this is an anthology of love poems entitled MY LOVE containing both Verse and Prose poems In this book the readers and the poetry lovers will definitely be deeply moved by the magical and ecstatic feelings of the poet s heart All the poems represent the common human feelings especially the feelings of the human heart instead of mind Passions emotions desires affections ambivalence of love and longings are the key words exemplifying every line of the book The verse lines will definitely transcend the readers minds from this mundane world of reality to the world of transcendence     *The Kingdom of Love* Blanche Carrier,1927     **Love's Pure Flame** Thea Girard Marshall,2010-10-21 Lady Azalais daughter of a dead traitor whose lands are forfeit whose mother is forced by King Henry II to wed the victorious and vicious Sir Hugo du Champ is sent in disguise along with three falcons first to her cousin in Parthenay then to the court of Queen Eleanor in Poitiers The man chosen by her mother to take the falcons and Azalais is the troubadour Sir Gervais du Quercy notorious throughout the Limousin one of the many landless younger sons of the Occitan who must live by his skills with sword and song Azalais is irresistibly attracted to him and he too finds himself falling in love but with Azalais s beautiful cousin Argentine Wound together first at the court at Poitiers in a life of love intrigue and tournaments of arms and poetry entangled by desire then separated by a war of rebellion can true love triumph or will all be destroyed in Love s Pure Flame     *Dreams of Love* Ivan Raykoff,2014 *Dreams of Love* pursues a wide ranging interdisciplinary approach to understanding the concert pianist as a Romantic and seductive even erotic figure in the popular imagination focusing on the role of technology in perpetuating this mythology over the past two centuries through the touch sights and sounds of the pianist s playing     Heavenly Love? Gabriele Griffin,1993     Passionate Impressions in Love's Reflection Cherie Leigh,2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic I am not sure what instigated my sentimentality over love and romance but I have an affinity for all things that exhibit the beautiful qualities of passion The incredible holding power of love should not be taken for granted even as it can either profoundly entice or greatly elude The full effects of love s intensity move me with deep appreciation Some may say that I live in a fantasy world with my notions about romantic love but I don t let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love s painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us about its purpose as the most powerful force in existence Since the beginning of time as we know it it has lived and breathed its testimony serving to inspire This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me I have always enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps
