*Patient Fortitude  
in the English Civil War*

Raymond A. Anselment

# Loyalist Resolve

**Allan Ross Davis**

## **Loyalist Resolve:**

*Loyalist Resolve* Raymond A. Anselment, 1988 This study analyzes a series of complex ambivalent literary responses to the decades of civil turmoil in seventeenth century England that simultaneously demanded public commitment and prompted private withdrawal From their various perspectives the Royalist writers raised in the humanist tradition are shown to appreciate anew the value of patient fortitude The Edge of the Union : The Ulster Loyalist Political Vision Steve Bruce, 1994-07-12 On the twenty fifth anniversary of the Northern Ireland Troubles the Ulster Loyalists are an increasingly alienated people In this timely book Steve Bruce provides crucial insights into the Loyalist world view Describing the troubles as a deeply entrenched ethnic conflict he argues that a widespread failure to take into account the strength and importance of the loyalist identity will scupper the chances of peace On the twenty fifth anniversary of the Northern Ireland Troubles Ulster's once dominant unionists are an increasingly alienated people In this timely assessment of the prospects for peace Steve Bruce examines the embittered world view of two key sections of Ulster unionism loyalist terrorists and the evangelical supporters of Ian Paisley To get to the heart of the unionist position he asks how they see the last twenty five years what they want from the future what they think they will get what they will accept and what they will fight to oppose Professor Bruce describes the Troubles as a deeply entrenched ethnic conflict He argues that a failure to appreciate the strength of the loyalist identity has prevented a proper understanding of the Troubles and that continued neglect of the majority makes strategies for peace pointless or counter productive On Steve Bruce's previous book *God Save Ulster* his interpretation of the Northern Ireland problem can be considered amongst the most satisfying in the literature Times Higher Education Supplement an intelligent and at times brilliant attempt to understand a particular religious outlook New Statesman Publishing on Orange Day 12 July From Revolution to Reunion Rebecca Brannon, 2022-04-13 This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina's victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina's experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between former enemies but in the process they

downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time

*Allies at the End of Empire* David M. Anderson, Daniel Branch, 2017-09-05 The wars of decolonization fought by European colonial powers after 1945 had their origins in the fraught history of imperial domination but were framed and shaped by the emerging politics of the Cold War In all the counter insurgencies mounted against armed nationalist risings in this period the European colonial powers employed locally recruited militias styled as loyalists to fight their dirty wars These loyalist histories have been neglected in the nationalist narratives that have dominated the post decolonization landscape and this book offers the first comparative assessment of the role played by these allies at the end of empire Their experience illuminates the deeper ambiguities of the decolonization story some loyalists were subjected to vengeful violence at liberation others actually claimed the victory for themselves and seized control of the emergent state while others still maintained a role as fighting units into the Cold War The overlap between the history of decolonization and the emergence of the Cold War is a central theme in the studies presented here The collection discusses the categorization of these irregular auxiliary forces after 1945 and presents seven case studies from five European colonialisms covering nine former colonies Portugal Angola the Netherlands Indonesia France Algeria Belgium Congo and Britain Cyprus Kenya Aden South Yemen and Oman This book was originally published as a special issue of the *International History Review* **Loyalist Writings** Wilbur Henry Siebert, 1921

**The Loyalists in North Carolina During the Revolution** Robert O. DeMond, 1979 To the genealogist the Appendices in the back of the book will doubtless hold the greatest interest for herein are found 1 lists of soldiers and civilians who supported the Crown throughout the Revolution 2 lists of Loyalists who suffered land confiscation 3 lists of Loyalists who made application to Great Britain for compensation for loss of office or property and 4 lists of North Carolina Loyalists who received pensions from Great Britain com item\_detail cfm ID 7144 7144 [The Loyalists in Prince Edward Island](#) Wilbur Henry Siebert, Florence E. Gilliam, 1911 *Writings of Exile in the English Revolution and Restoration* Philip Major, 2016-02-11 *Writings of Exile in the English Revolution and Restoration* opens a window onto exile in the years 1640 1680 as it is experienced across a broad spectrum of political and religious allegiances and communicated through a rich variety of genres Examining previously undiscovered and understudied as well as canonical writings it challenges conventional paradigms which assume a neat demarcation of chronology geography and allegiance in this seminal period of British and American history Crossing disciplinary lines it casts new light on how the ruptures and in some cases liberation of exile in these years both reflected and informed events in the public sphere It also lays bare the personal psychological and familial repercussions of exile and their attendant literary modes in terms of both inner mental withdrawal and physical displacement **The Loyalist's Ammunition** , 1863 **Royalists and Royalism in 17th-Century Literature** Philip Major, 2019-09-23 Author of plays love lyrics essays and among other works *The Civil War the Davideis and the Pindarique Odes* Abraham Cowley made a deep impression on seventeenth century letters attested by his extravagant funeral and his

