

A silhouette of a person stands on a dark, rocky outcrop or cliff edge, looking out over a vast, hazy landscape under a dramatic, orange-hued sunset sky. The person is positioned on the right side of the frame, facing left. The sky is filled with soft, glowing clouds in shades of orange, yellow, and light blue. The overall mood is contemplative and serene.

SEARCHING FOR TRUTH

Searching For Truth

Jimmy Surgener

Searching For Truth:

Searching for Truth John Moore, 2007 In our world everyone is searching for something If you are searching for answers to questions regarding God Jesus hope happiness faith life after death good and evil the church the Bible God s plan for you or Jesus love for you the answers to these can be found in this book This book includes extended question sections including a Section Review after each section and a Chapter Review at the end of each chapter To close out the chapter there is a Digging Deeper section which includes additional verses on the subject matter that are not used in the text with questions regarding those verses The answer to every question can be found in the Answer Key section at the end of the book [A Search for Truth](#) Ernest J. Honigmann, 2016-08-03 The genesis of this book was in 1957 when the author was rejected from a loving courtship because he did not believe in the existence of God To quell the pain and to understand what had happened to him he researched the evidence as to why people believe that God exists The result was this book a predominance of evidence in favor of atheism Further the author found that truth should always be held provisionally not permanently pending discovery of new evidence and insights For example the author s atheism is provisional His search also brought a tough new world If God does not exist we need new concepts for the meaning of life the basis of morality and our unalienable Rights to Life Liberty and the pursuit of Happiness This book offers his solutions to those problems And one more thing The author s recommendation in his final chapter for a new way to search for religious truth forms the most exciting part of this book and possibly the most prophetic Now in 2016 50 years after it had been offered to the world and rejected by the publishers as a threat to their own interests our society has come of age And this book with its eye opening freshness still intact is finally yours to learn from and to enjoy [Seeking Truth](#) Crae F. Hancock, 2005-12-19 Seeking Truth motivates a person to find truth Most of us exist within a psychological illusion of the truth This illusion of truth exists in a holographic sense We literally exist within our thoughts While covered within an analogous shell one filters any new ideas and thoughts through preconceived parameters In this sense you could hear see or experience bonafide truth but be unable to accept it as the truth for this reason the scientific method for establishing truth necessitates that an experiment must be performed time and time again with the same results In common law the truth shall be established by two or more witnesses May your shell illusion vaporize May you see hear understand and intuit truth **Seeking the Truth about Jesus** Roger C. Hall, 2010-09 Seeking the Truth about Jesus invites you to listen to the message God shares about Jesus through the Bible Focusing on the pages of this life changing book this text seeks to delineate basics of Christian truth uninfluenced by the opinions of man avoiding the shadings of church tradition personal dogma and prejudice that so often color Biblical explorations of today Roger C Hall combines his living faith and his life of prayer to generate discussion for people who want to encounter God s absolute truth and to expose their lives to the light of God in his Son Jesus Christ Each chapter ends with a prayer and a list of questions to ponder either individually or with a group If you see in yourself someone searching for the truth with open eyes and with a

Bound by Beliefs Joseph C. Way,2019-10-30 Since everyone has a god that controls them it is wise to ask who or what that is how we choose it and how to respond We must also ask how tradition the Bible church family and other factors affect our beliefs and behaviors Joseph C Way wrestles with these and other issues and reaches some uncommon conclusions about God Jesus and Us He affirms God is love God acts from love and so do we Other specific emphases include how presuppositions beliefs dictate behavior the profound significance of the human Jesus the need to renounce redefine and restore certain beliefs why our future depends on what and how we love The author seriously differs from the apostle Paul on who and what Jesus was Our salvation depends not on the death of Jesus but on living by his two directives gleaned from Hebrew scripture The author invites everyone to join him in proclaiming and practicing appropriate love so that we may reduce human and environmental discord for everyone regardless of their nationality or religion
