EXCERPT FROM Homecoming Loretta Wiseman moved the coconut cake one more time It took up almost a whole shelf in the refrigerator Thank goodness tomorrow is Homecoming Sunday she thought I won't have to shift the milk carton and tea pitcher around this Tupperware cake holder anymore Folks at Bethel Baptist looked forward to Loretta's coconut cake on Homecoming Sunday Tuesday night she had mixed the shredded coconut sugar and sour cream On Wednesday she made the cake layers and stacked them with the coconut filling Then it was a four day wait Keeping her husband Luke away from the cake was almost as much trouble as making room for it in the refrigerator Loretta pulled a package of Mom Pops country ham from behind the Tupperware cake cover She balanced it on a carton of eggs in her right hand and closed the refrigerator Loretta had worked at The Posy Patch until noon Saturday was usually her day off but there was a big funeral at the Presbyterian Church tomorrow She had spent the morning making the casket spray of red roses and baby's breath It was one of the biggest ones she had ever done Loretta filled a pot with water and placed it on the large rear burner of her aging electric stove She punched the high button The eggs could boil while the ham was frying Tomorrow morning she would get up early to devil the eggs bake biscuits for the ham and cook two packages of lima's she had frozen back in July Mandy her daughter would be coming tomorrow morning with her fruit salad Mandy lived in Winston Salem with her boyfriend Richard Loretta and Luke liked Richard a Wake Forest Law School graduate but they did not approve of Mandy living with him Four years ago when Mandy told her parents she was moving into Richards new house Loretta and Luke had raised a fuss It was worse than when Mandy decided to transfer from a small Baptist college to the University in Chapel Hill That university was where she picked up so many of her liberal ideas Mandy came home telling Loretta and Luke which wine to drink with chicken pork or beef Iced tea or strong coffee had always been good enough for them She talked about abortion rights women's rights and gay rights Luke and Loretta thought she sounded like a leftist Their daughter did have a good paying job

thanks to the interview her college arranged with a bank Until she landed that position Mandy had vowed she would go to New York City to find a job Loretta and Luke were thankful their only child did not end up in the North Winston Salem was only an hour and a half away Mandy had not spent a night under her parents roof in four years Luke had made it clear to his daughter she would not share a bed in his house with a man who was not her husband Youre twenty three Why dont you get married he had asked her Were not ready We want to make sure thisll work Mandy had explained As Loretta fried ham for her biscuits she thought of her daughters words She was past being angry and hurt with Mandy But she really didnt understand todays young people Seemed like they were not ready to face the real world The phone rang and interrupted her thoughts She glanced at the stove clock and saw its hands at 5 30 Lukes calling to find out whats for supper thought Loretta Her hands ached Hed have to be happy with a BLT tonight He could save his appetite for Homecoming Hello Loretta said as sh

**The Aftermath** Elsie Frederick,2020-10-19 This is the second part of Elsie Frederick s autobiography so picking up from the first book and the astonishing saga of George s Heart Transplant this brings us right up to date She is not an author these are probably the only books she will ever write At 70 years of age and locked down amidst the Corona Virus Covid 19 epidemic she has taken the opportunity to finish the story started over 30 years ago The ensuing years brought more serious health issues to deal with From Stroke through to Dementia the problems she encountered could have been so much easier to deal with if she had received help from her extended family instead of denial greed avarice deceit and lies Her love and loyalty was tested to the limit It shows the devastation that can happen between families when support and understanding is needed but not forthcoming It became eventually in 2013 catastrophic What followed was almost too dreadful to believe It has taken the last 7 years to get her head straight and finally heal herself She will never get over what happened but at least she can now go forward It has been a catharsis for her to write excruciatingly painful but necessary as it is a true record of what happened and the process has given her the freedom to live and laugh again Regrets yes of course it should never have happened but it did and she regards it now as the Ultimate Survival D&B Reference Book of Corporate Managements

and architecture magazines     The Church Times ,1904     *No Price Too Great* Lee Solomon,2008-11 In often raw emotional terms *No Price Too Great* tells the story of a Chinese business woman and an American lawyer who met and fell in love while they still lived in separate worlds The book presents the difficulties the hopes the dreams the fears and the sometimes crushing and overpowering feelings that were experienced when trying to bring three people from two totally different cultures into one family This book deals openly and candidly with how differences in age and race and culture between two lovers both before and after they became husband and wife impacted their lives It also shows the prejudice that exists in surprising places and in surprising ways even within the same race The daily chronicle of events after this family was finally together in America is heartwarming and refreshing It is also true and because it is told in first person just as it was written when the events happened it is hard to put the book down Ultimately this book tells the story of a love that would not be denied The story of an American man a Chinese woman and a Chinese girl whose bond became so strong that nothing could keep them from becoming a family Within this beautiful love story is the compelling and touching story about a teenage Chinese girl who had never known a father It tells how she came to love and accept a round eyed man who lived on another continent as her own father and how he in turn came to love her as his own daughter It also tells how in the end it was their devotion to each other and to the woman they both loved that helped overcome the most difficult obstacle they faced before they could finally fulfill their lifelong dream of having a warm and loving family
