Loyal And Ancient City Lichfield In The Civil Wars:

Loyal and Ancient City Howard Clayton,1992 **The Civil Wars** John Philipps Kenyon,Jane H. Ohlmeyer,John Stephen Morrill,1998 This beautifully illustrated military history of the British and Irish Civil Wars offers an integrated account of the conflict that engulfed the kingdoms ruled by Charles I after 1638 On one hand it studies the interaction between the Stuart kingdoms comparing and contrasting their wartime experiences on the other it outlines the various civil wars which were fought in Scotland Ireland and England during the 1640s Throughout the text contributors examine how troops were raised trained clothed armed fed and paid the strategies adopted by the protagonists fighting in the various theatres of war and the tactics used by their generals in combat What role did siege warfare play in shaping the course of events What contribution did seapower make to the conduct of combat on land What impact did ten years of brutal conflict have on the populations of England Ireland and Scotland especially on the women and children Such are the questions this book aims to answer *The English Civil War* Peter Gaunt,2014-05-09 Sir God hath taken away your eldest son by a cannon shot It brake his leg We were necessitated to have it cut off whereof he died In one of the most famous and moving letters of the Civil War Oliver Cromwell told his brother in law that on 2 July 1644 Parliament had won an emphatic victory over a Royalist army commanded by King Charles I s nephew Prince Rupert on rolling moorland west of York But that battle Marston Moor had also slain his own nephew the recipient s firstborn In this vividly narrated history of the deadly conflict that engulfed the nation during the 1640s Peter Gaunt shows that with the exception of World War I the death rate was higher than any other contest in which Britain has participated Numerous towns and villages were garrisoned attacked damaged or wrecked The landscape was profoundly altered Yet amidst all the blood and killing the fighting was also a catalyst for profound social change and innovation Charting major battles raids and engagements the author uses rich contemporary accounts to explore the life changing experience of war for those involved whether musketeers at Cheriton dragoons at Edgehill or Cromwell s disciplined Ironsides at Naseby 1645 Catholic Staffordshire 1500-1850 Michael W. well presented volume is to aid the identification of buildings associated with the industry to help their conservation and to promote understanding amongst archaeologists historians and the general public Cocroft examines key factories notably the Royal Gunpowder Factory at Waltham Abbey many of which have been cloaked in secrecy until recently parallels in North America and on the Continent and the distinctive design of buildings created for the First and Second World Wars Includes a gazetteer and a glossary *Cavaliers* John Barratt,2000 This important new book offers the first history of the Royalist armies and thier role in the Civil War for over a quater of a century Divided into two sections the first part of the book describes and analyses the organisation recruitment training arms equipment tactics and performance of the Royalist armies The second part takes a look at some of the engagements and accidents of the Civil War and examines the relaity behind the legend by looking at actual cases in their proper contexts **Oxford Dictionary of National Biography:**

range of historiographical fields British history since the fourteenth century memory studies heritage studies landscape history conflict archaeology and military history Collections for a History of Staffordshire ,1953 Minutes of meetings of the society appear in most of the vols *The Victoria History of the County of Stafford: Burton-upon-Trent* William Page,2003 *Whitaker's Books in Print* ,1998 **Mansions and Country Seats of Staffordshire and Warwickshire** Alfred Williams (of Lichfield.),1899 **The History of the Rebellion and Civil Wars in England, Begun in the Year 1641** Edward Hyde Earl of Clarendon,1732 The Royalist ,1890 History, Gazetteer, and Directory of Staffordshire William White,1834
