United States Department of the Army, **The Cabinet-Maker's Guide to the Entire Construction of Cabinet-Work - Including Nemeering, Marqueterie, Buhl-Work, Mosaic, Inlaying, and the Working and Polishing of Ivory** Richard Bitmead, 2021-06-28 Written to supply a want is a phrase now become so hackneyed that it is only repeated here because no other words mould so well express the purpose of the writer which is to place before the trade a book of instruction on Cabinet making by a London Cabinet maker From the fact of the London trade being divided and sub divided into so many branches wardrobe makers pianoforte case makers photographic apparatus makers dining table makers telegraphic case makers sideboard makers glass showcase makers chiffonier makers looking glass frame makers mathematical case makers dressing case makers toilet table makers chest of drawers makers etc etc and each one of these branches taking apprentices

it follows as a natural consequence that there are many workmen who are thoroughly efficient only in the branch in which they have been specially trained It will frequently happen from slackness in a particular branch of trade or from a other cause that a workman is compelled to turn his hand to another branch and he then finds that he must place himself under an obligation to others for instruction By all such workmen this little book will be found of value as well as by apprentices and country work men unaccustomed to many of the branches of the trade treated of in these pages amateurs also who take delight in the art will find the book of great service and lastly it is hoped it may prove useful as a work of reference to the trade in general The information given is based on an experience of twenty five years as a general Cabinet maker and can be relied upon All necessary instructions for veneering and inlaying in fancy woods for both flat and shaped surfaces will be found here and the process of dyeing veneers throughout their entire thickness so little known to the trade is also fully treated of as well as the working and staining of ivory marqueterie buhl work etc and the construction of various kinds of dining tables Many valuable recipes are also given and much information of a miscellaneous character as will be seen from a glance through the following Contents *Wood Carving Comprising Practical Instructions, Examples and Designs ...* Paul Nooncree Hasluck,1908 **Householder's Survival Manual** ,1999 Donated by Mr Elmer Winter **Mrs. Dunwoody's Excellent Instructions for Homekeeping** Miriam Lukken,2025-05-01 Mrs Dunwoody is a character based on the author s great grandmother and other traditional Southern women who believe in the importance of making a house a home
