Devouring Time Philippa Sheppard, 2017-05-26 From Kenneth Branagh s groundbreaking Henry V to Justin Kurzel s haunting Macbeth many modern filmmakers have adapted Shakespeare for the big screen Their translations of Renaissance plays to modern cinema both highlight and comment on contemporary culture and attitudes to art identity and the past A dynamic analysis of twenty seven films adapted from Shakespeare s works Philippa Sheppard s *Devouring Time* addresses a wide range of topics including gender ritual music setting rhetoric and editing She argues that the directors choice to adapt these four hundred year old plays is an act of nostalgia not only for the plays themselves but also for the period in which they

were written the association of genius that accompanies them and the medium of theatre Sheppard contends that millennial anxiety brought on by the social and technological revolutions of the last five decades has generated a yearning for Shakespeare because he is an icon of a literary culture that is often deemed threatened Authoritative and accessible Devouring Time s investigations of filmmakers nostalgia for the art of the past shed light on Western concepts of gender identity and colonialism

 Wars* Robert Sawyer, 2019-02-06 Shakespeare Between the World Wars draws parallels between Shakespearean scholarship
 criticism and production from 1920 to 1940 and the chaotic years of the Interwar era The book begins with the scene in
 Hamlet where the Prince confronts his mother Gertrude Just as the closet scene can be read as a productive period bounded
 by devastation and determination on both sides Robert Sawyer shows that the years between the World Wars were equally
 positioned Examining performance and offering detailed textual analyses Sawyer considers the re-evaluation of Shakespeare
 in the Anglo American sphere after the First World War Instead of the dried barren earth depicted by T S Eliot and others in
 the 1920s and 1930s this book argues that the literary landscape resembled a paradoxically fertile wasteland for just below
 the arid plain of the time lay the seeds for artistic renewal and rejuvenation which would finally flourish in the later twentieth
 century