burial next to Chaucer and Spenser in Westminster Abbey Ejected from Cambridge for his politics he found refuge in royalist Oxford before seeing long service as secretary to Queen Henrietta Maria and as a Crown agent on the continent In the mid 1650s he returned to England was imprisoned and made an accommodation with the Cromwellian regime This volume of essays provides the modern critical attention Cowley's life and writings merit Publications of the Colonial Society of Massachusetts, 1913 Primarily consists of Transactions v 1 3 5 8 10 14 17 21 24 28 32 34 35 38 42 43 and Collections v 2 4 9 15 16 22 23 29 31 33 36 37 39 41 also includes lists of members Loyalist Literature Robert S. Allen, 1982-01-01 The highly readable is more than a bibliography Written in a narrative style it is as well a short history of the Loyalists who they were why they left where they settled and what their legacy is **Machiavellian Rhetoric** Victoria Kahn, 1994-07-05 Historians of political thought have argued that the real Machiavelli is the republican thinker and theorist of civic virtue Machiavellian Rhetoric argues in contrast that Renaissance readers were right to see Machiavelli as a Machiavel a figure of force and fraud rhetorical cunning and deception Taking the rhetorical Machiavel as a point of departure Victoria Kahn argues that this figure is not simply the result of a naive misreading of Machiavelli but is attuned to the rhetorical dimension of his political theory in a way that later thematic readings of Machiavelli are not Her aim is to provide a revised history of Renaissance Machiavellism particularly in England one that sees the Machiavel and the republican as equally valid and related readings of Machiavelli's work In this revised history Machiavelli offers a rhetoric for dealing with the realm of de facto political power rather than a political theory with a coherent thematic content and Renaissance Machiavellism includes a variety of rhetorically sophisticated appreciations and appropriations of Machiavelli's own rhetorical approach to politics Part I offers readings of The Prince The Discourses and Counter Reformation responses to Machiavelli Part II discusses the reception of Machiavelli in sixteenth and seventeenth century England Part III focuses on Milton especially Areopagitica Comus and Paradise Lost *The Old Loyalist* Allan Ross Davis, 1908 The Royal Commission on the Losses and Services of American Loyalists, 1783 to 1785 Daniel Parker Coke, Roxburghe Club, 1915 Conflict Resolution and Ontological Security Bahar Rumelili, 2014-12-17 This volume highlights the ways in which the prospect of peace can generate anxieties and consequently set in motion social and political processes that reproduce and reactivate conflicts In analysing this issue the volume builds on the notion of ontological security and its recent applications to international relations theory Although conflicts threaten the physical security of the parties involved they also help settle existential questions about basic parameters of life being and identity and thus over time become sources of ontological security The prospect of peace through the resolution or transformation of conflict threatens to unsettle the stability and consistency of self narratives and their associated routines and habits at the individual group and state levels The contributors argue two key points 1 that ontological insecurity may set in motion political and social processes that reproduce and reactivate conflicts 2 that coping with peace anxieties necessitates the formulation of alternative self narratives at the individual societal and state levels that

re situate the Self in relation to Other and to the world at large Consequently the book analyses the ways in which and the conditions under which conflict resolution induces ontological insecurity and the different ways in which ontological insecurity has prevented the successful culmination of peace processes in different conflict contexts including Cyprus Israel Palestine and Northern Ireland This book will be of much interest to students of critical security studies conflict resolution peace and conflict studies social theory and IR in general

**Political Discourse and Conflict Resolution** Katy Hayward, Catherine O'Donnell, 2010-10-04 This book offers new insights into the close relationship between political discourses and conflict resolution through critical analysis of the role of discursive change in a peace process Just as a peace process has many dimensions and stakeholders so the discourses considered here come from a wide range of sources and actors The book contains in depth analyses of official discourses used to present the peace process the discourses of political party leaders engaging or otherwise with it the discourses of community level activists responding to it and the discourses of the media and the academy commenting on it These discourses reflect varying levels of support for the peace process from obstruction to promotion and the role of language in moving across this spectrum according to issue and occasion Common to all these analyses is the conviction that the language used by political protagonists and cultural stakeholders has a profound effect on progression towards peace Bringing together leading experts on Northern Ireland's peace process from a range of academic disciplines including political science sociology linguistics history geography law and peace studies this book offers new insights into the discursive dynamics of violent political conflict and its resolution

