## **Low Key Politics Local Level Leadership And Change In The Middle East:**

**Low-key politics** Richard T. Antoun,1979 Low-Key Politics Richard T. Antoun,1979-01-01 Study of a Jordanian village focusing on the choice of available political strategies *Local Politics And Development In The Middle East* Louis J. Cantori,2019-02-26 Although development at the local level is a primary goal of most assistance schemes most development agencies and banks know little of politics at the local level in developing countries As a result assistance programs generally lack relevance to indigenous populations and are at the community level viewed as being controlled from the outside The authors of this book concentrate on how local politics influence development in the Middle East with the intent of encouraging more appropriate and thus more effective assistance programs They discuss general policy issues and the nature of center periphery relations in Middle East countries and delve into specific problems encountered in Egypt Jordan Lebanon Syria Iraq Turkey Tunisia and North Yemen showing how information about local political schemes can aid administrators of development programs in providing assistance that is acceptable and accepted at the local level The case studies provide a broad base for planning encompassing capitalist state capitalist and socialist systems in both rural and urban settings **Local Politics and Contemporary Transformations in the Arab World** M. Bouziane,C. Harders,A. Hoffmann,2013-10-03 The contributors link innovative analytical concepts and ethnographic in depth case studies from the Arab world Based on the debates on politics from below and dynamic concepts of state all the chapters focus on informal institutions non elite actors and the dynamic and contradictory relationship between state and society **People, Land and Water in the Arab Middle East** William Lancaster,Fidelity Lancaster,2013-07-04 The result of twenty five years of research with different tribal groups in the Arabian peninsula this study focuses on ethnographic descriptions of Arab tribal societies in five regions of the peninsula with comparative material from others Having become aware of the depth in time of Arab tribal structures the authors have developed a view of Arabic tribal discourse where tribe is seen as essentially an identity that confers access to a social structure and its processes *Cultural Anthropology of the Middle East* ,1992 During the last two decades the number of anthropological studies on the Middle East has increased exponentially This partially annotated bibliography offers a comprehensive survey of studies written in English French and German and covers the period from 1965 to 1987 **Administration and Development in the Arab World** Jamil Jreisat,Zaki R. Ghosheh,2016-03-22 This book first published in 1986 examines the literature on administration human resources and development in the Arab world It emphasizes contemporary societies and their internal dynamics the least known and most critical aspects of Arabic studies Cultural Anthropology of the Middle East, A Bibliography, Volume 1 Cultural Anthropology of the Middle East 1965-1987 Strijp,2021-12-06 During the last two decades the number of anthropologists conducting research in the Middle East has increased considerably Together they have produced an abundance of valuable studies often based on prolonged periods of ethnographic fieldwork This bibliography offers a comprehensive survey of their results published between 1965 and 1987 It

refers to studies published in English French and German Geographically the bibliography covers the area from Mauritania in the West to Afghanistan in the East and from Turkey in the North to the Arab Peninsula and Northern Sudan in the South The majority of studies inserted has been written by anthropologists Besides a considerable number of studies related to anthropology but published by non anthropologists has been integrated as well The majority of the monographs and volumes has been annotated

**The Middle East Today** Don Peretz,1994-04-30 In this completely updated sixth edition Peretz offers a comprehensive introduction to the history politics and contemporary life of the Middle East This is the book for those who have little or no previous academic background to the region Since its initial publication in 1963 this definitive survey has been widely acclaimed and frequently used in history and political science classes As with previous editions this volume offers a basic understanding of the forces that shape life and politics in Israel Egypt Iran Iraq Lebanon Jordan Syria Turkey Saudi Arabia and the Gulf States and is up to date through the September 1993 Israeli P L O accords

