Scum Manifesto:

SCUM Manifesto, 2004-05-17 Despite its vitriol this radical feminist tract written by the woman who tried to kill Andy Warhol has indisputable prescience regarding artificial insemination and ATMs among other things This edition features Ronell s incisive introduction **Valerie Solanas** Breanne Fahs, 2014-04-15 The authoritative biography of the 60s countercultural icon who wrote SCUM Manifesto shot Andy Warhol and made an unforgettable mark on feminist history Valerie Solanas is one of the most polarizing figures of 1960s counterculture A cult hero to some and vehemently denounced by others she has been dismissed but never forgotten Known for shooting Andy Warhol in 1968 and for writing the infamous SCUM Manifesto Solanas became one of the most famous women of her era But she was also diagnosed with paranoid schizophrenia and spent much of her life homeless or in mental hospitals Solanas s SCUM Manifesto a sui generis vision of radical gender dystopia predicted ATMs test tube babies the Internet and artificial insemination long before they existed It has sold more copies and been translated into more languages than nearly all other feminist texts of its time And yet shockingly little work has investigated the life of its author This book is the first biography about Solanas including original interviews with family friends and enemies and numerous living Warhol associates It reveals surprising details about Solanas s life the children nearly no one knew she had her drive for control over her own writing and her elusive personal and professional relationships Valerie Solanas reveals the tragic remarkable life of an iconic figure It is not only a remarkable biographical feat but also a delicate navigation of an unwieldy demanding and complex life story BOMB Magazine **SCUM Manifesto** Valerie Solanas, 1977 **SCUM Manifesto** Valerie Solanas, 1997 Society for cutting up men S.C.U.M. *Manifesto* Valerie Solanas, 2001 *SCUM Manifest* Valerie Solanas, 2013 SCUM Manifesto Society for Cutting Up Men av Valerie Solanas fr n 1967 r en av de viktigaste feministiska texterna n gonsin Den orimligaste den rimligaste En rasande utopi f r kvinnor som k nner sig redo att regera universum En vildsint och originell diagnos av patriarkatet Mannen befinner sig i skymningslandet mellan apa och m nniska Mannen r besatt av d den av sex och av att f rst ra saker Mannen r en maskin en vandrande dildo en emotionell parasit en biologisk olycka manlighet r en bristsjukdom F r civiliserade kvinnor terst r bara att st rta regeringen eliminera det ekonomiska systemet och f rst ra det manliga k net SCUM r ett tillst nd ett s tt att t nka en attityd en organisation med ett ok nt antal medlemmar Valerie Solanas manifets r en sk n och v ldsam vision d r v nskap ers tter meningsl s sex VALERIE SOLANAS 1936 1988 f rfattare och feministisk teoretiker levde under stora delar av sitt liv som prostituerad Under sextioalet h ll hon till i utkanten av New Yorks konstliv 1968 sk t hon Andy Warhol *The Queer Sixties* Patricia Juliana Smith, 2013-12-16 The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open Imbued with the zeitgeist of the 60s this playful and powerful collection rescues the persistence of the queer imaginary **Heterophobia** Daphne Patai, 2000-06-28 Once confident in the potential of feminism to create a more equitable and just society Daphne

Patai persuasively demonstrates in *Heterophobia* how the efforts of some feminists members of what she calls the sexual harassment industry have created an environment that stifles healthy and natural interactions between the sexes The tremendous growth of sexual harassment legislation represents feminism s greatest contemporary success but this victory has dubious consequences a world where kindergarten boys face legal action for kissing female classmates and men are sued by coworkers for offenses such as unwanted hugs uninvited compliments or glances that last too long **Celibacies**

