Royaut Renaissance Et Rforme 14831559:

Renaissance Warrior and Patron R. J. Knecht, Robert Jean Knecht, 1994 A paperback of Knecht's comprehensive account of one of France's most important monarchs Calvin, A Biography Bernard Cottret, 2003-05-22 A major new authoritative and comprehensive biography shedding new light on the life and personality of the great Reformer and the milieu in which he lived and worked Cottret's Calvin is not the static theologian of earlier biographies but a man of enormous vigour constantly on the move in his thinking as well as in his life Professor Cottret introduces the reader to the world into which Calvin was born and follows him from childhood to humanistic and literary pursuits in Basel to ministry in Geneva to the halcyon Strasbourg years and finally back to Geneva The vital issues of the day are encountered as it were through Calvin's eyes as the author leads the reader through the dramatic upheavals of sixteenth century Europe A classic biography which will be an indispensable resource for students and scholars for years to come Praise for Calvin A tour de force Cottret has avoided the trap of painting a character who would have had from the beginning all of the traits of his later years and endeavours to show how Calvin became Calvin Brilliant Le Monde This excellent book regards the French Reformer with new eyes Cottret mixes seriousness and welcome humour For the public interested in a history of Protestantism this book is full of reflections of the spirit of the Reformation Les Livres du Mois Bernard Cottret is an accomplished and successful writer He has an idiosyncratic style that mixes narrative and professional bon mots of a cold philosophical nature Cottret is also the first of recent biographers to make extensive use of Calvin's sermons many of which languished unpublished until recently Calvin had grave doubts about the publication of such works and thought them fit only for a local and transitory audience but it is here in this less guarded medium that Calvin's skill as a teacher and expositor shines forth with greatest clarity English Historical Review **Queen Jeanne and the Promised Land** David Bryson, 1999-09-08 Jeanne III d Albret 1528 1572 queen of Navarre is a subject of great controversy and fascination yet only two modern monographs have been written about her and both are general biographies This book fills the gap for scholars by concentrating on Jeanne's leading role during the Wars of Religion in the vast territory of Guyenne in southwestern France Part One The Promised Land portrays the growth of Protestantism in Guyenne the rise of the Albret dynasty and Jeanne's evangelisation In part Two Exodus Queen Jeanne emerges as a Huguenot war leader in the attempt shown in Part Three Sanctuary to create a Protestant Guyenne by force of arms The book makes extensive use of contemporary sources including unpublished diplomatic and military dispatches and a controversial collection of copies of Jeanne's private correspondence *Representing France and the French in Early Modern English Drama* Jean-Christophe Mayer, 2008 This wide ranging collection of essays written by leading specialists furnishes previously unpublished evidence of France's role and importance in the early modern English literary and dramatic fields Its chapter length introduction offers an up to date critical presentation of the issues involved representation cultural identity the construction of otherness Frenchness and the social and cultural dynamics of theater The essays in the five

sections of the book continue the debate with a series of in depth studies touching on important critical themes such as intertextuality old and new historicisms language semiotics and nationhood imagined geographies and stereotypes and social satire The book will appeal to students and specialists of Renaissance literature to scholars working on the construction of national identity and will be required reading for anyone interested in cultural exchange or comparative literature Jean Christophe Mayer is a senior research fellow at the French National Center for Scientific Research **France, 1500-1715** Alastair Armstrong, 2003 Heinemann Advanced History offers a differentiation strategy with books covering AS and A2 Exam preparation includes practice questions advice on what makes a good answer and help for students on interpreting questions and planning essays **Catherine de Médicis** Jean-Hippolyte Mariéjol, 2014-01-01 Empoisonneuse comploteuse magicienne jamais une reine de France n a suscité autant de passions et de haines que Catherine de Médicis Pourtant loin de son image d'intrigante et de fanatique religieuse elle abolit lors de sa Régence la peine de mort pour hérésie et accorde même la liberté de conscience aux protestants Au-delà du mythe instauré par La Reine Margot cet ouvrage nous fait découvrir une Catherine de Médicis cultivée empreinte des idées de la Renaissance et souvent bien seule la Cour de France Mais son règne et sa personnalité restent entachés par sa participation active ou non au massacre de la Saint-Barthélemy et la dureté de la répression contre les Huguenots Autant d'aspects clairs par Jean Hippolyte Mariéjol qui entre le genre noir et le mythe doré peint les multiples facettes d'une Régence marquée au milieu du XVIe siècle par les conflits politiques et religieux

H. Britnell, 2000 The printed writings of the most important authors of the sixteenth century are characterised by frequent references to current affairs This collection brings together essays by literary scholars and historians of the era to discuss various ways in which those writing in the
