The CCL Handbook of Coaching Sharon Ting, Peter Scisco, 2006-04-07 Coaching is vital to developing talent in organizations and it is an essential capability of effective leaders The CCL Handbook of Coaching is based on a philosophy of leadership development that the Center for Creative Leadership has honed over thirty years with rigorous research and with long rich experience in the practice of leadership coaching The book uses a coaching framework

to give a compass to leaders who are called to coach as a means of building sustainability and boosting performance in their organizations The book explores the special considerations that leader coaches need to account for when coaching across differences and in special circumstances describes advanced coaching techniques and examines the systemic issues that arise when coaching moves from a one to one relationship to a developmental culture that embraces entire organizations

The Phoenix Chronicles Eric M Sipe, 2018-02-14 Two thousand years ago thirteen Roman soldiers were cursed to be reborn again and again with each past incarnation trapped in the current incarnation s mind Over time these cursed people grew more powerful and through an organization called the Phoenix Council they amassed power and influence to conquer most of the world These self proclaimed phoenixes now rule with an iron fist They enjoyed uncontested power until six phoenixes grew unsatisfied with the council and rebelled hurling the world into a dark civil war Most of the phoenixes died in the war only for the world to wait for them to return Andrew Cromartie lives a lazy carefree life in New Rome One day his twin Rose convinces him to attend the citys quincennial celebration There he discovers that he is the next sapphire phoenix But there are a few problems the Phoenix Council blames his past incarnation for starting the last war and Andrews past incarnations have sealed themselves away Now Andrew must rely on an unlikely group of allies to avoid falling into the machinations of the other phoenixes all of whom have a different plot to use their timely rebirth for their own goals Can Andrew survive and forge his own destiny
