Roden, 2002-10-23 Same Sex Desire in Victorian Religious Culture examines the role of Christian history in nineteenth-century definitions of homosexual identity. Roden charts the emergence of the modern homosexual in relation to religious, not exclusively sociological, discourses. Positing Catholicism as complementary to classical Greece, he challenges the separatism of sexuality and religion in critical practice. Moving from Newman and Rossetti to Hopkins, Wilde, and Michael Field, amongst others, Same Sex Desire claims a new literary history bringing together gay studies and theology in Victorian literature. *The United States Democratic Review*, 1843 Vols 1, 3, 5, 8 contain the political and literary portions; v. 4 the historical register; department of the numbers published from Oct 1837 to Dec 1840. **Sebastian Stromme** Julian Hawthorne, 1879 *The Mystique Chronicles* Tina Taylor, 2014-12-03 From beyond the boundaries of infinity and the vastness of immortal consciousness, a prophecy had been conceived within the majestic expanse of the unbound universe. As a result, the Mystique have sprung from the womb of Mother Earth like the phoenix rising up from the still-burning embers of The Desert of Reality. Upon the death of his beloved Cortessa, Demonno was literally driven beyond the brink of insanity, and throughout the ageless millenniums he had taken it upon himself to single-handedly wipe his own species off the face of the planet. Violet, nearly the last living Mystique in existence, has finally come upon the end of her inevitable journey. Despite the destruction of her species, bitter betrayals, and malignant diversities, Violet has still managed to fulfill a prophecy that is perhaps as ancient as the universe herself. Violet must ultimately pass Samantha Jean Doventhe, mothering host of a new breed of Mystique, the proverbial scepter to continue the self-sacrificing journey that she cannot continue. However, in the aftermath of Demonno's reign of terror, he continues his contaminated trail of destruction and will stop at absolutely nothing to finish what he has started and destroy all Mystiques along with anything or anyone who is unfortunate enough to cross his path. Samantha must stop this insane beast of hatred and rage and save humankind, not only from themselves but Demonno as well. Samantha must find the strength within to

carry the Mystique and humankind alike into a new age and a new millennium because a new time and existence is about to begin What is life Life is the decisions we choose to make woven among our destiny and in the end all is as it should be
