Boursier, 2022-04-27 Using ethnographic research *Willful Ignorance: Overcoming the Limitations of Christian Love for Refugees Seeking Asylum* examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U.S. immigration policies and practices This multi-faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state-inflicted suffering at the U.S. Mexico border Helen T. Boursier examines the rationales Christian leaders use to justify the local church's nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church's firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love *The Sonnets* William Shakespeare, 2001-12-01 Together with *A Lover's Complaint* and little known alternative versions of four of the sonnets Edited with an introduction by Stanley Wells the most beautifully printed text available **Queen Kate, Or, A Wilful Lassie** Charles Garvice, 1894 *An Intentional Life* Andrew Fitz-Gibbon, 2012-10-17 Author Andrew Fitz-Gibbon writes These musings are something of a window on my spiritual and philosophical journey The journey did not begin recently nor does it end with the last of these reflections These serve as but a glimpse into my personal odyssey Though these reflections are not in any way polished philosophy nor systematic theology the careful reader will be able to piece together what I think about metaphysics what is the case epistemology how we know what we think we know ethics how we ought to live and aesthetics what is beautiful and why I comment also on understandings of God Christ Christianity the Buddha Daoism and interfaith dialogue *Intentional Disciple* Sherry Dale, 2020-09-17 I have never seen so much rich in depth content saturated with Scripture contained in a one

Intentional Living Andrea Jones Mullins,2011-06-01 How long has it been since you made an intentional decision that shaped your life Did that decision draw you closer to God or lead you away from Him This thought provoking book unveils God's intentional decision to place us here not so we could wander aimlessly but to include us in what He is doing As a result of this truth where we live how we live and why we live become matters of great importance Jesus lived intentionally He was sent into the world and has already walked where we are to walk He came to point the way to God to save and to serve As a

true Christ follower we should have the same mission Intentional Living will inspire you to begin applying this lifestyle philosophy by loving God with your whole being Intentionally commit to think with God's mind see through God's eyes embrace God's personality feel with God's heart tell God's story influence with God's light and serve with God's strength

Make It Intentional Barbette Spitler, 2016-02-01 If you are living life without purposeful intention then you are experiencing this existence essentially as a silver ball bouncing around inside the pinball machine of life Are you tired of the whacks bumps free falls and living at the mercy of the unknown operator of the flipper buttons Would you prefer a life filled with purposeful positive perspectives Are you ready to experience a new level of vitality that will open you up to experience a greater level of hope and empowerment You have the power Make It Intentional offers you a simple solution that can turn any trauma or drama into something much more helpful and healing Many are physically drained from the wounds and disempowerment of past events Some people can see no further than this perspective and thus they struggle to move forward By harnessing the power of positive perspectives you will have the unique ability to see and experience those past events differently allowing you to be free of the emotional wounding This will allow the disempowerment to also be resolved allowing you to be everything you desire The ripple effect of self empowerment is far reaching and worth every effort
