

ROBESPIERRE
PORTRAIT OF A
REVOLUTIONARY
DEMOCRAT
GEORGE RUDE

Robespierre Portrait Of A Revolutionary Democrat

Frank McLynn

Robespierre Portrait Of A Revolutionary Democrat:

Robespierre George F. E. Rudé, 1967 **Rethinking the French Revolution** George C. Comninel, 1987 Historians generally and Marxists in particular have presented the revolution of 1789 as a bourgeois revolution one which marked the ascendance of the bourgeois as a class the defeat of a feudal aristocracy and the triumph of capitalism Recent revisionist accounts however have raised convincing arguments against the idea of the bourgeois class revolution and the model on which it is based In this provocative study George Comninel surveys existing interpretations of the French Revolution and the methodological issues these raise for historians He argues that the weaknesses of Marxist scholarship originate in Marx's own method which has led historians to fall back on abstract conceptions of the transition from feudalism to capitalism Comninel reasserts the principles of historical materialism that found their mature expression in *Das Kapital* and outlines an interpretation which concludes that while the revolution unified the nation and centralized the French state it did not create a capitalist society

Revolutionary Career of Maximilien Robespierre David P. Jordan, 2013-10-16 In changing forever the political landscape of the modern world the French Revolution was driven by a new personality the confirmed self-aware revolutionary Maximilien Robespierre originated the role inspiring such devoted twentieth-century disciples as Lenin who deemed Robespierre a Bolshevik avant la lettre Although he dominated the Committee for Public Safety only during the last year of his life Robespierre was the Revolution in flesh and blood He embodies its ideological essence its unprecedented extremes its absolutist virtues and vices he incarnated a new completely politicized self to lead a new wholly regenerated society Yet as historian David P. Jordan observes Robespierre has remained an enigma While his revolutionary career embraced the most crucial years of the Revolutions 1789 to 1794 it was little presaged by the unremarkable course of his early life The Jacobin leader to whom the revolutionary masses clung is thus both as mysterious as his remote provincial past and as awesome as the world-shaking regicide he inspired Confronted by these extremes historians have often contented themselves to caricature Robespierre as an antichrist a bourgeois manipulator of the rabble or a canny political tactician Jordan looks to Robespierre's own self-conception for a true understanding of the man and his Revolution Indeed Robespierre wrote about himself often and at length Influenced by Enlightenment rationalism and the new literary genre of autobiography he left behind a voluminous body of speeches newspaper articles and pamphlets laced with reflections and revelations about his self-created destiny as living martyr and revolutionary Everyman From these thoughts and words Jordan attempts to uncover Robespierre to reveal what made this unlikely figure onetime provincial lawyer small-town academic and uninspired versifier the most important in revolutionary France

Robespierre Peter McPhee, 2012-03-13 For some historians and biographers Maximilien Robespierre 1758-94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793-94 This masterful biography combines new research into

Robespierre's dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre's formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice

The Roads to Modernity Gertrude Himmelfarb, 2007-12-18 In an elegant eminently readable work one of our most distinguished intellectual historians gives us a brilliant revisionist history The Roads to Modernity reclaims the Enlightenment an extraordinary time bursting with new ideas about human nature politics society and religion from historians who have downgraded its importance and from scholars who have given preeminence to the Enlightenment in France over concurrent movements in England and America Contrasting the Enlightenments in the three nations Himmelfarb demonstrates the primacy and wisdom of the British exemplified in such thinkers as Adam Smith David Hume and Edmund Burke as well as the unique and enduring contributions of the American Founders It is their Enlightenments she argues that created a social ethic humane compassionate and realistic that still resonates strongly today in America perhaps even more than in Europe The Roads to Modernity is a remarkable and illuminating contribution to the history of ideas

Surrealism, History and Revolution Simon Baker, 2007 This book is a new account of the surrealist movement in France between the two world wars It examines the uses that surrealist artists and writers made of ideas and images associated with the French Revolution describing a complex relationship between surrealism's avant garde revolt and its powerful sense of history and heritage Focusing on both texts and images by key figures such as Louis Aragon Georges Bataille Jacques Andr Boiffard Andr Breton Robert Desnos Max Ernst Max Morise and Man Ray this book situates surrealist material in the wider context of the literary and visual arts of the period through the theme of revolution It raises important questions about the politics of representing French history literary and political memorial spaces monumental representations of the past and critical responses to them imaginary portraiture and revolutionary spectatorship The study shows that a full understanding of surrealism requires a detailed account of its attitude to revolution and that understanding this surrealist concept of revolution means accounting for the complex historical imagination at its heart

