Love To Christ Necessary To Escape The Curse At His Coming:

Love to Christ Thomas Doolittle, 2020-07-21 Thomas Doolittle 1632 1707 was an English Puritan who loved the Lord Jesus Christ with all his heart soul mind and strength Typical of the Puritan style Doolittle digs into the reader's heart and mind with the power of the Spirit exposing excuses failures self deceptions and influences of the world to bring the repentant sinner back to the Lord Jesus where he belongs And ever faithful to the Biblical text he reveals what will happen to those who hold Jesus Christ in contempt through word thought or deed Doolittle plumbs the depths of the glory and majesty of Christ's works With all these treasures made plain in the testimony of Scripture the author lays before us the riches of the Father's Treasures in his beloved Son This vision this hope that Doolittle could see so clearly is what drives the Christian to true love for the Savior

Love to Christ, necessary to escape the curse at His coming Thomas Doolittle, 1830 *The Two Thousand Confessors of Sixteen Hundred and Sixty-two* Thomas Coleman, 1860 *The Two Thousand Confessors of Sixteen Hundred and Sixty-two* Thomas Coleman (Independent Minister.), 1861 [The Wickedness, Humiliation, Restoration and Reformation of Manasseh](#) C. Matthew McMahon, 2019-03-15 Why study the life of Manasseh who was such a wicked and deplorable man Aside from the thief on the cross who hung there next to the Christ Manasseh is the other near deathbed convert that one finds in Scripture Manasseh ought to hold a special place to two kinds of people who read the Bible The first is the sinner who thinks they have sins that are bigger than Christ is a Savior They are timid to come to the Savior believing that God might not save such a lost person as they are And the second are believers who wonder how their sinning after conversion affects their standing before God robbing them of the full assurance of faith that they should have in Christ God worked in the life of one of the most wretched people who ever lived and the narrative in 2 Chronicles 33 shows how a despicable heathenish dog can be converted and changed by the abundant power of Jesus Christ through the Covenant of God's free Grace As wicked as Manasseh might have been God still reached down from heaven to change him save him reconcile him and begin reformation not only of his own life but life in the church at large Consider that God saved a wretch like Manasseh from sin and hell as abominable as he was and abundantly pardoned him through saving grace only found in Jesus Christ Such a truth should give sinners hope and give Christians a reason to cultivate a greater amount of godly assurance as they walk through the journey of this life before the face of God Study Questions follow at the end of the work

Slaying Dragons Daniel Kolenda, 2020-01-07 The real fight is the one you can't see The supernatural realm is very real and it directly impacts our day to day lives Often spiritual battles lie behind our everyday struggles Though the spiritual world is invisible we are not unaware of the enemy's schemes Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ With doctrinally sound practical teaching Slaying Dragons shows how the demonic realm fits into orthodox thoughts on salvation redemption and kingdom life Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter

It also contains real world examples of encounters with spiritual darkness demonstrating examples of how the light shines in the darkness and the darkness has not overcome it John 1 5 NIV It s easy to lose sight of the big picture as we focus on our everyday struggles But our daily battles are part of a much bigger war and we have been given all we need to win Slaying Dragons will show readers what the enemy is trying to accomplish and how they can slay every dragon they encounter in their lives and in the world This book will teach you to see and overcome the spiritual battles behind your everyday struggles Also Available in Spanish ISBN 978 1 62999 283 9 Other Books by Daniel Kolenda Live Before You Die 2013 ISBN 978 1616387167

A Call to Delaying Sinners Thomas Doolittle, C. Matthew McMahon, 2020-06-29 Thomas Doolittle 1632 1707 was a faithful servant of Jesus Christ and preacher of the Gospel whose preaching and writing were used to awaken many sinners to the religious business of eternal life and eternal death This work really needs no introduction it would be enough just letting Rev Doolittle loose on your soul It is a puritan gem few of which exist and have been republished in this format This treatise was originally a series of sermons preached to his congregation which he then took and combined into the present treatise There are 8 sermons each building upon the former and all surrounding the need to hasten and come to Jesus Christ quickly They are succinct biblically sound filled with pastoral concern but equally commanding and authoritative His central text is taken from Psalm 119 60 I made haste and delayed not to keep thy commandments The sermons cover his main doctrine that what the blessed and eternal God commands us to do is to be done with all possible speed with all haste without delay Doolittle utilizes his time to deal practically with calling unconverted sinners to come to Christ how that should be accomplished and also directing converted sinners to make the most of their time since God has in fact saved them graciously

Joseph's Resolve and the Unreasonableness of Sinning Against God C. Matthew McMahon, 2020-06-16 One of the greatest depictions of God s providence in Scripture is the historical narrative of Joseph who was sold into slavery and worked under Potiphar the chief steward of Pharaoh Within the course of this narrative while Joseph is in his house Potiphar s wife comes to him many times to lure him off to sin in one of the most bold and forthright temptations to be recorded anywhere in the Bible She had longing wandering eyes and comes to tempt him assaulting him day by day constantly and audaciously Joseph s reaction to this wicked assault is an instant refusal to the temptation How then can I do this great wickedness and sin against God Gen 39 9 What biblical directives can be found in this amazing statement of holiness and godliness From this one text McMahon meticulously explains how Joseph s victory over temptation against Potiphar s wife can be used by the believer today for their own victory to the glory of Jesus Christ Christians need to be prepared to deal with temptation in a manner in which they will be victorious in the power of Christ s Spirit But they can only do this if they understand what Joseph understood in regards to God temptation and the heinous nature of sin He covers such topics as the great evil of sin the relationship between sin and God s holiness how to live faithfully before God s omniscience and omnipresence the nature and character of temptation what it means to resist temptations how holy fear aids the Christian in

light of temptation what the Spirit works in a Christian motioning them to holiness how one can cultivate a sensitivity to the Spirit's work the inconsistency in sinning against God how usefulness in God's kingdom is linked to holiness the power of Christ's Gospel as the full remedy to temptation and sin as well as a number of other important considerations He also includes a study on the hedge of protection that is mentioned in Job 1:10 as an appendix to the work This book faithfully explains and applies Genesis 39:9 demonstrating Joseph's godly resolve and the unreasonableness of sinning against God Here you will find what steps you can take following devout Joseph to keep yourself from falling into sin through the craftiness of temptation that you may bring the most glory to Jesus Christ in your walk before God **God's Unfaithful**

Wife Raymond C. Ortlund, 2016-02-10 Raymond Ortlund's contribution to the New Studies in Biblical Theology series argues that the vision of human marriage coming down to us through the book of Genesis provides a hermeneutic key for understanding Israel's historical relationship with God and Christ's ultimate transforming relationship with us **Jonathan**

Edwards on Worship Ted Rivera, 2010-07-01 The great American pastor theologian Jonathan Edwards remains undeniably relevant today more than 250 years after his death as attested by the unending flurry of articles books and dissertations treating him Despite this virtually nothing has been written concerning Edwards's views on worship a subject central to the Christian faith and certainly to Edwards himself This volume explores Edwards's perspective on both public and private dimensions of worship aspects of which rise from well understood Puritan categories and proposes the practice of self examination as a bridge between public and private devotion As Ken Minkema of the Jonathan Edwards Center at Yale writes in the foreword Ted Rivera's study is the first that systematically attempts to show us Edwards's views of worship and so represents an important resource for scholars and religious practitioners alike who are interested in liturgy the practice of piety and spiritual growth Through an engagement with Edwards's own words in letters notebooks and sermons we learn of Edwards's own spiritual life and of the nature of private and corporate devotion The Doolittle Family in America ..., 1901