**Arab Masculinities** Konstantina Isidoros,Marcia C. Inhorn,2022-01-04 Arab Masculinities provides a groundbreaking analysis of Arab men s lives in the precarious aftermath of the 2011 Arab uprisings It challenges received wisdoms and entrenched stereotypes about Arab men offering new understandings of masculinity across the Middle East and North Africa The 10 individual chapters of the book foreground the voices and stories of Arab men as they face economic precarity forced displacement and new challenges to marriage and family life Rich in ethnographic details they illuminate how men develop alternative strategies of affective labor how they attempt to care for themselves and their families within their local moral worlds and what it means to be a good son husband father and community member Arab Masculinities sheds light on the most private spaces of Arab men s lives offering stories that rarely enter the public realm It is a pioneering volume that reflects the urgent need for new anthropological scholarship on men and masculinities in a changing Middle East

Religion and Politics in Muslim Society Akbar S. Ahmed,1983-10-28 This analysis of Muslim unrest is based on an extended case study of northwestern Pakistan Professor Ahmed examines power authority and religious status as the critical intermediary level of society that of the district or Agency which was the key unit of administration in British India Ahmed has joined his insights as anthropologist with his experience as a political agent in Waziristan to produce an innovative and detailed work The book focuses on the emergence of a mullah in Waziristan who challenges the state A religious leader s challenge of the state is not new but contemporary Muslim society s widespread concern over these conflicts reveals that the influence of religion in a traditional society undergoing modernization is greater than many scholars have assumed The author identifies three types of leaders traditional leaders usually elders representatives of the established state authority and religious functionaries From this analysis he constructs an Islamic district paradigm which he uses not only in making sense of contemporary Muslim society but also in understanding some aspects of the legacy of the colonial encounter

**Spoils of War in the Arab East** Aziz Al-Azmeh,Harout Akdedian,Haian Dukhan,2024-01-11 Post conflict scenarios are

often proposed for Arab countries that have witnessed significant changes and civil wars Yet the plans for reconciliation transitional justice and the return of the displaced often overlook the real conditions that make these recommendations impossible This book provides a critical analysis of current post conflict frameworks for Syria and Iraq Drawing on empirical research the book shows that reconciliation and reconstruction scenarios need to be considered alongside the realities on the ground It argues that Iraq and Syria exist in a condition of conflict transformation rather than of conflict termination because the extreme changes that accompanied these countries into war continue long after the conflicts end Furthermore the chapters highlight why experts should not seek solutions in culturalist terms and ancestral enmities or rely on the wartime status quo Rather they should look to the specific military political economic and socio cultural conditions that require different solutions A critical analysis of existing post conflict frameworks their applicability and their potential outcomes in Iraq and Syria the book is a vital contribution to post conflict studies It highlights the need for new approaches to reconstruction and peacebuilding in Arab countries and points to how they should be found

*Resistance and Control in Pakistan* Akbar S. Ahmed, 2004 In this extraordinary book one of the world's leading authorities on Islam explains what is happening in the Muslim world today and assesses the underlying causes

**The Middle Eastern Village** Richard Lawless, 2023-05-31 Rapid and uneven change to the fabric of rural life is widespread in modern Middle Eastern countries Modernisation usually in the Western model has often brought major improvements in agricultural technology education and public health but has also had the effect of weakening the traditional rural economy of many villages and encouraging their growing dependence on external sources of income most notably oil remittances This collection of research on the Middle Eastern village looks at the impact on rural life and environment of such factors as the mass exodus of labour to urban centres emigration immigration environmental change and the changing role of women in rural communities particularly the wives of migrant workers who have to fill a new role in the family structure State sponsored agrarian policies have weakened the power of traditional landed interests and together with labour migration have provoked new tension and inequalities in rural society The book makes clear that the pattern of change has been highly uneven and has served to heterogenise the countryside As the oil states enter a period of recession and the likelihood of substantial return migration increases rural communities will need to make further major adjustments and the book examines the tensions this new development is likely to produce First published in 1987

**Days of Revolution** Mary Elaine Hegland, 2013-10-30 Outside of Shiraz in the Fars Province of southwestern Iran lies Aliabad Mary Hegland arrived in this then small agricultural village of several thousand people in the summer of 1978 unaware of the momentous changes that would sweep this town and this country in the months ahead She became the only American researcher to witness the Islamic Revolution firsthand over her eighteen month stay Days of Revolution offers an insider's view of how regular people were drawn into experienced and influenced the 1979 Revolution and its aftermath Conventional wisdom assumes Shi'a religious ideology fueled the revolutionary movement But

