Loving Gertrude Stein:

Loving Gertrude Stein Deborah Schnitzer, 2004 In this long layered poem noted scholar Deborah Schnitzer conducts an examination of identity and motherhood by building a discourse around the life and work of Gertrude Stein In Loving Gertrude Stein Stein s life becomes intertwined with that of Schnitzer's narrator and the resulting exploration considers the influence and importance Stein's work has had not only for the narrator but for women in general Both those who have an interest in Stein's life and work and those who come to know her through this book will be rewarded on many levels not the least of which being Schnitzer's rich use and mapping of the language that she uses to create a discourse with this venerable icon of women s literature Loving Robert Lowell Sandra Hochman, 2017-06-27 Turner Publishing proudly presents the first of three new literary works by Sandra Hochman author of Walking Papers When asked in 1976 by a reporter from People Magazine if her first two novels were autobiographical Sandra Hochman replied My real life is much more fabulous than the books One day I plan to write about it men Paris and women's liberation It will probably be called Unreal Life Hochman first met Pulitzer Prize winning American poet Robert Lowell in 1961 at the Russian Tea Room in New York She was to interview him for Encounter magazine Hochman was twenty five and had recently returned from Paris where she had lived with her husband for four years They were now separated Lowell was forty three with plans to leave his wife Hochman remembers it as the day that changed her life The two poets fell in love instantly and before the night was over they had vowed to stay together forever In Hochman's first literary work in almost forty years she writes in startling detail about the torrid and ultimately doomed affair that would follow Loving Repeating Frank Galati, Gertrude Stein, 2009-08-06 A new musical about Gertrude Stein by a Tony Award winning director Love's Litany Kevin Kopelson, 1994 This is an extensive analysis of the relation of erotic philosophy to homosexuality in the modern period The book focuses on homoerotic mis approriations and subversions of homoerotic conceptions of romantic love in texts by eight authors Oscar Wilde Andre Gide Ronald Firbank Virginia Woolf Gertrude Stein Marguerite Yourcenar Mary Renault and Roland Barthes In doing so the author both positions these authors as experimental and influential erotic theorists and protests against the critical undervaluation of love as opposed to desire in the construction of sexuality as we know it Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg, 2019-06-11 A fabulously off beat collection of short stories about love the best and worst thing in the universe written by the creator of BoJack Horseman with his hallmark scathing dark humor Transcendent tragicomedy Prepare to be devastated and made whole again The A V Club Featuring A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding A pair of lonely commuters who ride the subway in silence forever eternally failing to make that longed for contact A struggling employee at a theme park of U S presidents who discovers that love can t be genetically modified And fifteen more tales of humor romance whimsy cultural commentary and crushing emotional vulnerability Love Signs and You Rochelle

Gordon, Nadia Stiegltz, 2003 Love Signs and You is the definitive volume of romantic astrology Why Love Leads to Justice David A. J. Richards, 2016 This book tells the stories of notable historical figures whose resistance of patriarchal laws transformed ethical political and legal standards (Sem)Erotics Elizabeth Meese, 1992-07 What is at stake in the production of experimental texts by lesbian writers what motivates these writers and characterizes their work In this work Elizabeth Meese examines the ways in which the experiences of the text and the experiences of character diverge and Baby Precious Always Shines Kay Turner, 1999-12-21 Off and on during the converge wit the writer s own biography entire period they were together Gertrude and Alice wrote each other little love notes Calling her wifey and most often addressing her as baby precious Stein scribbled her love for Toklas in quick moments of unselfconscious desire notes that are small but significant testimonies to her long lived love And on occasion Toklas penned or typed letters back to her husband These notes are brief mantra like enticements tender beseeching caring and confessing funny and game sexually charged and sincere quotidian and gueer but always passionate Each one marks the pleasures infrequently the pains of married love When fitted together the notes create a tantalizing mosaic of a marriage between two women that was built to last **Grand Valley** Morgan Meis, 2025-08-26 In the final absorbing volume of his Three Paintings Trilogy philosopher and critic Morgan Meis explores the art of Joan Mitchell and in particular one of her crowning achievements the Grand Valley series Mitchell a twentieth century American artist who found herself living and working in France is a figure of contradictions at once formidable and fragile solitary and hungry for human connection The Grand Valley paintings born from a memory not her own become a focal point for understanding Mitchell's approach to abstraction and landscape Meis examines the pain and at times even violence within Mitchell's work connecting it to her turbulent life and the critical interpretations of her art including her struggle to be treated as seriously as her male peers As with the previous acclaimed volumes in this trilogy Meis begins with a work of art and moves outward toward history philosophy and religion to provide context and insight With his characteristically disarming wit and linguistic playfulness Meis investigates the idea of the artist's self drawing upon the mystical aspects of Carl Jung s thought and discovering parallels between Mitchell and obsessive creators like Claude Monet and Gertrude Stein Humorous and accessible yet always willing to grapple with the most vexing and challenging issues of human finitude The Grand Valley brings an innovative trilogy to a rich and satisfying conclusion Leslie Marmon Silko's Ceremony Allan Chavkin, 2002-01-24 Leslie Marmon Silko's Ceremony the most important novel of the Native American Renaissance is among the most most widely taught and studied novels in higher education today In it Silko recounts a young man's search for consolation in his tribe's history and traditions and his resulting voyage of self discovery and discovery of the world The fourteen essays in this casebook include a variety of theoretical approaches and provide the reader with crucial information especially on Native American beliefs that will enhance their understanding and appreciation of this contemporary classic The collection also includes two interviews with Silko in which she explains the importance of the oral

tradition and storytelling along with autobiographical basis of the novel **Hemingway on Love** Robert W. Lewis, 2014-08-04 Love was a central theme of Ernest Hemingway's major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway's later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition. The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway s early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote The Old Man and the Sea his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world **Love** Robert C. Solomon, 2010-12-08 Love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won t always be easy in fact it s sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex and Gender What s So Good About Love Voices Made Flesh Lynn C. Miller, Jacqueline Taylor, M. Heather Carver, 2003 Voices Made Flesh includes scripts and essays about performances of the lives of women such as Gertrude Stein Georgia O Keeffe and Anus Nin which consider issues that arise when a woman represents another woman's life In the second section seven performers tell their own stories engaging issues of sexual orientation ethnicity race loss of parent disability life and death Voices highlights
