Shared Surprise:

#Share Natalie T. Wood, Caroline K. Muñoz, 2017-02-08 Each day millions of consumers venture online to search and exchange product information and to seek out and share opinions Electronic word of mouth eWOM communication has been shown to influence consumer actions across a variety of industries King Rancherla and Bush 2014 A significant portion of eWOM occurs on social media platforms Whether it is a status update to Facebook of an upcoming vacation a picture of a laundry room makeover on Pinterest or a YouTube video discussing the features on the new iPhone consumers are turning to a variety of social platforms to make everyday purchasing decisions easier for themselves and others Indeed social word of mouth sWOM a subset of eWOM has incredible reach with the potential to influence over two billion active social media consumers The purpose of this book is to examine the influence of sWOM and provide guidance on how to operationalize its growing power The goal of this book is to bring together industry best practices and academic research to help construct social media content that speaks with your brand voice stimulates engagement inspires consumers to share share and complies with industry and federal guidelines Each chapter highlights a key area of sWOM that will further your understanding and provide actionable information to assist you in mobilizing positive sWOM for your company **New Testament Micro-Ethics** Raymond Kemp Anderson, 2018-10-09 Anderson shows how Early Christians faith took root in a multicultural world just as diverse and conflicted as our own Their basic attitude turns out to have been one of astounding freedom not a cultus of rules but a matter of whole hearted response for they lived in conversation with the One whose love for all his wayward creatures is utterly tenacious We find ourselves continually surprised by an insistent grace that treasures all persons equally while exposing and deposing our evil Such faith still evokes basic confidence and we find ourselves ever again moved by gratitude and trusting each others Christ emboldened freedom If we are embraced by grace our becoming great again can only mean unlimited concern for all and free flowing interactive service The playful work ethic that ensues holds promise for our politically splintered post industrial age The New Testament s seed like ethical genotype still unfolds into a secure all embracing and mutually supportive sabbatic life stance What could be more relevant for our future in conflicted times **#Rules_of_Engagement** Ann M. Garrido, 2021-02-05 Winner of a third place award in the church professional category from the Catholic Media Association Do you behave on social media as the Christian you want to be Are you dismayed at the often divisive and cruel exchanges you read online In Rules_of_Engagement Ann M Garrido shares eight practical habits that will help you align your activity in the digital world with the call of the Gospel to be Christ s presence in the world Popes Benedict and Francis have called upon Christians across the globe to embrace the internet as a new digital continent and think of it as mission territory a place where we can with careful thought and discipline accomplish enormous good Even as we strive to be faithful to our Christian values many of us still show up on social media and behave in ways unbecoming a follower of Jesus Christ Rather than practicing compassion truth honesty and communion online we sometimes

are mean spirited inflammatory and untruthful Garrido tackles the problem head on by providing practical tools theological guidance and spiritual inspiration for being the person God wants you to be online Garrido offers eight practices rooted in Catholic tradition and teaching that will help you avoid doing harm and instead equip you to be a force for good through your social media presence and activities clarify your purpose know your sources understand bias value the person lead with curiosity talk about intent and impact privilege face to face encounter manage your energy The book includes simple exercises to help you assess your social media behaviors and integrate Garrido s suggestions into your online communications as well as the opportunity to join a community of concerned Christians striving to live these habits