Hegland counters that the Revolution spread through much more pragmatic concerns growing inequality lack of development and employment opportunities government corruption Local expectations of leaders and the political process expectations developed from their experience with traditional kinship based factions guided local villagers attitudes and decision making and they often adopted the religious justifications for Revolution only after joining the uprising Sharing stories of conflict and revolution alongside in depth interviews the book sheds new light on this critical historical moment Returning to Aliabad decades later Days of Revolution closes with a view of the village and revolution thirty years on Over the course of several visits between 2003 and 2008 Mary Hegland investigates the lasting effects of the Revolution on the local political factions and in individual lives As Iran remains front page news this intimate look at the country s recent history and its people has never been more timely or critical for understanding the critical interplay of local and global politics in Iran

**Culture and Political Change** Myron Joel Aronoff, The burgeoning field of political anthropology has as its essential purpose examining the relationship between the exercise of power and the uniqueness of cultural forms Culture and Political Change emphasizes interdisciplinary semiotic and phenomenological approaches to the relationship between political change and the durability of such cultural forms as drama symbol myth ritual and religion Leading anthropologists and political scientists present case studies illuminating the complex causes and nature of political change

**Creating Consent in an Illiberal Order** Jessica Watkins, 2022-06-09 Explores low policing of interpersonal disputes in Jordan to show the inconspicuous methods the state uses to maintain social order

Documenting Transnational Migration Richard T. Antoun, 2005-07-01 Most studies on transnational migration either stress assimilation circulatory migration or the negative impact of migration This remarkable study which covers migrants from one Jordanian village to 17 different countries in Europe Asia and North America emphasizes the resiliency of transnational migrants after long periods of absence social encapsulation and stress and their ability to construct social networks and reinterpret traditions in such a way as to mix the old and the new in a scenario that incorporates both worlds Focusing on the humanistic aspects of the migration experience this book examines questions such as birth control women s work retention of tribal law and the changing attitudes of migrants towards themselves their families their home communities and their nation It ends with placing transnational migration from Jordan in a cross cultural perspective by comparing it with similar processes elsewhere and critically reviews a number of theoretical perspectives that have been used to explain migration

*The Great Syrian Revolt and the Rise of Arab Nationalism* Michael Provence, 2009-09-17 A historical study of the 1925 revolt against French rule in Syria and how it established a new popular nationalism that helped shape the Middle East The Great Syrian Revolt of 1925 was the first mass movement against colonial rule in the Middle East Mobilizing peasants workers and army veterans it was also the region s largest and longest lasting anti colonial insurgency during the inter war period Though the revolt failed to liberate Syria from French occupation it provided a model of popular nationalism and resistance that remains potent in the Middle East today Each subsequent Arab

uprising against foreign rule has repeated the language and tactics of the Great Syrian Revolt In this work Michael Provence uses newly released secret colonial intelligence sources neglected memoirs and popular memory to tell the story of the revolt from the perspective of its participants He shows how Ottoman subsidized military education created a generation of leaders who rebelled against both the French Mandate rulers of Syria and the Syrian elite who helped the colonial regime This new popular nationalism was unprecedented in the Arab world Provence shows compellingly that the Great Syrian Revolt was a formative event in shaping the modern Middle East     *The New Blackwell Companion to the Sociology of Religion* Bryan S. Turner,2010-03-02 Reflecting the very latest developments in the field the NewCompanion provides a comprehensive introduction to the sociology of religion with a clear emphasis on comparative and historical approaches Covers major debates in secularization theory rational choice theory feminism and the body Takes a multidisciplinary approach covering history sociology anthropology and religious studies International in its scope covering American exceptionalism Native American spirituality and China Europe and Southeast Asia Offers discussions on the latest developments including megachurches spirituality post secular society and globalization