Benjamin Kahan,2013-11-25 Arguing that celibacy is a distinct sexuality with its own practices and pleasures Benjamin Kahan shows it to be much more than the renunciation of sex or a cover for homosexuality *Acts of Gaiety* Sara Warner,2023-06-20 *Acts of Gaiety* explores the mirthful modes of political performance by LGBT artists activists and collectives that have inspired and sustained deadly serious struggles for revolutionary change The book explores antics such as camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside more familiar forms of legitimate theater Against queer theory s long suffering romance with mourning and melancholia and a national agenda that urges homosexuals to renounce pleasure if they want to be taken seriously by mainstream society *Acts of Gaiety* seeks to reanimate notions of gaiety as a political value for LGBT activism The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety that lay at the center of the social and theatrical performances of the era and uncovering original documents long thought to be lost Juxtaposing historical figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch Animal and the Five Lesbian Brothers Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging *Acts of Gaiety* explores the mutually informing histories of gayness as politics and as joie de vivre along with the centrality of liveliness to queer performance and protest **Violence** Kevin Duong,2023-05-08 Can political violence create freedom What if the cost of violent liberation is too high How does one even calculate that when the status quo is a condition of sustained violence From reactionary movements globally to the everyday violence that makes the present moment so cruel understanding political violence remains a difficult multidimensional problem This edited volume brings together essays by political theorists intellectual historians and other social scientists to reflect on these classic questions anew The chapters in this volume revisit major political theorists of anticolonial violence like the Vietnamese Ho Chi Minh the American George Jackson and the Kurdish Abdullah calan They also revisit canonical yet misunderstood writers like the French syndicalist Georges Sorel and the American feminist Valerie Solanas Beyond major figures and intellectuals the volume also features contributions on pressing contemporary debates like climate change police violence and the violence of speech Together these essays reveal political violence to be first and foremost an experimental theoretical activity which has both enabled and frustrated the ambitions of the left This book will be beneficial reading for students and researchers of Political Science History and Sociology The chapters in this book were originally published as a special issue of *New Political Science*

SCUM Manifesto (English Edition) T  resa Faucon,H  l  ne Fleckinger,Alain Carou,2020-04-14T00:00:00+02:00 SCUM Manifesto is a digital book bringing texts and archives about the videotape of Carole Roussopoulos and Delphine Seyrig restored and available in full in the book The videotape filmed in 1976 is a staged reading of extracts from Valerie Solanas s SCUM Manifesto then out of print in French translation Delphine Seyrig translates some passages to Carole Roussopoulos who types them in the machine In the background a television broadcasts live images of the TV news which let us hear the apocalyptic news Like the book the film is a pamphlet against society dominated by the male image and virile action

Spain, approaching SCUM state? Jos   Quint  s Alonso,2015-07-10 I have seen it fit to draw attention to the SCUM Manifesto written by Valerie Jean Solanas born in Ventnor New Jersey 1936 Excerpts are included from her text to present her opinions on the problems she saw with society and to show her vision of a perfect future society and how both women and men would function or not in that society The reader should not be surprised in any way but rather should keep in mind the contradiction the Manifesto poses to advanced society even though some feminist centers recognize its ideas as valid and they can even be found in some aspects of the current Spanish law against gender violence LIVG Websites and other visuals are included in the text in order to demonstrate the relevance of the Manifesto as surprising and categorical as it is in its claims The text provides an excellent opportunity to highlight something fundamental the law LIVG does not take into account gender violence exercised by women on men and it also does not explain why there cannot be gender violence without having or having had at some point an emotional relationship between the perpetrator man and the victim woman or why it discriminates based on sex and eliminates the presumption of innocence on behalf of the accused male It is convenient to rethink these issues in the heat of empirical evidence rather than ideological evidence and seek agreement with

neighboring countries EU 28 Andy Warhol Edward Willett,2017-12-15 Provide your readers with a memorable bio about a memorable man Paintings are too hard Machines have less problems In the 1960s Andy Warhol became the most famous creator of pop art which transformed mass produced items of popular culture into works of fine art From Campbell s Soup cans to photographs of Marilyn Monroe Warhol was willing to use anything and everything from the mass media in his work and by so doing expanded the range of subject matter available to artists His avant garde films artistic usage of American icons and unconventional social life made him a controversial figure both greatly admired and deeply reviled A trendsetter rather than a trend follower a dispassionate observer of both the seamy and celebrity sides of life Warhol s rebellious art and cultural commentary were oddly prescient