Napoleon Frank McLynn, 2011-04-01 Author McLynn explores the Promethean legend from his Corsican roots through the chaotic years of the French Revolution and his extraordinary military triumphs to the coronation in 1804 to his fatal decision in 1812

to add Russia to his seemingly endless conquests and his ultimate defeat imprisonment and death in Saint Helena McLynn aptly reveals the extent to which Napoleon was both existential hero and plaything of fate mathematician and mystic intellectual giant and moral pygmy great man and deeply flawed human being As Napoleon's obsession with his family surfaces and his conviction that every man has his price the emperor emerges as a figure closer to a modern Mafia godfather than a visionary European In this work McLynn brings the reader as never before closer to understanding the much mythologized Napoleon

Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

The Encyclopedia of Political Revolutions Jack A. Goldstone, 2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such

as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions History 101, 1979 *The Quarrel of Macaulay and Croker* William Thomas, 2000-09-21 This is the story of one of the great literary rows of the nineteenth century between one of its greatest historians and one of its sharpest critics The quarrel began in the House of Commons during the debates of 1831-2 on parliamentary reform and was continued in the quarterly reviews Even in a political setting it had a historical dimension Croker taunted Macaulay for being ignorant of the French Revolution Macaulay replied by pouring scorn on Croker's accuracy as editor of Boswell's Johnson The bitterness of the clash made subsequent compromise impossible Sixteen years later Croker wrote a long damning review of the first two volumes of Macaulay's History of England Posterity admires success and as Macaulay's writings have eclipsed Croker's it has usually been assumed that Croker was moved by mere political spite In this highly readable study William Thomas shows that this verdict is unfair that Croker's political opinions were both less rancorous and more interesting and that Macaulay's own scholarship was far from faultless He also considers each man's historical writing alongside his politics and argues that while Croker's critical method was sharpened by his politics Macaulay's political opinions were much more independent of party and that he is not the typical Whig historian of legend William Thomas illustrates how the two men actually had many ideas in common and the commentators who have seen only political dislike have missed the real purpose of the History of England and what made it the most successful historical work in English literature *Alienation and Emancipation in the Work of Karl Marx* George C. Comninel, 2018-08-18 This book considers Karl Marx's ideas in relation to the social and political context in which he lived and wrote It emphasizes both the continuity of his commitment to the cause of full human emancipation and the role of his critique of political economy in conceiving history to be the history of class struggles The book follows his developing ideas from before he encountered political economy through the politics of 1848 and the Bonapartist farce the maturation of the critique of political economy in the Grundrisse and Capital and his engagement with the politics of the First International and the legacy of the Paris Commune Notwithstanding errors in historical judgment largely reflecting the influence of dominant liberal historiography Marx laid the foundations for a new social theory premised upon the historical consequences of alienation and the potential for human freedom

Internationalism and Its Betrayal Micheline Ishay, 1995 Internationalism and Its Betrayal was first published in 1995 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions A new world order proclaimed Western leaders after the cold war could extend liberal democracy and human rights around the globe Yet the specter of nationalism once again haunts the world threatening to extinguish the spirit of internationalism Although internationalism is typically understood to be diametrically opposed to nationalism Micheline Ishay argues to the contrary maintaining that internationalism often incorporates an individualist element that manifests itself as nationalism during critical periods such as war For example the

new liberal internationalism invoked after the cold war is now revealing its limits as reflected by the UN's inability to interfere promptly to stop ethnic and nationalist conflicts in Bosnia Rwanda and elsewhere Internationalism and Its Betrayal explores the tensions and contradictions between ideas of nationalism and internationalism focusing on the major political thinkers from the early modern period into the nineteenth century Ishay examines the writings of Vico Grotius Rousseau Kant Paine Robespierre Burke Fichte de Maistre and Hegel She speaks to an audience of individuals interested in the spread of democracy students of human rights and international relations historians of the French Revolution and political theorists Micheline Ishay was born in Tel Aviv and raised in Israel Luxembourg and Brussels Belgium She is currently assistant professor at the Graduate School of International Studies at Denver University where she is also serving as director of the human rights program and executive director of the Center on Rights Development She is coeditor of The Nationalism Reader 1994 Craig Calhoun is professor of sociology and history and director of the University Center for International Studies at the University of North Carolina at Chapel Hill He is the editor of the Contradictions of Modernity series for the University of Minnesota Press

Citizens & Cannibals Eli Sagan, 2001 What transformed moral citizens into guillotine cannibals during the French Revolution and the Great Reign of Terror The answer argues Eli Sagan is the exact same force which has killed millions of people in the twentieth century ideological terror Citizens and Cannibals offers readers the most comprehensive and incisive explanation of the gruesome Terror its causes and its consequences for the modern world

