Nothing Personal: Seeing Beyond the Illusion of a Separate Self Nirmala,2010-01-16 Advaita and nondual teachings are about finding the Truth This Truth is not a dogma that you study it is the Truth about life the Truth about who you really are This Truth is discovered not learned It is discovered through sincerely inquiring Who am I What you discover is that who you are has nothing to do with self images or roles and everything to do with what you experience when you ask this question What you discover is that who you think of yourself as is just that a thought And beyond that thought is a great Mystery an experience of nothingness which is your true nature Nothing Personal leads you to the experience of your true nature and helps you explore its depth Through exposition questions and dialogues it brings you to a place of realization of the Truth you are that spacious Awareness in which everything appears including your thoughts and feelings Your thoughts and feelings do not define you but merely appear within Consciousness along with everything else This Consciousness is who you are Nothing Personal offers a gentle and persistent guide to seeing the underlying truth of your ultimate nature In this concisely edited collection of satsang talks and dialogues you are invited to honor the limitless love that is your true nature and to enjoy the sweet richness that is revealed when you give this Truth your undivided attention From the introduction Unlike most books this one is not meant to add to your knowledge or understanding It is about the Truth that cannot be spoken or written Although the Truth cannot be contained in this or any other book each word written here is intended to point you toward that Truth Many of the words and ideas may seem paradoxical or contradictory because what they point to is larger than our conceptual frameworks Many questions are asked which are not answered anywhere in the book Find out what the experience is like to ask yourself these questions even if they leave you emptier of knowledge and understanding In this emptying you just may discover what you are looking for The Truth is revealed when we allow ourselves to not know so I invite you to set aside all that you know for the time being and allow yourself to look with innocent eyes at what the words are attempting to unveil Take the time to experience the unspoken truth in each section before moving on to the next Resist the temptation to read these words with your mind which is likely to rush right past the Truth Allow the words to sink into your heart and reveal the truth of who you are

No More Bananas Jeroen Kraaijenbrink, 2019-06-21 Feel better get done more and become a nicer person In this age of social media fake news individualism and information overload the certainties we relied on in the past are gone In our quest for assurance and support the only seemingly dependable pillar left is other people So we look to them But they are unsettled too And by looking to them we create and perpetuate our own vicious stress cycle As a result we lose our sensible selves And we go bananas But there is good news If we look around us there are people who withstand the collective lunacy and stay grounded They do something that most of us have a hard time doing they stay themselves And the best news is that what they can do you can do too It doesn't require any special talents or supernatural powers It only requires doing In this amiable open and accessible book Jeroen Kraaijenbrink takes you on his personal journey out of Bananaland Drawing from cognitive psychology martial arts Saint Benedict personal experience and a wide range of other sources the book offers a nine step approach with some remarkably practical advice for keeping a cool head in the collective lunacy Free yourself from the collective lunacy and reclaim your calm and sensible self

A Journey Through Existence Norm Prigge, 2012-04 Preface I explicitly do not affirm the truth of any statement made or implied herein concerning any actual people including myself or any actual relationships including my own or any concrete situations depicted Everything I have written is either about or based upon my perceptions memories imagining suppositions assessments of poetic and dramatic appropriateness and the like all such qua sources of factual truth being notoriously fallible The only truth that I do affirm herein is that of the universals that can be abstracted from the particulars of my subjective experience the universals call them poetic truths whereby my audience can better understand and perfect themselves as I hopefully have been able to do for myself in the living and subsequent describing of all that follows If anything I have written happens to occasion any people pain I express in anticipation my deepest compassion such people must know however that I would not have written as I have if I did not suppose that I would thereby have caused in potentiality far greater good than harm Bear Valley Springs August 2011

Accepting The Troll Underneath the Bridge Terry D. Cooper, 2010-05-01 Just who is the troll The troll is the disgruntled negative voice within each of us that works tirelessly to remind us of our deepest fears of inadequacy As we attempt to better ourselves or our lot in life that is to cross any bridge it is the troll underneath that bridge that belittles and taunts us until too battered to go on we return to the safe side of the bridge The troll is well equipped to do battle employing a full arsenal of tricks to promote self doubt and keep us as prisoners of low self esteem Rather than suggest that we wage war with the troll however Terry Cooper through a sound blend of psychology and spirituality encourages us to understand the ways of the troll the ways we inadvertently aid and abet the work of the troll and the ways we can handle our conflict with the troll Perhaps most importantly Dr Cooper helps us realize that it is our acceptance of the troll as part of ourselves that ultimately enables us to disarm the troll With this realization we no longer resist grace we are on the way to healing our troll

Conversations on the Edge Richard M. Zaner, 2004-01-08 At the edge of mortality there is a place where the seriously ill or dying wait a place where they may often feel vulnerable or alone For over forty years bioethicist cum philosopher Richard Zaner has been at the side of many of those people offering his incalculable gift of listening and helping to lighten their burdens not only with his considerable skills but with his humanity as well The narratives Richard Zaner shares in *Conversations on the Edge* are informed by his depth of knowledge in medicine and bioethics but are never clinical A genuine and caring heart beats underneath his compassionate words Zaner has written several books in which he tells poignant stories of patients and families he has encountered there is no question that this is his finest In *Conversations on the Edge* Zaner reveals an authentic empathy that never borders on the sentimental Among others he discusses Tom a dialysis patient who finally reveals that his inability to work encouraged by his overprotective mother is the source of his hostility to treatment Jim and Sue young parents who must face the nightmare of letting go of their premature twins one after the other Mrs Oland whose family refuses to recognize her calm acceptance of her own death and in the final chapter the author's mother whose slow demise continues to haunt Zaner's professional and personal life These stories are filled with pain and joy loneliness and hope They are about life and death about what happens in hospital rooms and that place at the edge when we confront mortality It is the rarest of glimpses into the world of patients their families healers and those who struggle like Zaner to understand

