Lovers And Lesser Men:

Lovers and Lesser Men Irving Layton, 1973 Lovers and Lesser Man Irving Layton, *Kill Only Lesser Men* Art Marsicano, 2017-10-12 Italian and Irish criminals engaged in a brutal war for decades and it frequently involved the Church of Rome How will the Italian underworld react when the most influential Irish Catholic family in the world tries to elevate one of its own a United States senator to the most powerful office in the world President of the United States Anthony Martino a brilliant yet ruthless killer was called on to prevent the senator from becoming president Faced with the possibility of battling Irish criminals the FBI and members of the Irish Republican Army he decides to cooperate with the Irish In the end will he kill the senator anyway Irish politicians and Italian criminals had much in common the most obvious of which was their religion and the manner in which they practiced it embraced it and at times corrupted it for their own evil purposes The Italian Irish Church triangle of hypocrisy was held together by a desire for power Yet there were also a few good men especially some priests who were motivated by a simple desire for the greater good Thinking the triangle had done much that was of value they did their best to preserve it The Popes representative to the United Nations Archbishop Calogero Ferraro was one such priest Desperately wanting another Roman Catholic president he directs the Italians and the Irish to put aside their differences Will they cooperate or will the Italian Irish criminal war explode once again turning the senator and Anthony Martino into two of its victims **How to Pick a Lover** Wesley L. Ford, 2009-12-21 While it may be considered taboo any

woman married single or otherwise should feel good about her decision to take a lover How To Pick a Lover is a groundbreaking book written to help women have meaningful and rewarding love affairs How do you choose a lover There are no time honored rules Greek chorus or yenta to tell you what qualities to look for or how to avoid potential minefields Literature is ripe with cautionary tales about bad things that happen to good women who stoop to the folly of taking a lover And traditionally a womans sexuality has been secondary to that of a mans How To Pick a Lover takes you on a journey of self discovery exploring your right to emotional and sexual fulfillment including the option of having a lover Many of your attitudes and beliefs about courting and being courted will be challenged throughout the pages of this book In return you will gain insights into the attributes and behaviors of men positive and negative that you must pay attention to if you are to pick a lover that is right for you **Ennobling Love** C. Stephen Jaeger, 2010-08-03 Richard Duke of Aquitaine son of the King of

England remained with Philip the King of France who so honored him for so long that they ate every day at the same table and from the same dish and at night their beds did not separate them And the King of France loved him as his own soul and they loved each other so much that the King of England was absolutely astonished at the vehement love between them and marveled at what it could mean Public avowals of love between men were common from antiquity through the Middle Ages What do these expressions leave to interpretation An extraordinary amount as Stephen Jaeger demonstrates Unlike current efforts to read medieval culture through modern mores Stephen Jaeger contends that love and sex in the Middle Ages relate

to each other very differently than in the postmedieval period Love was not only a mode of feeling and desiring or an exclusively private sentiment but a way of behaving and a social ideal It was a form of aristocratic self representation its social function to show forth virtue in lovers to raise their inner worth to increase their honor and enhance their reputation To judge from the number of royal love relationships documented it seems normal rather than exceptional that a king loved his favorites and the courtiers and advisors clerical and lay loved their superiors and each other Jaeger makes an elaborate accessible and certain to be controversial case for the centrality of friendship and love as aristocratic lay clerical and monastic ideals Ennobling Love is a magisterial work a book that charts the social constructions of passion and sexuality in our own times no less than in the Middle Ages

Life and Love Judith Early,2002-12 It might almost seem that Judith Early was born in the wrong place at the wrong time She was born and raised in rural Alberta in a time and place where her radical views on religion health and the environment were not welcomed by the conventional conservatism of her community In the late 1970s she was advocating wheat grass and health food and concepts such as social and environmental responsibility in a town where ham and eggs were staples and the word cholesterol had not yet become part of the language Now in her late eighties after several decades of writing she has finally found an audience that is ready for her message Life and Love is the first of her books that she has decided to publish After reading Life and Love I felt refreshed Judith Early demonstrates the triumph of the will in the face of adversity and inspiration of the spirit that guides one to that deeper level of reality that exists beyond the pall of linear logical thought Her poetry reveals both beauty of nature and the spirit of God in harmonious surprising and inspiring verse that is both skillful and organic like a fine glass of wine to be sipped savoured and recalled to memory whenever we take the time to slow down and remember Orpheus Author of The Seven Secrets of the Ascended Masters
