Romanos Romans Everymans Bible Commentary:

The Epistle to the Romans Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine. Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament. Romans deals with many issues that are basic to Christian theology and practice. In The Epistle to the Romans, respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today. Originally written for the Wycliffe Exegetical Commentary series, this work has been substantially expanded and adapted for the NICNT series; it now treats the entire book of Romans rather than the first half. Based on the English text but bringing into the discussion the underlying Greek at every point, this commentary focuses both on theological meaning and on contemporary significance. Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God. He also critically interacts with the new perspective on Paul. Highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle.

Comentario a la epístola de Romanos Douglas J. Moo, 2016-06-30 El mejor comentario disponible actualmente. El más íntegro, detallado y exhaustivo. Su enfoque es amplio, su exposición completa y equilibrada, un modelo de claridad literaria, un ejemplo de profundidad teológica, un paradigma de análisis exegético, un patrón de desarrollo expositivo y un tesoro de aplicación práctica y devocional. Un comentario magistral. Se completa con cuatro índices dirigidos a facilitar su uso como obra de referencia y consulta: temas, autores, citas de la Escritura y citas procedentes de la literatura extrabíblica primitiva y, por supuesto, una completa bibliografía sobre Romanos.

Romans- Everyman's Bible Commentary Alan Johnson, 2000-04-01 The book of Romans is one of the best loved books in the entire Bible. Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians. Further, the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries. However, Romans is a complex book filled with difficult theology. To make this revolutionary book more accessible to the common man, Alan Johnson has written *Everyman's Bible Commentary on Romans*. The original two volumes are now combined into one complete volume. The commentary is also updated, expanded, and revised. The easy style and careful presentation make this an excellent commentary for laymen and pastors alike. Study Paul's discussion of the believer's new life in Christ with their release from sin and death and the faithfulness of God. Be encouraged and strengthened with a more in-depth understanding of your position before Christ with this commentary on Romans.