Gender and the Political A. Third,2014-10-23 Analyzing women labeled as terrorists in the United States in the late 1960s and early 1970s Gender and the Political examines Western cultural constructions of the female terrorist The chapters argue that the development of the discourse on terrorism evolves in parallel with and in response to radical feminism in the US during this time *Headpress Guide to the Counter Culture* Temple Drake,2004 An indispensable sampling of the vast assortment of publications which exist as an adjunct to the

mainstream press or which promote themes and ideas that may be defined as pop culture alternative underground or subversive Updated and revised from the pages of the critically acclaimed Headpress journal this is an enlightened and entertaining guide to the counter culture including everything from cult film music comics and cutting edge fiction by way of its books and zines with contact information accompanying each review *Goddess Astrology* Elisabeth Brooke,2022-09-27 A fascinating exploration of the Goddesses and women of Greek mythology in relation to the astrological signs Offering a new and insightful discussion into the subjects of both Greek mythology and astrology Elisabeth Brooke skilfully intertwines the two to create an original and captivating exploration of the female experience It expresses a deep appreciation that women s lives are not all the same and should not be put into the same overused stereotypes instead it offers a refreshing perspective of female archetypes illustrated by the lives of extraordinary women both alive and dead which women everywhere will relate to Each chapter of this book follows one of the twelve Astrological Signs seven traditional planets as well as the Houses and Aspects The connection to a Goddess of Greek mythology is detailed for each of these providing an illuminating and engrossing background to the Greek myths and Goddess lore The chapters bridge the gap between ancient and modern exploring more recent examples of brave strong and empowering women for each of the Astrological Signs The book can be read straight through as an exploration of the Goddesses and Astrology and as a reference book for both astrological studies and historical Goddess lore *Goddess Astrology* also contains excerpts from classical texts newly translated by the author Elisabeth Brooke **Feminist Time Against Nation Time** Victoria Hesford,Lisa Diedrich,2009-12-01 *Feminist Time Against Nation Time* offers a series of essays that explore the complex and oftentimes contradictory relationship between feminism and nationalism through a problematization of temporality Although there has been much recent discussion in the U S of the wars in Afghanistan and Iraq and the War on Terror as signaling a new period of permanent war feminist voices have not been at all prominent in this discussion This collection considers not only the ways in which public spaces for dissent are limited but also the ways in which the time for such dissent is cut short *Feminist Time Against Nation Time* combines philosophical examinations of *Women s Time* by Julia Kristeva and *The Time of Thought* by Elizabeth Grosz with essays offering case studies of particular events including Kelly Oliver s essay on the media coverage of the U S wars on terror and in Afghanistan and Iraq and Betty Joseph s on the anti colonial uses of women s time in the creation of nineteenth century Indian nationalism *Feminist Time Against Nation Time* juxtaposes feminist time against nation time in order to consider temporalities that are at once contrary to but also drawing toward each other Yet Hesford and Diedrich also argue that because as an untimely project feminism necessarily operates in a different temporality from that of the nation againstness is also used to provoke a rupture a momentary opening up of a disjuncture between the two that will allow us to explore the possibilities of creating a space and time for feminists to think against the current of the present moment *Feminism's Queer Temporalities* Sam McBean,2015-07-16 Despite feminism s uneven movements it has been

predominantly understood through metaphors of generations or waves Feminism's Queer Temporalities builds on critiques of the limitations of this linear model to explore alternative ways of imagining feminism's timing It finds in feminism's literary and cultural archive narratives of temporality that might now be diagnosed as queer where queer designates modes of being historical that exceed the linear and the generational Few theorists have looked to popular feminist figures literature and culture to theorize feminism's timing Through methodologically creative readings McBean explores non generational anti linear and asynchronous time in the figure of Antigone Marge Piercy's Woman on the Edge of Time the film Ladies and Gentlemen The Fabulous Stains Valerie Solanas and SCUM Manifesto and Alison Bechdel's Fun Home The first to substantially bring together the ways in which time has come to matter in both feminist and queer disciplines this book will appeal to students and scholars of feminist queer and gender studies cultural studies and literary studies *Sounding Out: Pauline Oliveros and Lesbian Musicality* Martha Mockus, 2011-05-20 Crafting a dynamic relationship between feminism and music making this book offers a queerly original analysis of Oliveros's work as a musical form of feminist activism and argues for the productive role of experimental music in lesbian feminist theory
