Sharing Wisdom A Process For Group Decision Making:

Sharing Wisdom Mary Benet McKinney, 1987 For any person in a parish who must participate in some form of group decision making It shows that a faith filled approach to group work can help bring about a sense of church for everyone in parish ministry

Sharing Wisdom Mary Benet McKinney, 1998 *Talking Treason in Church* Joseph P. Marren M.A., 2009-12 Draws from the practices of the first three centuries of the Catholic Church to provide a plan to restore the sacraments and governance of the Church to lay people s hands Marren contends that the present hierarchy of the Catholic Church have disqualified themselves as leaders of the Church by their total lack of communication with the laity their outrages against children their failure to admit guilt or do penance for those crimes and their arrogance in electing themselves to the posts they hold without consulting the laity Their writ has expired Instead of elections which tend to divide people into warring camps this book recommends consensus decision making which draws on ancient Christian tradition to discern the Church s leaders What s in this book Church history and theology from a lay viewpoint the first practical handbook for lay reform of the Church a return to early Church custom before priesthood began mass and the sacraments restored to lay celebrations lay people returned to full membership in the Church the groundwork laid for the popular election of bishops the mass made widely available in the Third World women brought to the table now as mass presiders celibacy eliminated as a requirement for mass presiders Vatican II s promises fulfilled for the people of God for lay people a long sought control over hierarchy and an indispensable toolkit for committed Catholics

Practices of Dialogue in the Roman Catholic Church Bradford E. Hinze, 2006-01-01 *ECKM2010-Proceedings of the 11th European Conference on Knowledge Management* Eduardo Tomé, 2010

Leading the Congregation Norman Shawchuck, Roger Heuser, 2010-10-01 Leading the Congregation is a complete and definitive guide to the practice of church leadership The book describes essential paradigms for the leader that integrate spiritual integrity and service within a systems view of the congregation and its ministry This revised and updated version focuses on the challenges of congregational leadership in a culture that has fewer ties to Christian faith The authors lay out the dual contexts in which church leaders must function within the congregation and as the congregation s representative to the community and they explain the very different skill sets required to flourish in each Underlying the revised edition is an insistence on the congregational leader s call from God and cultivation of her or his relationship with God Leadership is not the same thing as charisma they explain it is rather a set of attitudes and practices that each of us can and must master if we are to be worthy servants of Christ

The Soul of Discernment Elizabeth Liebert, 2015-08-24 The Soul of Discernment provides concrete steps for groups of people who work together and need to make important decisions church sessions nonprofit hiring committees etc Liebert calls this process the Social Discernment Cycle a process for seeking God s call in a particular situation It is called social because it deals primarily with human communities in their social structural rather than interpersonal aspects Liebert explains It is a cycle because one

completed round of discernment prepares for the next The Social Discernment Cycle is particularly apt for any discernment that involves a structure system or institution This book helps groups work through this cycle to answer the question How is God leading us individually or together to act in this particular moment in our organization Principal as Managerial Leader United States Catholic Conference. Department of Education,1998-06 Addresses six competencies in personnel management seven in institutional management and four in finance and development Includes more than 150 sources in the bibliography *A Church on the Move* Joe Paprocki,2016-01-28 2017 Catholic Press Association Book Awards Second Place Pastoral Ministry IF FORMER CATHOLICS WERE CONSIDERED A DENOMINATION IT WOULD BE THE SECOND LARGEST DENOMINATION IN THE U S from A Church on the Move Many statistics on the Catholic Church today are sobering and the future of the Church can seem bleak indeed The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church But best selling author Joe Paprocki insists that there is good news with the right plans in place the Catholic Church and the local parish specifically will not only survive but thrive A Church on the Move offers 52 practical strategies for moving parishes forward principally by focusing on the one thing the Church can offer that the world at large cannot Jesus Christ Each chapter begins with a quote from Pope Francis and each helpful strategy falls within one of five key categories how a Church on the move thinks functions worships forms disciples and engages the world Every chapter takes an honest look at a particular problem in the Church before moving to a creative redemptive and achievable solution A Church on the Move brings to the parish level the great themes of Pope Francis papacy mission mercy and evangelization and replaces despair with a profound hope for the future of the Catholic Church Encyclopedia of Group Processes and Intergroup Relations John M Levine,Michael A. I Have Called You Friends Kevin L. Thew Forrester, 2003-08-01 I do not call you servants any longer because the servant does not know what the master is doing but I have called you friends because I have made known to you everything that I have heard from my father John 15 15 These words of Jesus to his disciples teach that the mutuality of friendship is at the heart of a Christian community When baptized into that community we accept this mutuality and desire to serve others Kevin Thew Forrester says We can go so far as to say that to be a member of the community entails being a minister Baptism and ministry are two sides of the same coin This ministry is the responsibility of all baptized members of the church not merely the ordained Drawing on experiences of the people in the Episcopal Diocese of Northern Michigan the author challenges the whole church to seek this mutual ministry as the key to its future health and mission