**Herrick, Fanshawe and the Politics of Intertextuality** Syrithe Pugh, 2016-04-22 Royalist polemic and a sophisticated use of classical allusion are at the heart of the two 1648 volumes which are the focus of this study yet there are striking differences in their politics and in the ways they represent their relation to poetry of the past Pugh's study of these brilliant but neglected poets brings nuance to our understanding of literary royalism and considers the interconnections between politics and poetics Through a series of detailed close readings revealing the complex and nuanced significance of classical allusion in individual poems together with an historically informed consideration of the polemical force of both publishing acts Pugh aligns the two poets with competing factions within the royalist camp These political differences she argues are reflected not only in the idea of monarchy explicitly articulated in their poetry but also in the distinctive theories of intertextuality foregrounded in each volume Herrick's absolutism going hand in hand with his peculiarly transcendental image of poetic imitation as an immortal symposium Fanshawe's constitutionalism with a distinctly humanist approach Offering a new argument for the unity of Herrick's vast collection *Hesperides* and making a case for the rehabilitation of Richard Fanshawe this engaging book will also be of wider interest to anyone concerned with politics in seventeenth century literature or with classical reception

**Women, Poetry, and Politics in Seventeenth-century Britain** Sarah C. E. Ross, 2015 *Women Poetry and Politics in Seventeenth Century Britain* offers a new account of women's engagement in the poetic and political cultures of seventeenth

century England and Scotland based on poetry that was produced and circulated in manuscript Katherine Philips is often regarded as the first in a cluster of women writers including Margaret Cavendish and Aphra Behn who were political secular literary print published and renowned Sarah C E Ross explores a new corpus of political poetry by women offering detailed readings of Elizabeth Melville Anne Southwell Jane Cavendish Hester Pulter and Lucy Hutchinson and making the compelling case that female political poetics emerge out of social and religious poetic modes and out of manuscript based authorial practices Situating each writer in her political and intellectual contexts from early covenanting Scotland to Restoration England this volume explores women s political articulation in the devotional lyric biblical verse paraphrase occasional verse elegy and emblem For women excluded from the public political sphere these rhetorically modest genres and the figural language of poetry offered vital modes of political expression and women of diverse affiliations use religious and social poetics the tropes of family and household and the genres of occasionality that proliferated in manuscript culture to imagine the state Attending also to the transmission and reception of women s poetry in networks of varying reach Sarah C E Ross reveals continuities and evolutions in women s relationship to politics and poetry and identifies a female tradition of politicised poetry in manuscript spanning the decades before during and after the Civil Wars *Illusory Consensus*

Alexander Pettit, 1997 Alexander Pettit analyzes the formation of and the reaction against the notion of a unified opposition to England s de facto prime minister Sir Robert Walpole 1676 1745 the great man of Scriblerian satire who was reviled throughout the 1730s for his hostility to the belles lettres his alleged disregard of the royal prerogative and his concentration of power in an oligarchy of parliamentary placemen The discussion draws extensively on ephemeral plays sermons pamphlets and newspapers that in their own day were regarded as significant contributions to the political debate Pettit shows that the myth of coherent anti Walpoleanism was promoted vigorously by Henry St John Viscount Bolingbroke 1678 1751 cofounder of the popular opposition weekly the Craftsman But Pettit argues that much of the anti Walpole literature of the 1730s responds anxiously to Bolingbroke s prescriptive theorizing and questions or criticizes the terms of his appeals to consensus The opposition was fundamentally in disagreement about how to formulate its objection to modern government Bolingbroke s reductive fantasy of the opposition has been regarded charitably by modern commentators most of whom have chosen to regard the print wars as the occasion for Bolingbroke s major political treatises or as background to the satire of his friends the Scriblerians This emphasis on a small and interconnected group of writers and sources however has caused scholars to neglect the opposition s diversity and its lack of coherence

This Engaging World of E-book Books: A Thorough Guide Revealing the Pros of E-book Books: A World of Convenience and Versatility E-book books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of hardcopy books. Gone are the days of lugging bulky novels or carefully searching for particular titles in shops. ## **Loyalist Resolve Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Loyalist Resolve PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Loyalist Resolve PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Loyalist Resolve free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About Loyalist Resolve Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