A Compendium of World Sovereigns: Volume III Early Modern Timothy Venning, 2023-06-30 The Compendium of World Sovereigns series contains three volumes Ancient Medieval and Early Modern These volumes provide students with easy to access who's who with details on the identities and dates ages and wives where known of heads of government in any given state at any time within the framework of reference The relevant original and secondary sources are also listed in a comprehensive bibliography Providing a clear reference guide for students to who was who and when they ruled in the dynasties and other ruler lists for the Ancient Medieval and Early Modern worlds primarily European and Middle Eastern but including available information on Africa and Asia and the pre-Columbian Americas The trilogy accesses and interprets the original data plus any modern controversies and disputes over names and dating reflecting on the shifts and widening of focus in student and academic studies Each volume contains league tables of rulers records and an extensive bibliographical guide to the relevant personnel and dynasties plus any controversies so readers can consult these for extra details and know exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America

Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places

The Biography Book Daniel S. Burt, 2001-02-28 From

Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Captain Swing Eric Hobsbawm, George Rudé, 2014-08-12 Sir Your name is down amongst the Black hearts in the Black Book and this is to advise you and the like of you who are Parson Justasses to make your wills Ye have been the Blackguard Enemies of the People on all occasions Ye have not yet done as ye ought Swing In our increasingly mechanized age the Swing revolts are a timely record of the relationship between technological advance labour and poverty With the onset of the Industrial Revolution capitalism swept from the cities into the countryside and tensions mounted between agricultural workers and employers From 1830 on a series of revolts known as the Swing shook England to its core Landowners wanting to make their land more profitable started to use machinery to harvest crops causing widespread misery among rural communities Captain Swing reveals the background to that upheaval from its rise to its fall and shines a light on the people who tried to change the world and save their livelihoods

States and Social Revolutions Theda Skocpol, 2015-09-29 State structures international forces and class relations Theda Skocpol shows how all three combine to explain the origins and accomplishments of social revolutionary transformations Social revolutions have been rare but undeniably of enormous importance in modern world history States and Social Revolutions provides a new frame of reference for analyzing the causes the conflicts and the outcomes of such revolutions It develops a rigorous comparative historical analysis of three major cases the French Revolution of 1787 through the early 1800s the Russian Revolution of 1917 through the 1930s and the Chinese Revolution of 1911 through the 1960s Believing that existing theories of revolution both Marxist and non Marxist are inadequate to explain the actual historical patterns of revolutions Skocpol urges us to adopt fresh perspectives Above all she maintains that states conceived as administrative and coercive organizations potentially autonomous from class controls and interests must be made central to explanations of revolutions

Great Leaders, Great Tyrants? Arnold Blumberg, 1995-01-16 Can a political leader be effective without being tyrannical Most biographies tend to treat the tyrannical aspect of a great leader s career as a contradiction to be minimized This book examines both the creative and tyrannical aspects as the anticipated consequences of the exercise of power Biographical profiles of 52 major world leaders throughout history feature pro con essays reflecting contemporary views of the creative and tyrannical aspects of their record Coverage is global from Indira Gandhi to Fidel Castro and spans history from the Egyptian king Akhenaton to Mikhail Gorbachev Among the leaders profiled are Otto von Bismarck Oliver

Cromwell Charles de Gaulle Elizabeth I Ho Chi Minh Lenin Louis XIV Mao Zedong Napoleon I Kwame Nkrumah Juan Peron and Tito All biographies are written by subject specialists This work encourages critical thinking and debate about the exercise of power Coverage is global from Indira Gandhi to Fidel Castro and spans history from the Egyptian king Akhenaton to Mikhail Gorbachev Among the leaders profiled are Otto von Bismarck Oliver Cromwell Charles de Gaulle Elizabeth I Ho Chi Minh Lenin Louis XIV Mao Zedong Napoleon I Kwame Nkrumah Juan Peron and Tito Each biography begins with full name dates of the leader s lifetime offices held and a general introduction placing the leader in historical context A full biographical essay follows The editor then presents two essays in debate format contrasting the creative and tyrannical roles of the subject from a contemporary viewpoint Each biography concludes with suggestions for additional reading about the subject An important resource tool students will use Great Leaders Great Tyrants for debate and critical examination of periods of world history and the exercise of power

Robespierre Portrait Of A Revolutionary Democrat Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Robespierre Portrait Of A Revolutionary Democrat PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Robespierre Portrait Of A Revolutionary Democrat PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Robespierre Portrait Of A Revolutionary Democrat free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Robespierre Portrait Of A Revolutionary Democrat Books

1. Where can I buy Robespierre Portrait Of A Revolutionary Democrat books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