Beyond the Bedroom Douglas Weiss, 2005-07 Did one or both of your parents Become emotionally distant and unloving to their spouse Talk about sex or sexuality in an inappropriate way Spend a lot of time away from home or form unusually close platonic relationships Continue their destructive behavior even when confronted by the damage it was causing If so you are an adult child of a sex addict Sex addiction is not about parents who cheat on each other or have multiple partners although it does manifest itself that way It is about any sexual dysfunction between people in a long term relationship sexual withholding emotional detachment bullying or demeaning behavior etc These relationship problems form subconscious impressions on children and lead to unfulfilling relationships in later life This book for the first time

identifies sexual addiction as a root cause of many of the dysfunctions in relationships It helps readers analyze their parents relationships It then shows them the possible dysfunctions these problems caused in their own relationships giving both general guidance and personal anecdotes from a select group of children of sex addicts Finally it gives readers several specific exercises to help free them from their past heal their relationship with your parents especially the victim partner often the wife who is subconsciously blamed for not stopping the spouse s disruptive behavior and repair any damage in their current relationships This book is not just about cheating or abuse It is about finding the way back to the loving relationships you want and that those around you deserve **The Self Beyond Yourself** Richard B. reader's ministry effectiveness Full text of the Holy Bible New Living Translation NLT combining the latest biblical scholarship with clear natural English The words of Jesus are in red letter The Absurdity of Pride and the Peace of Humility Michal H. Hall, 2014-04-24 After several years of research into the new discoveries of science and cosmology and the new translations of the world's religions I have found that we are not only going extinct but that we are the ones doing it through pride and arrogance We as a species have developed an addiction to this ugly disconnecting emotion Totally lost to us is the unifying sustainable emotion of humility Clearly unless we can recover humility's natural state we will continue in the violent frightened unjust lifestyle of pride and we will force our own species and many others on the Earth into extinction This book maps out our personal group and species pride so there can be no doubt of its powerful influence in a lethal power over everything about us A study of how we can get out of pride and into a state of humility occupies most of the book because that is what we must do right now If we are to live enjoyable and meaningful lives and have a future we must throw off pride and enter into humility This book is a map guide and call to hope for our joyful and sustainable future It's a call to come out of our slavery to self to see and embrace other humans groups and species of the Earth In this new state of humility we will be released to see ourselves not just as citizens of the Earth but as citizens of the cosmos In humility we will discover that we are not the center of anything but an important part of everything We will throw off things like pride's violence illusions of control worry fear anger fighting comparing judging competing and taking everything personally We will take on humility's laughter especially at ourselves love justice peace forgiveness identifying with and appreciating everything and being all inclusive The natural thing would have been for us to evolve into humility It is the only way that any reflective species in the cosmos can ever hope to survive and flourish **What is the Point of Being a Christian?** Timothy Radcliffe, 2013-01-17 WINNER OF THE MICHAEL RAMSEY PRIZE FOR THE BEST IN THEOLOGICAL WRITING Winner of the Michael Ramsey prize for the best in theological writing Cardinal Timothy Radcliffe is in demand the world over with Bishops priests lay people and above all young people This new book is his response What is the Point of being a Christian One is pointed to God who is the point of everything If one thinks of religion as just useful then one has reduced it to another consumer product But if we are pointed to God then this should make a difference to how we live This is not a moral superiority Christians are usually no better than anyone else But the lives of Christians should be marked by some form of hope freedom happiness and courage If they are not then why should anyone believe a word they say In this new book Cardinal Radcliffe is at his best writing with a prophetic edge His argument for Christian belief is profoundly Catholic and profoundly human But what is just as remarkable Radcliffe's argument for and interpretation of Christian Gospel is couched in a deep understanding of human nature and the problems and anxieties of modern men and women Radcliffe is far distant from the theologian's ivory tower and yet his understanding of the Gospel is profoundly theological The frame of reference for this book is wide and it is based amongst other things on Fr Radcliffe's pastoral experience of dealing with people with

problematic marriages those struggling with celibacy those trying to understand the nature of religious authority and those trying to remain loyal to the Church which finds their sexual orientation irregular **A Journey of Remembering** Nathan Whiting, 2010-03-21 This is a story of the author's self-induced journey into and through hell on his way to finding and remembering a way home while stumbling upon the ultimate love which is unconditional in form While preparing for this journey of remembering he found himself conscious enough at times to realize and save the gold nuggets of spirituality he stumbled upon hoping one day to share these with others While the gold nuggets are spiritual in nature it's a raw variety or a street spirituality Being a non-conformist and rebel at heart he had to find some type of spirituality that would work for him and get him back on the path of remembering what he is here for in the human form This is a brutally honest and sometimes graphic retelling of that journey of recovery **The Whirligig of Time** Wayland Wells Williams, 1916
