**Reflections of a Peacemaker** Mattie J.T. Stepanek,2010-04-22 Mattie J T Stepanek lived and died a child but he had the spirit of a giant Affected by a rare and fatal neuromuscular disease Mattie lived almost fourteen years but in that time became a poet best selling author peace activist and a prominent voice for the Muscular Dystrophy Association Before his death in June 2004 his five volumes of Heartsongs poetry sold more than a million copies Reflections of a Peacemaker A

Portrait Through Heartsongs is the final collection of Heartsongs that Mattie was working on when he died. It includes the last poem Mattie penned along with a special collection of unpublished poetry, photographs and artwork spanning the decade from when he began writing Heartsongs at age three. Culled from the thousands of poems, essays and journal entries Mattie left behind, the entries in *Reflections of a Peacemaker* create a portrait of Mattie in his own words. In these poems, he explores disability, despair and death, but also the gifts he finds in nature, prayer, peace and his belief in something bigger and better than the here and now. The poems are grouped by theme, such as playful, stormy, sacred and final Heartsongs, with each section introduced by a personal tribute from the likes of Maya Angelou, Oprah Winfrey, Larry King and former President Jimmy Carter. In the words of Mattie's mother, Jeni Stepanek, who has published *Reflections of a Peacemaker* at her son's request: "In reading these poems, we enter Mattie's world and gain insight through a child who somehow balanced pain and fear with optimism and faith."

**The Spirit of the Quakers** Geoffrey Durham, 2010-11-16 Who are the Quakers? What do they believe and what do they practice? The Religious Society of Friends, also known as Quakers, believes that everyone can have a direct experience of God. Quakers express this in a unique form of worship that inspires them to work for change in themselves and in the world. In *The Spirit of the Quakers*, Geoffrey Durham himself, a Friend, explains Quakerism through quotations from writings that cover 350 years, from the beginnings of the movement to the present day. Peace and equality are major themes in the book, but readers will also find thought-provoking passages on the importance of action for social change, the primacy of truth, the value of simplicity, the need for a sense of community and much more. The quoted texts convey a powerful religious impulse, courage in the face of persecution, the warmth of human relationships and dedicated perseverance in promoting just causes. The extended quotations have been carefully selected from well-known Quakers such as George Fox, William Penn, John Greenleaf Whittier, Elizabeth Fry and John Woolman, as well as many contemporary Friends. Together with Geoffrey Durham's enlightening and sympathetic introductions to the texts, the extracts from these writers form an engaging, often moving guide to this accessible and open-hearted religious faith.
