Pool, 2010-01-01 This book constitutes the second volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering vol 2 Evil and Divine Suffering The larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume of studies proceeds on the basis of the presuppositions of this symbol those implicit attestations that provide the conditions of possibility for divine suffering that which constitutes divine vulnerability with respect to creation as identified and examined in the first volume of this project an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love The second volume then investigates the first two divine wounds or modes of divine suffering to which the larger family of testimonies to divine suffering normally attest 1 divine grief suffering because of betrayal by the beloved human or human sin and 2 divine self sacrifice suffering for the beloved human in its bondage to sin or misery to establish the possibility of redemption and reconciliation Each divine wound thus constitutes a response to a creaturely occasion The suffering in each divine wound also occurs in two stages a passive stage and an active stage In divine grief God suffers because of human sin betrayal of the divine lover by the beloved human divine sorrow as the passive stage of divine grief and divine anguish as the active stage of divine grief In divine self sacrifice God suffers in response to the misery or bondage of

the beloved human s infidelity divine travail focused on the divine incarnation in Jesus of Nazareth as the active stage of divine self sacrifice and divine agony focused on divine suffering in the crucifixion of Jesus of Nazareth as the passive stage of divine self sacrifice God's Wounds Jeff B Pool, 2011-07-28 God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering Volume II Evil and Divine Suffering is the second of a three volume study of Christian testimonies to divine suffering The larger study focuses its inquiry on the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely The goal is then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God This second volume proceeds on the basis of the presuppositions of the symbol those implicit attestations that permit the possibility of divine suffering that which constitutes divine vulnerability with respect to creation The author investigates two divine wounds or modes of divine suffering to which the larger family of testimonies normally attest 1 divine grief or suffering due to human sin or betrayal by the beloved human and 2 divine self sacrifice or suffering for the beloved human in its bondage to sin or misery so as to establish the possibility of redemption and reconciliation The Royal Twins and the **Unforgiving Princess** Solange Daye, 2025-02-23 You can t reject them They are royals That is not a law I cross my arms over my chest As soon as they acknowledge the bond between us I will reject them Mom takes another swig of the drink in her hand You can t You are special Nyx doesn t make me special I hiss She makes me weird I heard that Nyx replies from the other side of the room For as long as Macy can remember Nyx has been in her mind or by her side Unlike other werewolves Macy was gifted at birth with an ancient wolf who has lived many lives It is both a blessing and a curse Nyx being in her life has made it difficult for her to fit in and she has remained an outcast To top it off a damning prophecy hangs over Macy s head Either she tames her mates the Royal Twins or death and destruction will come to pass There is only one problem She hates them and they hate her Years of torment and being called Crazy Macy has driven a wedge between them that cannot be removed or repaired Macy isn t the only one with problems The Royal Twins are keeping secrets of their own and are trying to find a way to find others like them Little do they know they need Macy as much as she needs them With the world at stake the three of them will need to put their differences behind them **Viva Lost David** Jacob Orenge, 2010-01-19 David Vermillion doesn't own an iPod He never sends text messages His taste in music is suggestive of someone twice his age He's more of an old soul than a Child of the Eighties Nevertheless David graduates from NYU with honors certain a big impactful future law school City Council maybe even Mayor is awaiting him But when the newly graduated David seeks employment in a jobless market he s quick to panic He fears he has nothing to show for his hard work but a wasted youth Enter Boy Red an up and coming nightclub promoter Fascinated by Boy Red's perpetual adolescence David follows Boy Red all the way to the bright lights of Las Vegas But when Boy Red disappears David is forced to reclaim his youth alone On his journey David
