The Complete Encyclopedia of Horses & Ponies Tamsin Pickeral, 2005

The Adult Rider Sarah Montague, 2009-05-16 Sarah Montague's *The Adult Rider* describes everything you need to know if you are interested in introducing or reintroducing horses to your life The book begins with a thorough description of all equestrian disciplines from Western barrel racing reining cutting penning to English show jumping dressage eventing and so much more You might try endurance riding in which you and your equine partner hit the trails for miles or maybe you've considered polo a sport gaining popularity in the United States and creating opportunities for eager beginners Perhaps you love horses but aren't so sure you want to ride Montague will introduce you to the thrill of driving the artistry of in-hand competitions and the joys of miniature horses Whichever discipline you consider the author takes you step by step through the process from choosing a stable what to look for in an instructor and in a barn to picking out your new riding clothes you need only a helmet and sturdy shoes to start but there's a world of apparel and accessories once you're hooked Do you think you might want to buy a horse someday *The Adult Rider* describes this process as well but also introduces you to other alternatives like leasing a month to month arrangement that lets you see how a horse fits into your life in both time and money before you make a commitment *The Adult Rider* recognizes that we are not the same as the resilient kids who fearlessly hop their pony over a fence for that very first time Montague discusses what makes adults mentally and physically different and how to overcome these challenges In the chapter *The View from the Other Side of the Arena* Montague interviews several riding instructors on the difference between teaching kids and adults and the ways in which adults learn differently All in all the point is to have fun and *The Adult Rider* provides you with the know-how to jump into the horse world with both eyes open

All for the Love of Horses Patti Dammier, 2022-07-19 This story began in a small community on rural Long Island continued to Europe and returned to the United States to the place that was her dream It was always author Patricia Dammier's vision to be able to look outside and see her beloved horses to not have to worry about finding the next boarding stable In *All for the Love of Horses* she shares her story about all the wonderful animals and people that comprise more than thirty-five years of traveling through Europe to return to her farm in the United States Dammier offers a reflective review of the cheerful and funny stories through a historical lens The stories recount the thoughtfulness and generosity of others as she pursues her dream The included photographs convey the various light-hearted moments of Dammier's journey but also document the dedication it takes to accomplish any difficult skill or goal
