twenties In a first step necessary historical background regarding the nature of the American lifestyle is provided in chapter two This information is included in order to facilitate a better understanding of what Hemingway and Fitzgerald were actually disillusioned with Furthermore that lifestyle was a primary motivating factor behind the expatriation of many United States citizens Attention is given to the extraordinary nature of the American migration to Paris in the twenties as the sheer volume of exiles set it apart from any expatriation movement before or since in American history Moreover a vast majority of the participants were writers artists or intellectuals a fact which suggests the United States during *The Expatriates* Paul Brody,2014-07-21 Their lavish lifestyle have inspired movies their awarding winning books have inspired thousands of writers What was it like to be a Lost Generation writer living in Europe This book takes you inside to give you a glimpse It includes biographies on T S Eliot Gertrude Stein Ezra Pound Ernest Hemingway F Scott Fitzgerald as well as an essay on the Lost Generation Each of the biographies can also be purchased separately **Reflections** K. Peter Stich,1988 This volume discusses the autobiographical inclination in Canadian literature exploring works by such writers as Alice Munro W O Mitchell Michael Ondaatje John Glassco and Susanna Moodie Others works including the oral memoirs of a M tis an Inuit s account as being civil servant in Ottawa and the autobiographical writings of pioneer women and French missionaries are examined to show the depth and breadth of this tradition in Canada These texts act as starting points for an in depth look at the relationships between autobiography biography and fiction in Canadian literature Published in English **The Pembroke Magazine** ,1977 *Guide to the Study of United States Imprints* George Thomas Tanselle,1971 **Women Editing Modernism** Jayne Marek,2021-10-21 For many years young writers experimenting with forms and aesthetics in the early decades of this century small journals known collectively as little magazines were the key to recognition Joyce Stein

Eliot Pound Hemingway and scores of other iconoclastic writers now considered central to modernism received little encouragement from the established publishers It was the avant garde magazines many of them headed by women that fostered new talent and found a readership for it Jayne Marek examines the work of seven women editors Harriet Monroe Alice Corbin Henderson Margaret Anderson Jane Heap H D Bryher Winifred Ellerman and Marianne Moore whose varied activities often behind the scenes and in collaboration with other women contributed substantially to the development of modernist literature Through such publications as Poetry The Little Review The Dial and Close Up these women had a profound influence that has been largely overlooked by literary historians Marek devotes a chapter as well to the interactions of these editors with Ezra Pound who depended upon but also derided their literary tastes and accomplishments Pound s opinions have had lasting influence in shaping critical responses to women editors of the early twentieth century In the current reevaluation of modernism this important book long overdue offers an indispensable introduction to the formative influence of women editors both individually and in their collaborative efforts

Uneasy Alliance Hans Bak,2004 Uneasy Alliance illuminates the recent search in literary studies for a new interface between textual and contextual readings Written in tribute to G A M Janssens the twenty one essays in the volume exemplify a renewed awareness of the paradoxical nature of literary texts both as works of literary art and as documents embedded in and functioning within a writer s life and culture Together they offer fresh and often interdisciplinary perspectives on twentieth century American writers of more or less established status Henry James Edna St Vincent Millay E E Cummings Vladimir Nabokov Flannery O Connor Saul Bellow Michael Ondaatje Toni Morrison and Sandra Cisneros as well as on those who for reasons of fashion politics ideology or gender have been unduly neglected Booth Tarkington Julia Peterkin Robert Coates Martha Gellhorn Isabella Gardner Karl Shapiro the young Jewish American writers Julia Alvarez and writers of popular crime and detective fiction Exploring the fruitful interactions and uneasy alliance between literature and ethics film biography gender studies popular culture avant garde art urban studies anthropology and multicultural studies together these essays testify to the ongoing pertinence of an approach to literature that is undogmatic sensitive and sophisticated and that seeks to do justice to the complex interweavings of literature culture and biography in twentieth century American writing

Anderson Ernest Hemingway Henry Miller Saul Bellow Monica Truong and many others **Anarchists, Beats and Dadaists** Jim Burns, 2015-10-12 This seventh collection of essays and reviews kicks off with a survey of some overlooked British poets from the 1940s who through a network of little magazines with anarchist inclinations attempted to offer an alternative to the MacSpaunday generation's sensibilities Another piece considers how British writers were monitored by MI5 and local police forces while a third switches attention to the USA and looks at the still controversial case of Alger Hiss and his alleged role as a spy who passed information to Russia There are essays about lesser known Beat related writers like Bob Kaufman and Brion Gysin inspections of some little magazines of the 1950s and 1960s and two long reviews which consider the effect that Dadaism had and the role played in the movement by Tristan Tzara Walt Whitman Woody Guthrie and Malcolm Cowley also make an appearance Kay Boyle Kay Boyle, 2015-06-15 One of the Lost Generation modernists who gathered in 1920s Paris Kay Boyle published more than forty books including fifteen novels eleven collections of short fiction eight volumes of poetry three children's books and various essays and translations Yet her achievement can be even better appreciated through her letters to the literary and cultural titans of her time Kay Boyle shared the first issue of This Quarter with Gertrude Stein and Ernest Hemingway expressed her struggles with poetry to William Carlos Williams and voiced warm admiration to Katherine Anne Porter fled WWII France with Max Ernst and Peggy Guggenheim socialized with the likes of James Joyce Marcel Duchamp and Samuel Beckett and went to jail with Joan Baez The letters in this first of its kind collection authorized by Boyle herself bear witness to a transformative era illuminated by genius and darkened by Nazism and the Red Scare Yet they also serve as milestones on the journey of a woman who possessed a gift for intense and enduring friendship a passion for social justice and an artistic brilliance that earned her inclusion among the celebrated figures in her ever expanding orbit
