Loving Me The Sisterfriends Guide To Being Single And Happy:

Loving Me Claudette Elaine Sims,1999 **Sole Sisters** Deborah Mathis,2009-03-01 The news is not good for black women when it comes to finding a partner Where not long ago there were roughly two married women to every single woman those numbers have gradually reversed over the past few decades now more than 60 percent of black women have either never married or are divorced These numbers are far greater than those of any other social group and the trend shows no sign of reversing Mathis brings the skills of an astute veteran journalist and the passions of an attentive and articulate storyteller to uncovering the truths in single black women s lives today **Sole Sisters** is certain to ignite public debate on how and why so many black women remain single and spark discussion as to what semi permanent singlehood means for so many

Today's Black Woman ,1999 Ebony ,1999-08 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Ebony ,1999-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The End of Blackness* Debra J.

Dickerson,2008-12-10 Debra Dickerson pulls no punches in this electrifying manifesto Outspoken journalist and author of the critically acclaimed memoir *An American Story* she challenges black Americans to stop obsessing about racism and start focusing on problems they can fix The way out of the ghetto she asserts is to take a good hard look in the mirror Get angry Dickerson says but use that anger to fuel excellence and civic participation rather than crime or drug addiction Drawing richly on black history and thought as well as her own hard won wisdom she urges blacks to let go of the past and claim their full freedom It s only by shaping their own future she argues that blacks will finally abolish the myth of white superiority

Woman - How to Love Yourself and Enjoy Your Freedom Phoenix Henry, 2017 So many women believe that their happiness is tied to being in a relationship I used to be one of those women and I felt like a complete failure each time a relationship ended and I found myself being single again The failure to find happiness on our own is deeply rooted We re thought from childhood that we need a husband and a family Women that don t achieve those two and women that aren t interested in being married are often perceived as unhappy and certainly unsuccessful These numerous expectations burden girls heavily They search for the ideal relationship jumping from partner to partner and hoping each time that it would last forever Some are so afraid of being single that they d agree to just about any partner in order to avoid the loneliness and the social stigma yes it s real especially past a certain age The aim of this book is to teach ladies how to find excitement and joy in being single A single woman can travel she can date numerous fun men she can go wild and invest in the relationships she has with herself her family and her friends If you re a single girl who s experiencing doubt this book is the right one for you It will show you that being on your own is fun and it can lead to increased self awareness and better understanding about what you want from a relationship
